(Harp). "Sylvia Woods has done it again! Harp Fingering Fundamentals is a must for every teacher and student. It clearly and concisely shows how to approach harp fingerings in her accessible and charming style. It will be a staple in my studio and should be in your collection, too." Felice Pomeranz, Professor of Harp, Berklee College of Music, Boston, MA "Chock-full of common-sense suggestions on fingering from the simplest to the trickiest passages. A real boon for do-it-yourself harp players, and good ideas even for experienced players on how to make the unplayable playable." Joyce Rice, harp instructor

The Holy Land, hand-in-hand with the spirit of Jesus and four magical paper angels. Visit Israel on the arm of the spirit. See the sights, hear the sound, smell and taste the flavors as you might have imagined day by day, each step of the way. If you are reading this, God wants to say something to you. Listen with reverence! The winter of 1998, Mary DuBose stepped onto the rocky soil of Israel and encountered a part of God she never imagined. For seven days an unrecognizable male voice instructed her as she visited Holy sites. Mary knew the voice did not belong to God or Jesus. For nineteen months she tried to figure out whose Holy voice spoke. On September 3, 1999, near completion of this book, the voice softly spoke the answer. The answer is in the story. Search with joy! Twelve Days to Jerusalem proclaims the mystery of faith with a delightful, mysterious adventure. Experience God's gifts for you!

(Harp). This easy-to-read chart for pedal harpists by Sylvia Woods includes the pedal diagrams for the most commonly used glissandos: 6th, minor 7th, suspended 4, diminished 7th, augmented, and whole tone. Several possible pedal configurations are listed for many of the glisses, so you may choose the one you like the sound of best and the one that is easiest to get in and out of with the fewest pedal changes. This 2-sided, 3-hole-punched, 8 1/2 x 11 laminated sheet is concise, complete, and easy to use. No pedal harpist should be without one!

Students of music are faced with the challenge of developing their aural skills to the point at which they can see music on the page with thoughtful, trained eyes and hear it with their mind's ear. Sight Singing Complete, leads students to this point by beginning with the familiar and moving gently toward the unfamiliar until they are transforming symbol into sound and improvising in all idioms. The 8th edition of Sight Singing Complete preserves the multi-faced pedagogical approach and the commitment to historical repertoire from the seventh edition. New to this edition is an integrated approach to rhythm and performance — This edition is unusual in that we not only expect student to master each skill by itself, we also expect them to integrate all three skills in carefully designed sequence of "Play + Sing" exercises adapted from 18th - 21st century instrumental and vocal repertoire.

Author, Kenden Alford has created a menu for every Jewish holiday that provides the peace of mind and confidence that comes from serving healthy foods while creating cherished memories. The Jewish Food Hero Cookbook is Alford's contribution to the Jewish community's efforts to increase the amount healthy foods found on our tables. All the recipes in this cookbook use completely plant based food (no animal products) and everyday kosher parve ingredients. Cooking healthy holiday meals can be a form of creative expression, self-care, and love. Beautifully photographed and filled with endearing stories of the author's inspiration behind each holiday menu, The Jewish Food Hero Cookbook is not just about the food and the final presentation. It's also about how you feel leading up to the holiday, and the ambiance one wants to create from day one of preparation. It's about experiencing the holiday itself and creating beloved memories with your family. Pairing both traditional and modern, healthy food, the goal of this book is to prove that together we can create a new and healthy food future for the Jewish people, one that is connected to the most beautiful of Jewish traditions while being grounded in the present.

An American college student traveling around Europe on a bicycle with two friends arrived at a recent July 4th celebration in Moscow and remarked, "We've been traveling around Europe and Russia for almost a month now. I never thought I'd be saying this, but I never wanted to see and hear Americans so much in my life. That would be so corny back home. But here it just seems right" (Hartford Courant, July 5, 1989, p. A2). Apparently you can take an American out of America, but you cannot take America out of an American-and perhaps this notion applies to other migrants as well. This is a book that explores the experience of Americans abroad, specifically those who are living in other countries of the developed world with a lower standard of living than that of the United States. This study compares the travels and travails of emigrants to Australia and Israel and seeks to apply a social psychological perspective to address three questions: (1) What accounts for the motivation of migrants to move? (2) What are the sources of the adjustment problems the migrants experience? (3) What explains whether the migrants remain or return to the United States? Ideally, it would be best to devise one instrument to gather data on representative samples of Americans living in a variety of countries abroad, but such an effort is beyond the resources of most researchers-including us.
