**COMP - 112 INTRODUCTION TO COMPUTER PROGRAMMING - Yameen's ...** Comp 112 Introduction To ProgrammingThe course will provide an introduction to a modern, high-level programming language including a discussion of input/output, basic control structures, types, functions, and classes. The lectures will also discuss a variety of algorithms as well as program design issues. The second meeting time for each section is a computer lab. Credit: 1Introduction to Programming COMP 112comp - 112 introduction to computer programming course contents;1. INTRODUCTION TO COMPUTERS1.1.
