The Secret Life of Pets 2 Junior Novelization (The Secret Life of Pets 2) Createspace Independent Publishing Platform

From Tammy Tomlinson and illustrator Kiersten Eagan, a very good dog who is used to winning learns a tough lesson. Based on the true story of the Golden Retriever who stole the show and won over hearts at the 2020 Westminster Dog Show. Daniel is a very good boy. He is happy to be back at the dog show. Why wouldn't he?! He gets bathed and brushed and all the pets and pats from the humans who come to meet him (that's his favorite part). Getting the big red, white, and blue ribbon is important and his sights are set on it. But when Daniel experiences the unexpected, he has to find perspective on what winning truly means to him. Based on a true story, Daniel's experience at the dog show brought support and praise from his numerous fans, who are always rooting for the underdog.

An honest and deeply moving debut memoir about a young woman's battle with depression and how her dog saved her life A New York Times Bestseller "Dog Medicine simply has to be your next must-read." —Cheryl Strayed At twenty-two, Julie Barton collapsed on her kitchen floor in Manhattan. She was one year out of college and severely depressed. Summoned by Julie's incoherent phone call, her mother raced from Ohio to New York and took her home. Haunted by troubling childhood memories, Julie continued to sink into suicidal depression. Psychiatrists, therapists, and family tried to intervene, but nothing reached her until the day she decided to do one hopeful thing: adopt a Golden Retriever puppy she named Bunker. *Dog Medicine* captures the anguish of depression, the slow path to recovery, the beauty of forgiveness, and the astonishing ways animals can help heal even the most broken hearts and minds.
