In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani,

champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, *Those Pricey Thakur Girls* is rom-com specialist Anuja Chauhan writing at her sparkling best.

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career.

Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

**Indian Cinema and Soviet Movie-going After Stalin** HarperCollins

A must-read for anyone interested in Muslim cultures, this volume not only explores Muslim identities through the lens of sexuality and gender - their historical and contemporary transformations and local and global articulations - but also interrogates our understanding of what constitutes a 'Muslim' identity in selected Muslim-majority countries at this pivotal historical moment, characterized by transformative destabilizations in which national, ethnic, and religious boundaries are being re-imagined and re-made. Contributors take on the most fundamental questions at the intersections of gender, sexuality, and the body. Several overarching questions frame the volume: How does studying gender and sexuality expand and enrich our understanding of Muslim-majority countries, historically and at present? How does the embodiment of 'Muslim' identity get reconfigured in the context of twenty-first-century globalism? What analytical questions are raised about 'Islam' when its diverse meanings and multifaceted expressions are closely examined? What roles do gender and sexuality play in the construction of cultural, religious, nationalistic, communal, and militaristic identities? How have power struggles been signified in and on the bodies of women and sexuality? How have global dynamics, such as the intensification and spread of neoliberal ideologies and policies, affected changing dynamics of gender and sexuality in specific locales? Here global dynamics touch down in diverse contexts, from masculinity crises around war disabilities, transnational marriages, and fathering in Turkey, Egypt, and Pakistan; to Muslim femininity narratives around female genital cutting, sexuality in divorce proceedings, and spouse selection; to gender crossing practices as well as protesting bodies, queering voices, and claims of authenticity in literary and political discourse. This book brings exciting research on these and other topics together in one place, allowing the essa

Hindi cinema was trapped in formulaic cliches for decades: lost-and-found themes, sacrificing mothers, brothers on opposite sides of the law, villains lording over their dens, colourful molls, six

songs, the use of rape as a plot pivot, and cops who always arrived too late. It hit an all-time low in the 1980s. Then, in 1991, came liberalization, and a wave of openness and aspiration swept across urban India. Dilwale Dulhania Le Jayenge was released in 1995 - and Hindi cinema became Bollywood. A new crop of film-makers began to challenge and break away from established rules. Over the next twenty years, a number of Hindi films consistently pushed the envelope in terms of content and technique to create a new kind of cinema. Among other innovations, film-makers came up with ways of crowd funding a film (Ankhon Dekhi), did away with songs if the narrative did not need them (Gangaajal), addressed different sexual preferences (My Brother ... Nikhil) and people with special needs (Black) like no one had ever done before. As film critic with the Indian Express, Shubhra Gupta has stayed the course these twenty years and more and experienced the transition first-hand. In 50 Films That Changed Bollywood, 1995-2015, she looks at the modern classics that have redefined Hindi cinema - from DDLJ and Rangeela to Satya and Dev D to Queen and Bajrangi Bhaijaan. Gupta offers a fascinating glimpse into how these films spoke to their viewers and how the viewers reacted to them - and, ultimately, how they changed us and how we changed them.

This Student Edition of Brecht's classic satire on the rise of Hitler features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Described by Brecht as 'a gangster play that would recall certain events familiar to us all', Arturo Ui is a witty and savage satire of the rise of Hitler -- recast by Brecht into a small-time Chicago gangster's takeover of the city's greengrocery trade. Using a wide range of parody and pastiche - from Al Capone to Shakespeare's Richard III and Goethe's Faust - Brecht's compelling parable continues to have relevance wherever totalitarianism appears today. Written during the Second World War in 1941, the play was one of the Berliner Ensemble's most outstanding box-office successes in 1959, and has continued to attract a succession of major actors, including Leonard Rossiter, Christopher Plummer, Antony Sher and Al Pacino.

In this important new book, Sudha Rajagopalan explores the consumption of Indian popular cinema in post-Stalinist Soviet society. In doing so, she highlights the enthusiastic response Indian popular films and their stars received from the Soviet audience, as well as the discursive and institutional context in which this consumption occurred from the mid-fifties till the end of the Soviet era in 1991. The death of Stalin in 1953 was followed by the introduction of important changes in government policy in the Soviet Union, including a relative liberalisation of leisure and culture which revealed the state's resurgent interest in addressing popular tastes. The renewed import and screening of foreign entertainment films in the Soviet Union was one of the most visible outcomes of this change. Drawing on oral history methodology and archival research in Russia, the author analyses the ways in which Soviet movie-goers, policy makers, critics and sociologists responded to, interpreted and debated Indian cinema in the Soviet Union between 1954 and the end of the eighties. Complemented by contemporary press and archival photos which capture the rapturous reception given to actors like Raj Kapoor, Nargis, Shashi Kapoor, Amitabh Bachchan and

Mithun Chakraborty as well as Soviet film posters announcing films like Awara, Betaab and Chandni, this engaging book, which is also the first monograph on Indian cinema abroad among non-diasporic audiences, is a must-read not only for students and scholars of film history and cultural studies, but every such lay reader who has grown up on a regular diet of popular Indian cinema.

Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon.
