JORDAN JULISSA

Sedition Oxford University Press, USA

The author, a former Special Secretary of India's external intelligence agency, the Research and Analysis Wing (R&AW), examines a series of interconnected events that led to the rise of the Khalistan movement, Operation Blue Star, the assassination of Prime Minister Indira Gandhi in 1984 and the anti-Sikh violence unleashed thereafter. With a timeline that moves from seven years before to a decade after 1984, the book strives to answer critical questions that continue to linger till today. The narrative moves from Punjab to Canada, the US, Europe and Delhi, looking to sift the truth from the political obfuscation and opportunism, examining the role that the ruling party allegedly played, and the heart-rending violence that devoured thousands of innocent lives in its aftermath.

Early in 1999, when Shiv Sena chief Balasaheb Thackeray decided to instal a new chief minister in Maharashtra, he was asked who the man of his choice was. 'New CM? Narayan Rane,' he replied, as though the question need not even have arisen. His pick was a mass leader who had first caught his attention as a teenager in a Mumbai suburb when Thackeray had just started his party in the 1960s. The committed Shiv Sainik with close access to the supremo, however, stormed out of the party and joined the Congress in 2005. In the years that followed, he was a powerful fixture in the cabinet of one of India's most politically significant states - always with a fighting chance of making a comeback as chief minister and perennially holding out an existential threat to not only his one-time bosses in the Shiv Sena but also the leaders of his own party. Today, having broken from the Congress too and been elected to the Rajya Sabha on a Bharatiya Janata Party nomination, he remains as unpredictable and aggressive as ever. In *No Holds Barred*, Narayan Rane looks back on the years he has spent in the dog-eat-dog world of Indian politics. Packed with revealing stories of his encounters with the who's who of the game in Maharashtra and at the Centre - ranging from the Thackerays, Pramod Mahajan, Gopinath Munde, Manohar Joshi, Vilasrao Deshmukh, Ashok Chavan and Devendra Fadnavis to Sharad Pawar, Ahmed Patel and Rahul and Sonia Gandhi - this is a truly candid and fearless tell-all that exposes the true nature of India's corridors of power.

No Holds Barred Harper Collins

They are first cousins twice over, but have had widely divergent political trajectories. One, an abrasive, fire-breathing demagogue, was seen as his uncle's political heir whose behavioural traits he cultivated. The other, an introvert, is at his best when plotting

strategies on the drawing board rather than the rough-and-tumble of street-corner politics that his party is known for in India's financial capital. Starting out as brothers-in-arms, they had a bitter falling out over inheriting the party mantle. The younger cousin branched out on his own, hijacked the populist, ethno-centric plank of his parent party, putting his cousin-turned-political foe on the defensive. A series of miscalculations later, the boot seems to be on the other foot. The elder cousin has managed to keep his flock together and cemented his position as his late father Bal Thackeray's political heir, while the other, one of the most popular crowd-pullers in Maharashtra, is itching for an electoral comeback. The *Cousins Thackeray* evaluates the political careers of Shiv Sena president Uddhav Thackeray and Maharashtra Navnirman Sena (MNS) chief Raj Thackeray. It also examines questions about identity politics, and the social, cultural and economic matrix that catalysed the formation of the Shiv Sena and the MNS from it. Above all, it is a look at what makes the Thackeray cousins so integral to the politics of India, Maharashtra and Mumbai.

Cousins Thackeray Ebury Press

Bal Thackeray and his Shiv Sena exposed! Full of anecdotes and pulling no punches, *Samrat* explores the life and times of Bal Thackeray and attempts to bring to the readers a unique insight into how a rather timid man from the working classes was shaped by his circumstances - and certain vested interests - into becoming a demagogue with the kind of success and following few could either dream of or replicate in the future. Thackeray not just changed the name of Bombay to Mumbai but quite altered the character and fabric of the city even though he was driven not by ideology, as might have seemed to most outsiders, but by his own pragmatism and personal interests. As Vir Sanghvi says in the foreword, 'The book is an attempt to understand the milieu that Thackeray operated in and to capture the essence of his style amidst the shifting stands and the politics of pragmatism'. *2019* Penguin Enterprise

Hitler's autobiography, *Mein Kampf*, is a perennial bestseller in India, with even street-side bookstalls prominently displaying stacks of it. The name 'Hitler' -- anathema almost everywhere else in the world -- is tossed about casually in the Indian subcontinent, not infrequently invoked in praise. Many Indians still harbour the notion that the Fuhrer was a friend of the Indian people and had extended wholehearted support to their freedom struggle. To journalist Vaibhav Purandare, this clearly suggested that Indians continued to be largely unaware of the German dictator's views on India, in spite of the fact that they are unambiguously expressed in his own writings. This lacuna spurred him on to delve into the archives -- in Germany, India and elsewhere. The result of Purandare's research is this comprehensive and painstaking portrait and analysis of Hitler's

outlook on India and its people, his opinion of their struggle against the British Raj, and his take on Indian history, culture and civilisation. Also within these pages are surprising details of Netaji Subhas Chandra Bose's entanglement with the Reich, the experience of other Indians living in Nazi Germany, the mission that Hitler sent to the Himalayas in search of 'pure-blood Aryans', and a number of other little-known historical nuggets. Accessible and rich in detail, *Hitler and India* is the very first examination of what India meant to a figure who, perplexingly, remains quite alive in the country.

Women Who Work Hachette India

A riveting account of how the deadly Coronavirus was contained in Asia's largest slum. An explosion that could have pushed not just Mumbai but all of India on the back foot was nipped in the bud with no manual to handle such a travesty. Kiran Dighavkar's *The Dharavi Model* is a thrilling chronicle of the measures that were taken to prevent the spread of Covid-19 in Dharavi. They helped save many lives. It is also the tales of those who lost their lives fighting the battle against COVID-19. The model applauded and implemented at a global level is passionately penned as a book.

2014 Taylor & Francis

In an easy and charming manner, Sonal Kalra helps us tackle the everyday irritants and stresses in life-be it the daily stresses relating to work and colleagues, traffic and road rage, etiquette or self-esteem, *A Calmer You* helps us put our priorities into perspective. Sonal's calmness tips are seemingly simple and amazingly effective. Her insights and experiences are situations we can all relate to, and the wise and often hilarious characters-the serene Pappu Singh, the incorrigible Chaddha ji and the indefatigable Bubbly Aunty-peppered throughout this book offer surprising nuggets of wisdom. You will be left with techniques to achieve tranquility and composure in the face of aggravation, and that too, with a big smile on your face!

Me Against the Mumbai Underworld Oxford University Press

A fly-on-the-wall account of the most thrilling 36 days in the history of Maharashtra politics. The battle of Kurukshetra described in the Mahabharata lasted for 18 days. In the aftermath of the 2019 Maharashtra assembly elections, another battle was fought-though not on any battlefield. It went on for 36 days. Neither of these battles was a spontaneous attack. Rather, the seeds of both were sown over the years, and a broken promise tipped the scales in both cases. The similarities don't end there. As you encounter the dramatis personae of the 36-day political drama-or should we say pieces of the game of chess-you may find yourself drawing parallels between them and the cast and characters of the great Indian epic. Embedded with tales of ambition, deception, trust and betrayal, *36 Days* reads like a quintessential thriller. Only, it is for real...

Maharashtra Maximus Testbook.com

IN OCTOBER 2019, THE ASSEMBLY elections held in Maharashtra saw a decisive mandate in favour of the pre-poll Mahayuti alliance of the Bharatiya Janata Party and the Shiv Sena, against the Maha Aghadi alliance of the Nationalist Congress Party and the Indian National Congress. But what followed shook the very foundations of democracy. With the Shiv Sena unexpectedly staking claim to the chief minister's post, and the BJP unwilling to give in to their demand, the battle for the coveted top spot began in earnest and President's Rule was imposed in the state. Featuring swiftly shifting alliances, the abandonment of long-held party ideologies, dynastic bombast and overnight reversals, the high-octane drama culminated in Uddhav Thackeray of the Shiv Sena taking oath as chief minister of Maharashtra on 28 November 2019. The BJP – the single-largest party in the legislature, with almost double the seats of the second-in-line Shiv Sena – found itself side-lined and left without power. Recounting in dramatic detail the high-stakes battle for political control of a crucial state, Trading Power throws into sharp focus the manipulations and narrow motivations that rule politics in the country today, ultimately leading to a gross betrayal of the people's mandate.

The Last Ballad HarperCollins

With a new prologue 'Splendid . . . anyone who wants to understand Indian politics or think they do should read it' -Indian Express 'Delightfully written . . . he has a sharp eye for details, especially the actions of political leaders' - India Today 'Captures the drama of 2014 and the men who powered it'-Open 'Holds you to your seat, often on the edge . . . A procession of India's colourful political characters—Lalu Yadav, Amit Shah, Rahul Gandhi, Narendra Modi and many more come intimately close through the author's accounts' -The Hindu 'Candid and forthright . . . and deliciously indiscreet' -Hindustan Times 'A racy narrative that goes beyond recording immediate political history' -Tehelka The 2014 Indian general elections has been regarded as the most important elections in Indian history since 1977. It saw the decimation of the ruling Congress party, a spectacular victory for the BJP and a new style of campaigning that broke every rule in the political game. But how and why? In his riveting book, Rajdeep Sardesai tracks the story of this pivotal election through all the key players and the big news stories. Beginning with 2012, when Narendra Modi won the state elections in Gujarat for a third time but set his sights on a bigger prize, to the scandals that crippled Manmohan Singh and UPA-II, and moving to the back-room strategies of Team Modi, the extraordinary missteps of Rahul Gandhi and the political dramas of election year, he draws a panoramic picture of the year that changed India.

Trading Power Harper Collins

35 DaysHarper Collins

Harper Collins

Originally written in Marathi, 'Ayurveda Garbha Sanskar' is a book that serves as a guide to a couple who are looking to start a family, starting out by getting pregnant, giving birth to a healthy child and nurturing the little one. The book comprehensively provides people everything that a person wants to know about conceiving, pregnancy and delivery to nurturing the little one for up to 2 years of age. Not simply a book laden with known-lectures, rather this book can be seen as an elaboration of various ancient Ayurvedic practices that leads to the complete well-being of the mother and child's physical, spiritual and psychological health. It also advises on the traditional herb mixes, yoga, music and mantras that the new-mothers or the mothers-to-be may find helpful. Besides, this book also charts a nutritious Ayurvedic diet-plan for the couples to detoxify their bodies and be healthy in the right sense of the term. Once a mother conceives, she must be able to nourish and condition the little one in her womb. Likewise, this book also provides a month-by-month nutrition plan that helps in proper nourishment of the baby. Yoga and full-body herbal oil massages during pregnancy are also recommended for the mothers-to-be along with a list of health tonics prescribed in this book. In order to reach out to more people worldwide, this book has been translated in English, and is available in hardcover.

Baahubalis of Indian Politics HarperCollins

Vaibhav Purandare grew up in Mumbai in the 1980s and 90s, the tumultuous decades in which Bal Thackeray and his Shiv Sena went from being regional political players to champions of a militant Hindutva that carried their rhetoric and rage across India. He began his journalistic career with the political newsmagazine Blitz in 1993, in the early part of which Thackeray and his organisation played a key role in the Mumbai riots, and has since worked with India's leading newspapers such as The Indian Express, The Asian Age, Daily News and Analysis (DNA), Mid Day and Mumbai Mirror, apart from writing for a host of other publications. His first book, The Sena Story was published in 1999, when he was only 23. His second book, Sachin Tendulkar: A Definitive Biography (Roli Books) and is now into its fifth edition.

Maharashtra. Among the country's largest, wealthiest, most significant constituents. A great state in name and in deed that has been the cradle of individuals and events that have shaped India. Girish Kuber - seasoned journalist and one of Maharashtra's foremost opinion makers - tells its story in Renaissance State. Taking in his vast sweep the region's politics, society and history from the time of the Satavahanas down to the present day, he chronicles a number of lesser-known tales: the empire that brought the mighty Mughals to their knees, the woman who took the issue of consent in marital sex right up to Queen Victoria, the social reformers who were far ahead of their time, the evolution of movements of the right and left as well as for Dalit identity, and the long tradition of this great land of always standing up to Delhi. This is the account of the making of Maharashtra that its proud people deserved but had remained unwritten.

Samrat Hay House, Inc

Zoroastrianism might be a fast-declining religion in today's world, but what is remarkable is its eternal enigma. It is hard to believe that the hymns of the faith have travelled down to us in accurate form and poetic metre, purely through the memory of generations of priests. Zarathustra, the founder of the faith, belonged to a period of Persian history which antedated the Achaemenid dynasty (from 550 BC to 330 BC). He followed the old Rigvedic religion until he was the first to receive a revelation from Almighty God. The Gathas—the most sacred text of the Zoroastrian faith—were first composed and sung by Prophet Zarathustra. Along with the complete comprehension of the Gathas, consisting 238 verses in the same language as the Rigveda, this book is for anyone who wants to gain a deeper understanding of the purpose of life on earth and what happens to mankind after death. The Gathas are extremely relevant in modern times for the fundamental reason that they are timeless. They do not emanate from Prophet Zarathustra's mind, but are revelations from Almighty God, making them universal in their approach. This book is an attempt to help the reader fully comprehend these and choose the path of leading a righteous life.

Government Scheme Current Affairs August 2021: State & Central HarperCollins

The liberal use of the sedition law in recent years, mainly by state governments intolerant of dissenting opinion, has provoked justified controversy. After some prominent individuals fell afoul of the law, activists, journalists, lawyers, and jurists took up cudgels on behalf of the victims, and demanded that the law be scrapped, as it belongs to the colonial era. The Supreme Court of India, in May 2022, admitted a host of petitions challenging the law as upheld in Kedar Nath Singh vs Union of India, 1961. The author believes that the fundamental right to free speech is a non-negotiable right in a democratic country, but the law is relevant for countering threats to national security and sovereignty. Examining the trajectory of the sedition law from its introduction by the British colonial power and its subsequent rejection by the Constituent Assembly of India, the author observes that the statute had to be hastily restored by the Provisional Parliament to cope with the challenges posed by communal rioting in many parts of the country, several years after independence. As such, it is pertinent in times of crisis. The current law undeniably needs safeguards against political misuse, but deserves a place on the statute. Print edition not for sale in South Asia (India, Sri Lanka, Nepal, Bangladesh, Pakistan and Bhutan)

Hitler And India 35 Days

Winner of the Southern Book Prize for Literary Fiction Named a Best Book of 2017 by the Chicago Public Library and the American Library Association "Wiley Cash reveals the dignity and humanity of people asking for a fair shot in an unfair world." - Christina Baker Kline, author of A Piece of the World and Orphan Train The New York Times bestselling author of the celebrated A Land More Kind Than Home and This Dark Road to Mercy returns with this eagerly awaited new novel, set in the Appalachian foothills of North Carolina in 1929 and inspired by actual events. The chronicle of an ordinary woman's struggle for dignity and her rights in a textile mill, The Last Ballad is a moving tale of courage in the face of oppression and injustice, with the emotional power of Ron Rash's Serena, Dennis Lehane's The Given Day, and the unforgettable films Norma Rae and Silkwood. Twelve times a week, twenty-eight-year-old Ella May Wiggins makes the two-mile trek to and from her job on the night shift at American Mill No. 2 in Bessemer City, North Carolina. The insular community considers the mill's owners—the newly arrived Goldberg brothers—white but not American and expects them to pay Ella May and other workers less because they toil alongside African

Americans like Violet, Ella May's best friend. While the dirty, hazardous job at the mill earns Ella May a paltry nine dollars for seventy-two hours of work each week, it's the only opportunity she has. Her no-good husband, John, has run off again, and she must keep her four young children alive with whatever work she can find. When the union leaflets begin circulating, Ella May has a taste of hope, a yearning for the better life the organizers promise. But the mill owners, backed by other nefarious forces, claim the union is nothing but a front for the Bolshevik menace sweeping across Europe. To maintain their control, the owners will use every means in their power, including bloodshed, to prevent workers from banding together. On the night of the county's biggest rally, Ella May, weighing the costs of her choice, makes up her mind to join the movement—a decision that will have lasting consequences for her children, her friends, her town—indeed all that she loves. Seventy-five years later, Ella May's daughter Lilly, now an elderly woman, tells her nephew about his grandmother and the events that transformed their family. Illuminating the most painful corners of their history, she reveals, for the first time, the tragedy that befell Ella May after that fateful union meeting in 1929. Intertwining myriad voices, Wiley Cash brings to life the heartbreak and bravery of the now forgotten struggle of the labor movement in early twentieth-century America—and pays tribute to the thousands of heroic women and men who risked their lives to win basic rights for all workers. Lyrical, heartbreaking, and haunting, this eloquent novel confirms Wiley Cash's place among our nation's finest writers.

Neither a Hawk Nor a Dove Roli Books Private Limited

On 12 January 1925, twenty-five-year-old Abdul Kader Bawla, one of the richest men in colonial Bombay and a corporator in the Bombay Municipal Corporation, was murdered on Malabar Hill while out for an evening drive with his mistress, Mumtaz Begum. The objective of the attack was to abduct Mumtaz, who was saved by the appearance of four British army officers who fended off the attackers with nothing more than a golf club. Investigations by the Bombay police revealed a link between the crime and the princely state of Indore. The subsequent controversy led to the abdication of Maharaja Tukojirao Holkar III, the ruler of Indore, to avoid an inquiry. A century later, the sensational murder case continues to be a milestone in the history of the Mumbai police. With a narrative built around a beautiful courtesan, a wealthy heir, a spurned king, an upright police officer and a sensational murder, this book is a masterful chronicle of early twentieth-century colonial India.

35 Days Notion Press

Trail of the Tiger tracks the personal and political journey of Uddhav Balasaheb Thackeray against the backdrop of the changing narrative of Hindutva, and new connotations to Hindutva's subnational plot, with the rise of Prime Minister Narendra Modi as a new Hindu Hriday Samrat. The trail of Uddhav Thackeray from a professional advertising photographer to Maharashtra's Chief Minister is not just his story. It is the story of saffron 'tiger' Balasaheb Thackeray's own family Mahabharata for political power and legacy that left the patriarch helpless during his sunset years. It is the story of one of the biggest upheavals in Indian politics where breaking a 30-year-old alliance with the Bharatiya Janata Party (BJP), the Shiv Sena joined Sonia Gandhi's camp, holding Sharad Pawar's finger. It is also the story of the Rashtriya Swayamsevak Sangh's (RSS) dilemma to deal with the tug of war in the Hindutva camp. Based on news analysis, Trail of the Tiger unpacks media content and explores intertextuality to bring readers the authentic account of the Shiv Sena's saffron to secular trajectory under the leadership of Uddhav Balasaheb Thackeray.

Government Scheme Current Affairs Yearly Review 2021 E-book PDF Penguin Random House India Private Limited

"A whip-smart, funny, and searing look at the wild world of startups." —Good Morning America Book Buzz Pick *Named a Best Book of the Year by NPR In this "wise and wickedly funny novel about love, creativity, and the limitations of the tech-verse" (Vogue) newlyweds Asha and Cyrus find themselves running one of the most popular social media platforms in the world. Meet Asha Ray. Brilliant coder and possessor of a Pi tattoo, Asha is poised to make a scientific breakthrough when she is reunited with her high school crush, Cyrus Jones. Before she knows it, Asha has abandoned her lab, exchanged vows with Cyrus, and gone to work at an exclusive tech incubator called Utopia to develop an app called WAI—"We are Infinite." WAI creates a sensation, with millions of users logging on every day. Will Cyrus and Asha's marriage survive the pressures of sudden fame, or will she become overshadowed by the man everyone is calling the new messiah? This "scathing—and hilarious—take on startup culture, marriage and workaholicism" (Politico) explores whether or not technology—with all its limits and possibilities—can disrupt modern love.
