How Beautiful the Ordinary Cengage Learning

A girl thought to be a boy steals her sister's skirt, while a boy thought to be a girl refuses to wear a cornflower blue dress. One boy's love of a soldier leads to the death of a stranger. The present takes a bittersweet journey into the past when a man revisits the summer school where he had "an accidental romance." And a forgotten mother writes a poignant letter to the teenage daughter she hasn't seen for fourteen years. Poised between the past and the future are the stories of now. In nontraditional narratives, short stories, and brief graphics, tales of anticipation and regret, eagerness and confusion present distinctively modern views of love, sexuality, and gender identification. Together, they reflect the vibrant possibilities available for young people learning to love others—and themselves—in today's multifaceted and quickly changing world.

The Life and Death of Adolf Hitler Houghton Mifflin Harcourt

He kidnapped me. He was charming, powerful, intoxicating. Accepting his advances might be the last mistake I'd ever make. He was a dangerous man, and the fact that he made me feel alive couldn't hide that I danced with death. I made my choice, and he made his. Now I'm trapped in his basement, completely at his mercy. Day after day he toys with me for his own amusement. Pleasure and pain, pain and pleasure. The two are so linked now that I can barely tell them apart and I'm beginning to crave both. Worse, I'm beginning to crave him. Author's note: This is the fourth book in the Vittorio Crime Family series, but it is a full-length, standalone romance and can be enjoyed without reading the other books!

What is a human being or person? What is life's purpose? What is the ideal society? The text is comprehensive and accessible, featuring a wide range of content that is crisply presented and clearly explained. A multitude of interesting examples and cases provides ample opportunity for
