KHAN LILLIANNA

A Story from Japan

Good Press

Found floating on the river inside a peach by an old couple, Momotarō grows up and fights the terrible demons who have terrorized the village for years.

A Traditional Japanese

Tale Editions Mosquito

For use in schools and

libraries only. Xander

Miyamoto would rather do

almost anything than

listen to his sixth grade

teacher, Mr. Stedman,

drone on about weather

disasters happening

around the globe. If

Xander could do stuff he's

good at instead, like draw

comics and create

computer programs, and

if Lovey would stop

harassing him for being

half Asian, he might not

be counting the minutes

until the dismissal bell.

When spring break begins

at last, Xander plans to

spend it playing computer

games with his best

friend, Peyton. Xander's

father briefly distracts him

with a comic book about

some samurai warrior that

pops out of a peach pit.

Xander tosses it aside, but

Peyton finds it more

interesting. Little does

either boy know that the comic is a warning. They are about to be thrust into the biggest adventure of their lives-a journey wilder than any Xander has ever imagined, full of weird monsters even worse than Lovey. To win at this deadly serious game they will have to rely on their wits, courage, faith, and especially, each other.

Maybe Xander should

have listened to Mr.

Stedman about the

weather after all. . . .

Multicultural Stories,

Grades 2-3

Heinemann/Raintree

Found floating on the river

inside a peach by an old

couple, Momotaro grows

up and fights the terrible

demons who have

terrorized the village for

years.

Momotaro Kotoba Inc

Perhaps the most beloved

of all Japanese folk tales is

the story of Momotaro,

the boy born from a

peach. Momotaro's

expedition to the Land of

the Demons,

accompanied by his

faithful companions, the

Dog, the Monkey, and the

Pheasant, is filled with fun

and excitement for all

young readers. One of five

of the best-loved stories

from Kodansha's

Children's Classics series,

printed in a smaller

format with the original

Japanese beside the English translation - and all with the same delightful illustrations.

Games children sing,

Japan Oxford University

Press, USA

"In this folktale from

Japan, an old couple is

given the gift of a child of

their own - Momotaro.

When Momotaro grows

up, he wants to reward

the old couple for their

kindness. With some

animal friends, he sets off

for the island of the

ogres. Genre:

Folktales Reading Age: 9.8

- 10.2 years

Teacher Created Resources

Xander Miyamoto should be feeling great. It's the beginning of summer vacation, his mother has returned from a long absence, and he has learned that he is a warrior with special powers. Xander never would have guessed that the old Japanese folktale about Momotaro, the hero who sprang from a peach pit, was real, much less part of his own heritage. But instead of reveling in his recent victory against the oni, monsters bent on creating chaos, Xander is feeling resentful. What took his mother so long to come back? Why does his father insist on ruining the summer with study and training? And why is Xander plagued by nightmares every night? Maybe this whole Momotaro thing is overrated. Xander's grandmother gives him a special baku charm to use to chase his nightmares away. He just has to be careful not to rely on it too much. If he does, the baku will not only take his dreams, but those of everyone in the house, forever. Without dreams, there is no hope, no motivation, no imagination, no Momotaro. And then it would be far too easy for Ozuno, king of the oni, to

wreak havoc. . . . On his second quest, Xander explores new surreal landscapes, encounters more strange and dangerous creatures, and faces even higher stakes as he learns whether or not he has what it takes to be Momotaro.

Momotaro William Morrow & Company Momotaro is an unchanged, high-quality reprint of the original edition of 1886. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Read Real Japanese with Free Sound Files **
Recommended for Beginners of Japanese who have mastered hiragana ** Read the most famous Japanese fairy tale in real Japanese!

Every line and every word is explained and defined. BONUS! We are also including the entire Usagi to Kame story (The Tortoise and the Hare) also with every word explained and defined. Sound Files Included at no extra charge are two sound files of both stories. One is read at the normal speed and the other at a slow, easy to follow speed. You will find the link to download the MP3s on the last page. You can also scan the QR code found above the stories to instantly hear the story read in slow or normal speeds. THE STORY Momotaro is a boy born from a peach (momo) who grows up to be a strong, brave man. Oni (ogres) are attacking the village. The villagers beg their hero, Momotaro, to purge their lands of the evil Oni. He sets off with aid from three unusual allies. Usagi to Kame (The Tortoise and the Hare) is about... well, you know. ABOUT THIS BOOK This book contains several versions of both stories. First, we have the story broken down line by line with every vocabulary word defined and explained. Next, we go through major grammatical patterns found in the story. After that, read the story with

no English and in natural Japanese. Lastly, we are including a simple English translation, which should be avoided until you are sure you understand the story or find it too difficult to figure out on your own. You may want to try to read the story either in natural Japanese first. Or if you are a beginner, it may be better to go through the vocabulary first. Any way you do it, this book offers several ways to read, listen, and learn. FOR UPPER BEGINNERS Momotaro is designed for those new to Japanese. We recommend learning hiragana and basic Japanese grammar first.

A World Heritage
Storybook from Fiddlefox
An old couple's world is turned upside down when Momotaro bursts out of a peach. But once the terrible Oni come to town, will Momotaro unite his friends, stand up to bullies, and save Japan? This beloved Japanese folktale is retold for young children, educators, and families, with lush illustrations inspired by Ukiyo-e art.

□□□□ Disney-Hyperion
Making Sense of Japanese Grammar explains in a lively and highly informative manner basic

principles that underlie a wide range of phenomena in Japanese. Students--irrespective of proficiency level and linguistic training--will find clarification on matters of grammar that often seem idiosyncratic and Japanese-specific, such as avoiding the use of certain pronouns, employing the same word order for questions, hidden subjects, polite and direct forms. This volume may be used as a supplementary classroom reading or a helpful reference for students of all levels. Both students and instructors, even those trained in linguistics, will find its accessible explanations of grammatical concepts helpful.

Momotaro Beacon Press
Songs, games, rhymes, and fingerplays, with instructions and background notes for each selection; also includes background on Japanese music and history.
