[The Pause Principle - Amazon Web Services](#) The Pause Principle Step BackBut paradoxically, Kevin Cashman contends that leaders today must not merely act more quickly but pause more deeply. He details a catalytic process to guide you to step back in order to lead forward in three critical growth areas: personal leadership, development of others, and fostering of cultures of innovation.The Pause Principle: Step Back to Lead Forward: Kevin ...THE PAUSE PRINCIPLE: Step Back to Lead Forward posits that pausing to gain fresh perspective and transcend immediacies is the key to leadership excellence in today's complex, dynamic world. An antidote to our addiction to speed and transaction, pause is a conscious, intentional process of stepping back to reflect and deliberate, and then lead forward with greater clarity and impact.The Pause Principle - Kevin CashmanThe Pause Principle is the conscious, intentional process of stepping back, within ourselves and outside of ourselves, to lead forward with greater authenticity, purpose, and contribution. This value-creating methodology allows more examination, higher-order logic, rational analysis, more profound questioning, deeper listening, higher-quality presence, broader perspective, greater openness to diverse thinking and input, and ultimately more impactful, influential, and innovative action.The Pause Principle: Step Back to Lead Forward by Kevin ...The Pause Principle | Step Back to Lead Forward by Kevin Cashman Simply outstanding.
