MCDOWELL LYNN

A Brief Introduction to Hinduism iUniverse
 A selection of Gandhi's articles drawn mainly from his contributions to young India, the Harijan and the Navjivan on Hinduism. Written on different occasions, these articles present a picture of Hindu dharma in all its richness, comprehensiveness and sensitivity to the existential dilemmas of human existence.
Hinduism and Law World Wisdom, Inc
 The Historical Dictionary of Hinduism relates the history of Hinduism through a chronology, an introductory essay, photos, an extensive bibliography, and over 1,000 cross-referenced dictionary entries on Hindu terminology, names of major historical figures and movements, gods and goddesses, prominent temples, terms

for items used in Hindu practice, major texts, philosophical concepts, and more. This book is an excellent access point for students, researchers, and anyone wanting to know more about Hinduism.
An Introduction to Swaminarayan Hindu Theology Oxford Paperbacks
 An Introduction to Swaminarayan Hindu Theology provides a comprehensive doctrinal account of the Swaminarayan tradition's belief system, drawing on its rich corpus of theological literature, including the teachings of Swaminarayan himself and classical commentaries on canonical Vedāntic texts.
Religions of India Routledge
 Featuring coverage of all the major religions, this is a fascinating introduction to the manner in which each world faith views the others.
A Short Introduction to World Religions Fortress Press

Conventional approaches to Hinduism typically stress its classical religious tradition with an emphasis on the Brahmin texts and practices. Frequently neglected are the practices of lower caste Indians, the role of women in the culture, the religious life of village folk, devotion to the deity Rama, and the Sant tradition of North India. *The Many Colors of Hinduism* is the first introductory text to provide a balanced view of this rich religious tradition, acknowledging the full range of its many competing and even contradictory aspects. Utilizing a thematic-historical approach, Carl Olson draws on a wide array of textual evidence, the fieldwork of anthropologists in close contact with insiders, and voices of thinkers ranging from Indologist Alf Hiltebeitel to Cambridge scholar Julius Lipner. The result is a narrative approach that offers a view of Hinduism that

emulates the storytelling nature of the religion itself. Covering ancient times to the present and explaining important cultural metaphors, symbols, and narratives not generally found in other introductory textbooks, Olson offers students a new perspective of a religion that is more varied than most Westerners realize. *The Many Colors of Hinduism* will be essential reading for undergraduate courses in world or Asian religions.

Introduction to Swaminarayan Hinduism Routledge

Hinduism has been a major religious faith for well over 3000 years, and Hindus today account for over 600 million people. Lipner's book is a highly readable study of its evolution, its multidimensional nature, and influence.

Hinduism in America Bloomsbury Publishing

An Introduction to Swaminarayan Hinduism, third edition, offers a comprehensive study of a contemporary form of Hinduism. Begun as a revival and reform movement in India 200 years ago, it has now become one of the fastest growing and most prominent forms of Hinduism. The Swaminarayan Hindu transnational network of temples and institutions is expanding in India, East Africa, the UK, USA, Australasia, and in other African and Asian cities. The devotion, rituals, and discipline taught by its founder, Sahajanand Swami (1781-1830) and elaborated by current leaders in major festivals, diverse media, and over the Internet, help preserve ethnic and religious identity in many modern cultural and political contexts. Swaminarayan Hinduism, here described through its history, divisions, leaders, theology and practices, provides valuable case studies of contemporary Hinduism, religion, migrants, and transnationalism. This new edition includes up-to-date information about growth, geographic expansion, leadership transitions, and impact of Swaminarayan institutions in India and abroad.

Historical Dictionary of Hinduism Baker Academic

This brief introduction to Hinduism is designed to help readers understand this important religious tradition. With both nuance and balance, this text provides broad coverage of various forms of Hinduism with an arresting layout with rich colors. It offers both historical overviews and modern perspectives on Hindu beliefs and practices. The user-friendly content is enhanced by charts of religious festivals, historic timelines, updated maps, and a useful glossary. It is ideal for courses on Hinduism and South Asian religions and

will be a useful, concise reference for all readers eager to know more about this important religious tradition and its place in our contemporary world.

Introducing Hinduism Introducing Hinduism

This masterful survey of world religions presents a clear and concise portrait of the history, beliefs, and practices of Eastern and Western religions. The new edition contains added material and has been revised throughout. The authors, both respected scholars of world religions, have over fifty years of combined teaching experience. Their book is accessibly written for introductory classes, can be easily adapted for one- or two-semester courses, and presents a neutral approach for broad classroom use. Pedagogical aids include further reading suggestions, photographs, sidebars, and pronunciation guides. An 800-question bank of multiple-choice test questions is available to professors through Baker Academic's Textbook eSources.

The Essence of the Hindu Religion Rupa Publications

This book provides a much-needed thematic and historical introduction to Hinduism, the religion of the majority of people in India. Dr Flood traces the development of Hindu traditions from their ancient origins, through the major deities of Visnu, Siva and the Goddess, to the modern world. Hinduism is discussed as both a global religion and a form of nationalism. Emphasis is given to the tantric traditions, which have been so influential; to Hindu ritual, which is more fundamental to the life of the religion than are specific beliefs or doctrines; and to Dravidian influences from south India. An Introduction to Hinduism examines the ideas of dharma, particularly in relation to the ideology of kingship, caste and world renunciation. Dr Flood also introduces some debates within contemporary scholarship about the nature of Hinduism. It is suitable both for the student and for the general reader.

Pluralism in the World Religions Princeton University Press

Hinduism in America: An Introduction is a concise introduction to the long history of religion in the encounter between America and India. It is not a book that will tell you what Hinduism is; rather, it is an introduction to the variety of ways in which Hinduism has been represented, constructed, and practiced in the United States. Americans have been interested in the religions of India since the colonial period, and by the late nineteenth century the first Hindu teachers arrived in the United States. Throughout the twentieth

century, interest in Hinduism and yoga grew, even as anti-Asian and anti-immigrant politics and policies in America intensified. When the Cold War led to changes in U.S. immigration policy in 1965, new immigrant communities arrived in the United States and built new Hindu institutions. Hinduism in America is an accessible introduction to these developments of Hinduism in the United States. Each chapter uses a key theoretical term in the study of religion to explore a variety of historical topics including: American missionary encounters with India; representations of Hindu religions in American literature; world religions and Hinduism; Vedanta; yoga; Hinduism in the American counterculture of the 1960s; and immigrant Hindu communities in the United States. Hinduism in America provides an overview of the multifaceted history of Hinduism in America. Ideal for students and scholars approaching the topic for the first time, the book includes sections in each chapter that provide useful theoretical terms for understanding that history.

An Introduction to Indian Religions John Wiley & Sons

World Religions in Practice introduces five of the world's great religions – Hinduism, Buddhism, Judaism, Christianity, and Islam – and explores how they are lived and expressed in custom, ritual, and symbol. A major new textbook exploring the world's great religions through their customs, rituals and everyday practices – by focusing on this 'lived experience' it goes beyond many traditional introductions to religious studies. Adopts a directly comparative approach to develop a greater understanding of the nature of religion. Each chapter engages with an individual theme, such as birth, death, food, pilgrimage and ethics, to illustrate how religious practices are expressed. Broadens students' understanding by offering an impartial discussion of the similarities and differences between each religion. Includes chapter-by-chapter opening themes and summaries, and will be accompanied by a website at www.blackwellpublishing.com/gwynne featuring additional resources and study questions.

Introduction to World Religions Psychology Press

Hinduism is practised by about 80% of India's population, and by about 30,000,000 people outside India. But how is Hinduism defined, and what basis does the religion have? This work gives concise insights into the central preoccupations of Hinduism.

Introduction to Hindu Dharma

Routledge

Understanding Hinduism today requires an understanding of how it is practised in the contemporary world. Stephen Jacob's new introduction tackles these central issues, beginning with case studies of the grassroots practice of Hinduism in India and in diaspora communities. He covers issues of singular importance in the modern study of Hinduism, including the importance and role of mass media to this essentially orally transmitted religion. Other major areas covered include the concept of Hindu dharma, particularly in relation to caste, gender and Hindu nationalism, key and often controversial concepts in Hinduism.

Kandiah Sivaloganathan's *A Brief Introduction to Hinduism*, is a handy tool for all those who yearn to understand the philosophy behind one of the world's oldest religions - Hinduism. Also known as Sanatana Dharma (or the eternal law), Hinduism took birth in the Indian subcontinent thousands of years ago and is still followed by more than a billion followers worldwide. However, in today's busy world, it's nearly impossible to gain an in-depth understanding of one's faith and pass it on to the next generation.

That's exactly the issue Sivaloganathan tries to address in his book, with regards to Hinduism. It's a go-to book for all your queries regarding the Hindu faith. The author tries to bring together the various aspects of Hinduism - from its myriad deities, saints, sages, rituals, prayers, scriptures, to modern science and its association with the principles of this ancient religion. This Book attempts to provide answers to: What is Hinduism? Why do Hindus pray to different deities? What is the power of prayer and mantras? What does Hinduism mean by karma, creation and reincarnation? How is Hinduism connected to nature and science? In today's world, when everyone is too busy to read and understand their religion, this book provides a basis, a simple reference, to understand Hinduism. It is written in simple, readable language.

Introducing Religion John Wiley & Sons

The Hindu Way: An Introduction to Hinduism, the new book by bestselling author Shashi Tharoor, whose last three books have sold over a quarter of a million copies in hardback, is the perfect introduction to one of the world's oldest, largest and most complex religions. Although there are hundreds of books on Hinduism, there are only a few which provide a lucid, accessible, yet deeply layered account of the religion's numerous belief systems, schools of thought, sects, tenets, scriptures, deities, rituals, customs, festivals and philosophies. This book is one of them.
