But Abby is not a spoiled trophy wife Dylan can easily charm. begs collection, god-dammit. It is said that there are many troubles in front of a husband's door, and there are also quite a few troubles in front of a husband's door! He had even yet to meet his "fiancé" before he was reduced to being an "abandoned husband". It was so difficult for him to talk about a marriage, but he was instead tricked into marrying, stealing the dowry, marrying a "high and mighty", and there were no brothers who were "orphans", "evil men", and they had a hideous smile on their faces. They dared to scheme against this young master, causing your family to have no peace day ... What? This' orphan 'had turned into a royal grandson?! Lin Yuxing's face was covered in tears, "Husband, let's continue with our days of making love!"

A lost city in the desert, wolf packs, a book, and, of course, a sword...*The Book and the Sword* was Louis Cha's first novel, published in 1955, and quickly established him as one of the new masters of the wuxia genre. The novel is panoramic in scope and includes the fantastical elements for which Cha is well-known: secret societies, kung fu masters, a lost desert city guarded by wolf packs, and the mysterious *Fragrant Princess*, an embellishment of an actual historical figure - although whether she actually smelled of flowers, we will never know. Further to

that Cha revives the legend about the great eighteenth-century Manchu Emperor Qian Long which claims that he was in fact not a Manchu but a Han Chinese as a result of a baby swap. *The Book and the Sword* is a rip-roaring tale of Chinese kung fu masters battling it out for the future of the Chinese empire and control of central Asia.

Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.
