## MONTGOMERY MATTHEWS

*Non-Semitic Loanwords in the Hebrew Bible* Routledge  
 The Routledge Introductory Course in Biblical Hebrew provides a comprehensive introduction to Biblical Hebrew language and texts. Combining a fresh and innovative approach with an in-depth treatment of the language, it presents the essentials of biblical grammar and vocabulary in an engaging and systematic way. Unlike other Biblical Hebrew courses, it is structured around a series of vibrant and memorable stories, with each story reinforced by grammar explanations, supportive exercises, and a concluding genuine biblical text. This coherent focus encourages students to engage with the text actively and facilitate their mastery of the language to the full. Features include: Forty units covering all the topics expected in a first-year Biblical Hebrew course, including the Hebrew writing system, pointing rules, nouns and adjectives, parsing, mastery of strong and weak verb paradigms and full attention to syntax Clear and detailed grammar explanations supported by plentiful examples An extensive assortment of varied and stimulating exercises designed to reinforce new grammar and develop students' ability to use Biblical Hebrew actively Incorporation of a wide range of genuine biblical texts to familiarise students with the main biblical narrative cycles and to equip them with the ability to read authentic material from the earliest stages of learning A free companion website ([www.routledge.com/cw/kahn](http://www.routledge.com/cw/kahn)) offering a wealth of additional instructor and student resources, including many extra exercises and biblical texts, flashcards to test knowledge, a vocabulary guide listing words by part of speech, a full answer key, translations of all the stories and biblical texts, a sample syllabus, coursework assignments covering the entire contents of the course and audio recordings of the stories and biblical texts Coherent chapter organisation to consolidate and reinforce learning consistently at each step of the course Grammar summary, two-way glossary and subject index presented at the back of the book for easy access A user-friendly text design with original illustrations and clear presentation of the Hebrew script Written by an experienced instructor and extensively trialled at UCL, The Routledge Introductory Course in Biblical Hebrew will be an essential resource for all students beginning to learn Biblical Hebrew.  
 INTRO TO HEBREW Wm. B. Eerdmans Publishing  
 Three experienced biblical language professors inspire readers to learn, retain, and use Hebrew for ministry, setting them on a lifetime journey of reading and loving the Hebrew Bible. This companion volume to the successful *Greek for Life* offers practical

guidance, inspiration, and motivation; incorporates research-tested strategies for learning; presents methods not usually covered in other textbooks; and surveys helpful resources for recovering Hebrew after a long period of disuse. It will benefit anyone who is taking (or has taken) a year of Hebrew. Foreword by Miles van Pelt.

**Introducing Biblical Hebrew** A Student's Vocabulary for Biblical Hebrew and Aramaic  
 Frequency Lists With Definitions, Pronunciation Guide, and Index  
 What's the best way to learn a new language? By approaching it not as a series of facts to memorize but as something alive, with a personality you can get to know and tendencies you can sometimes predict. Designed for long-term retention, *Learning Biblical Hebrew* focuses on helping students understand how the Hebrew language works and providing a solid grounding in Hebrew through extensive reading in the biblical text. Introduces advanced concepts in a form accessible to beginning students. Focuses on historic patterns and changes that minimize memorization. Focuses on how the language works for long-term retention. Encourages mastery of paradigms from a handful of representative forms. Includes extensive translation from the third week of class. Prepares students for translation of unedited biblical texts by the end of first semester. Emphasizes reading comprehension rather than decoding. Promotes a strong oral component to enhance language competence. Written for first-year and second-year Hebrew students, grammar is laid out to present comprehensive concepts to first-year students and then to aid in review and deeper understanding for second-year students. Though written for Hebrew competency, *Learning Biblical Hebrew* is also well-suited for students with different learning styles and objectives.

**Beyond Babel** B&H Publishing Group  
*Hebrew with Joy!* is the perfect introduction for learning Biblical Hebrew. (To view a sample lesson, visit [Hebrewwithjoy.com](http://Hebrewwithjoy.com).) After completing this book, you will be able to read and write Hebrew, God's Holy Language, using the Word of God. Video Lessons are now available to supplement the book at [HebrewWithJoy.com](http://HebrewWithJoy.com). Included in each lesson are key scriptural words and their roots, learning games, lesson exercises and Israeli cultural treasures. "I absolutely loved the format of the lessons. The content was broken down in "bite-sized" segments and easily digestible! I started with virtually no Hebrew vocabulary but after this book, not only do I know the Alef-Bet, I can read virtually anything written in Hebrew! Thank You!" M.H.  
*Beginning Biblical Hebrew* Zondervan Publishing Company  
*Getting to Grips with Biblical Hebrew* provides a simple introduction to biblical Hebrew for beginners. Consisting of thirty lessons, the book focuses on the basic grammar and vocabulary

necessary for reading and understanding the biblical text. Exercises are taken directly from the Hebrew Bible, and students gain hands-on experience with the joys and challenges of translation. This textbook is specifically designed to be accessible for students who have never learned a foreign language or whose knowledge of English might be limited. For this reason, proficiency with English grammar is not assumed, and key concepts are explained as they occur. Tables of prefixes and suffixes are also provided to assist students in using a Hebrew dictionary. By providing insight into the process of translating from ancient to modern languages, this resource will enrich a student's ability to interpret the Hebrew Bible in the here and now. Systematic and easy to use, this introduction to biblical Hebrew is perfect for anyone desiring to better understand the Old Testament texts.

*Learn Biblical Hebrew* Hebrew with Joy  
 "Biblical Hebrew Vocabulary in Context by Miles V. Van Pelt and Gary D. Pratico is a biblical Hebrew language resource designed to reinforce a student's basic vocabulary by reading words that occur fifty times or more in the context of the Hebrew Bible. All 642 of these Hebrew words have been collated into 195 key biblical verses and/or verse fragments to help students practice and retain their Hebrew vocabulary. In lieu of rote memorization, *Biblical Hebrew Vocabulary in Context* reinforces essential vocabulary by reading words in the context of the Hebrew Bible. The book includes two primary sections. The first section provides room for students to write their own glosses of the biblical verse and to parse as they feel necessary. An English translation is also provided and any term that appears less than fifty times is glossed. Proper names are identified with gray text. The second section of the book provides the same biblical verses from the first section but with minimal room to write glosses and parse and without an English translation for aid. The end of the book includes a Hebrew-English lexicon of all the words occurring fifty times or more in the Hebrew Bible"--  
*Strategies for Learning, Retaining, and Reviving Biblical Hebrew* Cambridge University Press  
 This is a Hebrew grammar with a difference, being the first truly discourse-based grammar. Its goal is for students to understand Biblical Hebrew as a language, seeing its forms and conjugations as a coherent linguistic system, appreciating why and how the text means what it says--rather than learning Hebrew as a set of random rules and apparently arbitrary meanings. Thirty-one lessons equip learners for reading the biblical text in Hebrew. They include sections on biblical narrative, poetry, and the Masora--as well as of the text of the Hebrew Bible, lexica, and concordances. The examples and exercises are all taken directly from the biblical text, so that students can check their work

against any relatively literal version of the Bible. The vocabulary lists include all of the words that occur fifty times or more in the Hebrew Bible. Special also to this Grammar are the 'enrichments': brief sections at the end of each chapter encouraging students to apply their grammatical knowledge to specific questions, issues, or passages in the biblical text. Appendices include a Vocabulary of all Hebrew words and proper names that occur fifty times or more, and a Glossary and index of technical terms-as well as complete nominal, pronominal, and verbal paradigms, and an annotated bibliography. The learner-friendly design of this Grammar has been endorsed by faculty and by students who have used pre-publication versions to teach themselves Biblical Hebrew, both individually, in classes, and in informal groups.

**A Handbook for Biblical Hebrew and Related Languages**  
SBL Press

A Student's Vocabulary for Biblical Hebrew and Aramaic, Updated Edition has been a standard resource for students of Hebrew and Aramaic for over 30 years, this new edition has updated formatting and transliterations. The book provides a complete vocabulary list of Hebrew and Aramaic words based on frequency."

[The Vocabulary Guide to Biblical Hebrew](#) Baker Academic  
Ancient Palestine served as a land bridge between the continents of Asia, Africa, and Europe, and as a result, the ancient Israelites frequently interacted with speakers of non-Semitic languages, including Egyptian, Greek, Hittite and Luwian, Hurrian, Old Indic, and Old Iranian. This linguistic contact led the ancient Israelites to adopt non-Semitic words, many of which appear in the Hebrew Bible. Benjamin J. Noonan explores this process in *Non-Semitic Loanwords in the Hebrew Bible*, which presents a comprehensive, up-to-date, and linguistically informed analysis of the Hebrew Bible's non-Semitic terminology. In this volume, Noonan identifies all the Hebrew Bible's foreign loanwords and presents them in the form of an annotated lexicon. An appendix to the book analyzes words commonly proposed to be non-Semitic that are, in fact, Semitic, along with the reason for considering them as such. Noonan's study enriches our understanding of the lexical semantics of the Hebrew Bible's non-Semitic terminology, which leads to better translation and exegesis of the biblical text. It also enhances our linguistic understanding of the ancient world, in that the linguistic features it discusses provide significant insight into the phonology, orthography, and morphology of the languages of the ancient Near East. Finally, by tying together linguistic evidence with textual and archaeological data, this work extends our picture of ancient Israel's interactions with non-Semitic peoples. A valuable resource for biblical scholars, historians, archaeologists, and others interested in linguistic and cultural contact between the ancient Israelites and non-Semitic peoples, this book provides significant insight into foreign contact in ancient Israel.

**A Student's Vocabulary for Biblical Hebrew and Aramaic**  
Langham Global Library

Students can flourish in their study of biblical Hebrew if they are

trained from the outset to read and explain biblical texts effectively. In this introductory textbook, Professor William Fullilove teaches language basics alongside exegetical skills typically reserved for more advanced courses. His unique methodology allows students to gain rapid insight into the value of their Hebrew study. Includes grammar, reading, and exegetical exercises.

**The Routledge Introductory Course in Biblical Hebrew**  
Society of Biblical Literature

A Student's Vocabulary for Biblical Hebrew and Aramaic provides the student with a vocabulary list by word frequency for words appearing ten times or more in the Hebrew text. Unlike other vocabulary lists, this work combines all word forms in a single list, simplifying the student's task of learning all words of a given frequency. Words are given in groups of thirty or fewer in order to provide the students with short, manageable learning blocks. The vocabulary list also gives the basic meaning of each word, a phonetic pronunciation guide, key information about the word's part of speech, and the number of times each word appears in the Hebrew text. A separate section of the vocabulary list contains all Aramaic words appearing in the Old Testament. A Student's Vocabulary for Biblical Hebrew and Aramaic is a tool that will be welcomed and used by all students of Hebrew.

Prentice Hall

Beyond Babel provides a general introduction to and overview of the languages that are significant for the study of the Hebrew Bible and ancient Israel. Included are essays on biblical and inscriptional Hebrew, Akkadian, Northwest Semitic dialects (Ammonite, Edomite, and Moabite), Arabic, Aramaic, Egyptian, Hittite, Phoenician, postbiblical Hebrew, and Ugaritic. Each chapter in the volume shares a common format, including an overview of the language, a discussion of its significance for the Hebrew Bible, and a list of ancient sources and modern resources for further study of the language. A general introduction by John Huehnergard discusses the importance of the study of Near Eastern languages for biblical scholarship, helping to make the volume an ideal resource for persons beginning an in-depth study of the Hebrew Bible.

**Second Edition** Zondervan Publishing Company

Written to facilitate study in Kelley's widely-used Biblical Hebrew: An Introductory Grammar, this handbook provides a complete answer key to the exercises in the grammar as well as practical helps, footnotes, word lists, test suggestions, and other supplementary material--all written to free up valuable class time and to aid individuals studying Hebrew on their own.

This graded reader introduces the second-year Hebrew student to various types of biblical Hebrew literature and contains various notations to assist him or her in the further advancement of Hebrew translation and exegesis.

**An Introductory Grammar** Zondervan Academic

A classic resource for beginning Hebrew students First published

over thirty years ago under the title *A Student's Vocabulary of Biblical Hebrew*, this classic work has been completely revised, updated, and expanded by the author to assist a new generation of students in naturally developing a basic Biblical Hebrew vocabulary. Designed to help beginning Hebrew readers acquire vocabulary quickly, this valuable teaching tool focuses on words that occur most frequently in the Hebrew Bible, while arranging them by roots and cognates allowing students to naturally expand their working vocabulary. Vocabulary lists have been kept to a manageable size; extensive cross-references document when words appear frequently with different meanings, and an index allows rapid location of every word encountered. As a result, students who master this volume will remember words more easily, consult a lexicon less frequently but more intelligently, and translate the Hebrew Bible at sight more readily and enjoyably. Features Vocabulary groupings based on frequency, roots, and cognates Separate listing for nouns without verbal roots in the Hebrew Bible Appendices including proper names and the forms and meanings of pronominal suffixes

**Building Competency with Words Occurring 50 Times Or More** Zondervan Academic

Achieving the right balance of amount of information, style of presentation, and depth of instruction in first-year grammars is no easy task. But Mark Futato has produced a grammar that, after years of testing in a number of institutions, will please many, with its concise, clear, and well-thought-out presentation of Biblical Hebrew. Because the teaching of biblical languages is in decline in many seminaries and universities, Futato takes pains to measure the amount of information presented in each chapter in a way that makes the quantity digestible, without sacrificing information that is important to retain. The book includes exercises that are drawn largely from the Hebrew Bible itself. Fourth printing, 2012.

[A Modern Grammar for Biblical Hebrew](#) Zondervan Academic

*Biblical Hebrew Vocabulary by Conceptual Categories* by J. David Pleins is an innovative study reference for both introductory and advanced students of Hebrew, to help them remember vocabulary based on logical categories of related words. It includes over 175 word grouping categories including pottery, ships, birds, jewelry, seasons, and many more.

**Biblical Hebrew: Vocabulary Made Easy!** Baker Academic
