Claude Bristol's tough-minded, hard-hitting message remains as fresh and focused today as when his books were first published, when the subconscious mind was less understood. Times have changed since the late 1940s, but ambitions have not, and millions of Americans have drawn on the no-nonsense techniques described in *The Magic of Believing* to reach their dreams and achieve success. Obstacles have become a thing of the past, when they were "blasted" with Bristol's powerful book, T.N.T. - *It Rocks the Earth*. Adhering to his cornerstone philosophy on the power of believing, T.N.T. offers practical suggestions on how to accurately and scientifically proceed to get what you want in life. Now, you can learn how to impress your subconscious mind, and have at your command a power that astounds! This deluxe edition of the classic works, includes a 21st century study guide structured with introspective questions that will allow you to let the wisdom the author imparts, infiltrate both your conscious and unconscious mind. It's time to shift into high gear and forward motion, as you commit to your greatest and highest purpose.
