The English Novel The English novel is an important part of English literature. This article mainly concerns novels, written in English, by novelists who were born or have spent a significant part of their lives in England, or Scotland, or Wales, or Northern Ireland. However, given the nature of the subject, this guideline has been applied with common sense, and reference is made to novels in other languages or novelists

who are not primarily British where appropriate. English novel - Wikipedia The impact and significance of the novel form may be especially obvious in the case of the English novel. Through the period that gave rise to the novel, England experienced a convulsive social transformation—one that produced the world's first modern, capitalist economy. Along the way, traditional social values often appeared to be outdated ... The English Novel "The English Novel"
