*Dictionary of the Old Testament: Wisdom, Poetry & Writings* Wm. B. Eerdmans Publishing  
Volume XVI concludes the monumental, critically acclaimed Theological Dictionary of the Old Testament with an Aramaic dictionary. This latest and last TDOT volume incorporates nearly the complete lexicon of Biblical Aramaic as well as a major portion of the theologically, culturally, and historically relevant terms in other ancient Aramaic writings. Each article provides information on the term's meaning and usage, is fully annotated, and contains a bibliography with cross-references to the entire TDOT series. Further enhancing this volume are an introductory

overview of the history of Aramaic and a comparative grammatical outline of ancient Aramaic at the end of the book.  
A Compendium of Contemporary Biblical Scholarship Baker Academic

This groundbreaking reference tool introduces key names, theories, and concepts for interpreting Scripture.

**Volume XIV** William B. Eerdmans Publishing Company  
Analyzes the meaning of Hebrew terms used in the Old Testament, considering their occurrences in ancient Near Eastern texts

**Theological Dictionary of the Old Testament** Wm. B. Eerdmans Publishing Company

In recent years our knowledge of the individual parts of the Bible has increased greatly, but our understanding of how they fit together has not kept pace. In particular, the relationship

between the Old and New Testaments has been a neglected field of study. The latest in IVP's developing family of New Dictionaries, the 'New Dictionary of Biblical Theology' is an essential tool for students, preachers and ministers, as well as for scholars and others seeking a better grasp of the Bible's teaching. The aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the Scriptures. The volume embodies three perspectives on biblical theology, which are reflected in its structure.

**Theological Dictionary of the Old Testament** Wm. B. Eerdmans Publishing

Tremper Longman III and Peter E. Enns edit this collection of 148 articles by over 90 contributors on Job, Psalms, Proverbs, Ecclesiastes, Song of Songs, Lamentations, Ruth and Esther.

**Theological Interpretation of the Old Testament** William B. Eerdmans Publishing Company

Substantial articles on 2000+ Greek words that are theologically significant in the New Testament. Traces usage in classical Greek literature, the Septuagint, intertestamental texts, and the New Testament.

**Theological Wordbook of the Old Testament** Westminster John Knox Press

Exploring the major themes and issues of the Pentateuch, this encyclopedic work offers authoritative overviews, detailed examinations and new insights from the world of the ancient Near East. Edited by T. Desmond Alexander and David W. Baker.

**Volume V** Wm. B. Eerdmans Publishing

This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set, the Kittel-Friedrich

Theological Dictionary of the New Testament, has been to New Testament studies. Beginning with 'ābh ('āb), "father," and continuing through the alphabet, the TDOT volumes present in-depth discussions of the key Hebrew and Aramaic words in the Old Testament. Leading scholars of various religious traditions (including Roman Catholic, Lutheran, Reformed, Anglican, Greek Orthodox, and Jewish) and from many parts of the world (Denmark, France, Germany, Great Britain, Greece, Israel, Italy, the Netherlands, Norway, Sweden, Switzerland, and the United States) have been carefully selected for each article by editors Botterweck, Ringgren, and Fabry and their consultants, George W. Anderson, Henri Cazelles, David Noel Freedman, Shemaryahu Talmon, and Gerhard Wallis. The intention of the writers is to concentrate on meaning, starting from the more general, everyday senses and building to an understanding of theologically significant concepts. To avoid artificially restricting the focus of the articles, TDOT considers under each keyword the larger groups of words that are related linguistically or semantically. The lexical work includes detailed surveys of a word's occurrences, not only in biblical material but also in other ancient Near Eastern writings. Sumerian, Akkadian, Egyptian, Ethiopic, Ugaritic, and Northwest Semitic sources are surveyed, among others, as well as the Qumran texts and the Septuagint; and in cultures where no cognate word exists, the authors often consider cognate ideas. TDOT's emphasis, though, is on Hebrew terminology and on biblical usage. The contributors employ philology as well as form-critical and traditio-historical methods, with the aim of understanding the religious statements in the Old Testament. Extensive bibliographical information adds to the

value of this reference work. This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars; it does so, however, without sacrificing the needs of the latter. Ancient scripts (Hebrew, Greek, etc.) are regularly transliterated in a readable way, and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars. Where the Hebrew text versification differs from that of English Bibles, the English verse appears in parentheses. Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work.

Theological Dictionary of the Old Testament: 'abh-badhadh

William B. Eerdmans Publishing Company

The Complete 5-Volume Set on CD-ROM . . . Now Powered by Pradis What its internationally acclaimed cousin, the New International Dictionary of New Testament Theology, is to the New Testament, the New International Dictionary of Old Testament Theology and Exegesis (NIDOTTE) is to the Old Testament. Drawing on the diligence and expertise of more than 200 contributors from over 100 academic institutions in 24 countries, NIDOTTE is a triumph of modern scholarship. It is indispensable for pastors, students, scholars, and anyone who wants to grasp the full riches of the Bible through a better understanding of Old Testament words and theological concepts. No Need to Know Hebrew or Aramaic Whether you're a specialist or not, you'll gain a nuanced understanding of words and concepts in the context of the Ancient Near East and the Old Testament. You'll also better understand their relationship to

words in the New Testament. NIDOTTE features available with Pradis include: \*Guide to Old Testament Theology and Exegesis--- Eleven essays supply an overview of biblical hermeneutics and interpretation and provide guidelines for using NIDOTTE in interpreting and exegeting the Old Testament. \*Lexical Dictionary--- Contains over 3,000 Hebrew words with thorough information on each word. \*Topical Dictionary--- Unlocks the theology of each Old Testament book and describes biblical concepts, people, places, events, and literary pieces. \*Search assistant \*Note-taking and bookmarking for book, chapter, verse, topic, or subtopic \*Customization--- options for text, background colors, font, and point size Easy-to-use Pradis interface is: \*Transparent--- Sort by Hebrew/Aramaic, English, or both combined. \*User-Driven--- In the footnotes, choose how you want to view the Hebrew/Aramaic text (true, full, or simple transliteration). \*Powerful--- Search the dictionary for Hebrew/Aramaic words. \*Intuitive--- Never lose a window! Tabbed and tiled window panes keep all your resources in view. \*Flexible-- -Many features are easy to use because they're designed like programs you frequently use. For example, navigate by using a context tree or the 'go to' dialog box. Expand the scope and speed of your Bible studies even more! NIDOTTE 5.1 for Windows is powered by Pradis, the most powerful software available for Bible study. It's fully compatible with any edition of Zondervan's Bible Study Library as well as the New International Dictionary of New Testament Theology and the Expositor's Bible Commentary. Choose the right edition for you. For the latest information and program updates, regularly visit [www.zondervan.com/interactive](http://www.zondervan.com/interactive). **Theological Dictionary of the Old Testament** Volume XIV

The Exegesis Quick-Reference Tool Every Pastor, Teacher, Student, and Scholar Needs The Concise New International Dictionary of New Testament Theology and Exegesis (CNIDNTE) by Christopher A. Beetham is a significant resource for those looking for a quick-reference guide to aid in exegesis and interpretation. It retains all the essentials of the monumental and magisterial New International Dictionary of New Testament Theology and Exegesis edited by Moises Silva, bringing together its most important elements into one accessible volume. This reference includes the most vital, relevant information needed to delve deep into the study of the Greek words used in Scripture for study of the New Testament--its texts and theology. This volume offers a wealth of background and information on the meaning of Greek words in the New Testament, as well as related usage in classical Greek sources, the Greek Old Testament (Septuagint), and extrabiblical Second Temple Jewish literature. This significant tool offers the following features: All the nearly 800 entries covering over 3,000 Greek words found in the full edition are included and presented in the same order and arrangement Retains approximately 60 percent of the original edition, with the emphasis now on synchronic word study and usage in the Greek Old Testament, extrabiblical Second Temple literature, and especially the New Testament The unique

arrangement according to Greek words and use of English concepts is retained from the full edition and allows all users to access Greek terms regardless of their level of competence in Greek. This edition retains the significant semantic-domain tool that directs the reader to all the Greek words that have something to do with a particular English word or concept. For example, under the English words "Resurrection," there is a list of four Greek words that are related to that topic. Discussions reflect the latest in modern scholarship Bibliographies retain essential references to other standard lexicons and theological dictionaries The Concise New International Dictionary of New Testament Theology and Exegesis is the ideal tool for pastors, Bible teachers, students, and scholars engaging in exegesis. It is packed with the essential information needed to study the New Testament.

Theological Dictionary of the Old Testament Volume XIV Wm. B. Eerdmans Publishing

**Theological Dictionary of the Old Testament** Inter-Varsity Press

The Dictionary of the Old Testament: Pentateuch' is the first in a four-volume series covering the text of the Old Testament. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament and its background, this encyclopedic work is characterized by close attention to the text of the Old Testament and the ongoing conversation of contemporary scholarship. In exploring the major themes and issues of the Pentateuch, it informs and challenges its readers

with authoritative overviews, detailed examinations and new insights from the world of the ancient Near East. The 'Dictionary of the Old Testament: Pentateuch' is designed to be your first stop in the study and research of the Pentateuch, on which the rest of the Bible is built.

*Theological Dictionary of the Old Testament* Zondervan Academic Defines 6,000 terms on such topics as the Bible, worship, theology, ministry, ethics, church history, and spirituality

**Theological Dictionary of the Old Testament** Wm. B. Eerdmans Publishing

Formerly published as two volumes, this new edition is even easier to use. More than 1400 articles written by 43 Old Testament scholars, plus 400 sub-entries.
