HERMAN BREWER

King Leopold's Ghost Simon and Schuster

In *Mercy's Heroes*, a Vietnam veteran battling with PTSD turns from the business world to life as a volunteer, helping to rescue and protect street kids in Bangkok's biggest slum. Here Tom Crowley details the children's efforts to survive abuse and the struggle for dignity waged by the poorest of families. Interwoven throughout, the author's combat experiences and pain highlight the question of how to find personal reconciliation amid the struggles of abused children in the slums. In his efforts to help others, he gains a spiritual understanding worth much more than his financial loss. At the same time, he learns, "You must consign the failures to the burden the angels can carry and let go of the guilt." This story will resonate with all those who want to gain a deeper insight into social work at the street level. The successes are to be celebrated—the losses mourned. *Mercy's Heroes* portrays the healing that is to be found in helping others.

What Makes a Hero? Disney Electronic Content

Navy SEAL sniper and New York Times bestselling author Brandon Webb's personal account of eight of his friends and fellow SEALs who made the ultimate sacrifice. "Knowing these great men—who they were, how they lived, and what they stood for—has changed my life. We can't let them be forgotten. We've mourned their deaths. Let's celebrate their lives."—Brandon Webb As a Navy SEAL, Brandon Webb rose to the top of the world's most elite sniper corps, experiencing years of punishing training and combat missions from the Persian Gulf to Afghanistan. Along the way, Webb served beside, trained, and supported men he came to know not just as fellow warriors, but as friends and, eventually, as heroes. This is his personal account of eight extraordinary SEALs who gave all for their comrades and their country with remarkable valor and abiding humanity: Matt "Axe" Axelson, who perished on Afghanistan's Lone Survivor mission; Chris Campbell, Heath Robinson, and JT Tumilson, who were among the casualties of Extortion 17; Glen Doherty, Webb's best friend, killed while helping secure the successful rescue and extraction of American CIA and State Department diplomats in Benghazi; and other close friends, classmates, and fellow warriors. These are men who left behind powerfully instructive examples of what it means to be alive—and what it truly means to be a hero. INCLUDES PHOTOGRAPHS

Churchill's Secret Messenger Cambridge Scholars Publishing

Flight of the Forgotten is the true story of one of the most closely-guarded American military secrets of all time. It is intriguing, controversial and thought-provoking. It traverses 50 years, two generations, and the realities of our physical world. *Flight of the Forgotten* represents a 50 year-old aviation mystery, officially "forgotten" by the United States Government.

A Bolt from the Blue Picador

In the tradition of #1 New York Times bestsellers like *Unbroken*, *Boys on the Boat*, and *Band of Brothers*, *No Surrender* is an unforgettable story of a father's extraordinary acts of valor in World War II and a son's thrilling journey to discover them—an epic narrative of bravery, compassion, and faith. Like most members of the Greatest Generation, Roddie Edmonds, a humble American soldier from East Tennessee, rarely spoke about his experiences during World War II. Not even his son Chris knew the full details of Roddie's capture at the Battle of the Bulge or his captivity at Stalag IXA, a Nazi POW camp. But when Chris's daughter was assigned a family history project, Chris reread Roddie's wartime diaries, which set in motion a series of life-changing events. Called to learn his father's story with a renewed sense of passion and purpose, Chris embarked on a years-long journey, interviewing surviving POWs under Roddie's command, and retracing his father's footsteps, from Fort Jackson, South Carolina, where a boyish Roddie transformed into a seasoned leader of men, to the patch of grass near Ziegenhain, Germany, where he stared evil in the eye and dared a Nazi to shoot. Along with New York Times bestselling author Douglas Century, Chris Edmonds takes

us to the front lines of this inspiring multigenerational story, revealing in gripping, novelistic detail Roddie's previously untold heroism—and the lasting effects his bravery had on the lives of thousands, then and now. "What's most remarkable about my journey to discover what my father did in the Second World War," Chris writes, was "the realization that any one of us has the untapped potential to do something incredibly courageous. . . . We all have the potential to change the world simply by standing up for what's right." A shining example of the transformative and redemptive power of moral courage, *No Surrender* is a celebration of faith, family, and service—the very characteristics that define us today. —James Bradley, New York Times bestselling author of *Flags of Our Fathers*

An Experiment in Misery Simon and Schuster

Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War is New York Times bestselling author Steve Sheinkin's award-winning nonfiction account of an ordinary man who wielded the most dangerous weapon: the truth. "Easily the best study of the Vietnam War available for teen readers."—Kirkus Reviews (starred review) A YALSA Excellence in Nonfiction Award winner A National Book Award finalist A Bulletin of the Center for Children's Books Blue Ribbon book A Los Angeles Times Book Prize for Young Adult Literature finalist Selected for the Notable Social Studies Trade Books for Young People List In 1964, Daniel Ellsberg was a U.S. government analyst, helping to plan a war in Vietnam. It was the height of the Cold War, and the government would do anything to stop the spread of communism—with or without the consent of the American people. As the fighting in Vietnam escalated, Ellsberg turned against the war. He had access a top-secret government report known as the Pentagon Papers, and he knew it could blow the lid off of years of government lies. But did he have the right to expose decades of presidential secrets? And what would happen to him if he did it? A lively book that interrogates the meanings of patriotism, freedom, and integrity, the National Book Award finalist *Most Dangerous* further establishes Steve Sheinkin—author of Newbery Honor book *Bomb* as a leader in children's nonfiction. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. "Gripping."—New York Times Book Review "A master of fast-paced histories...[this] is Sheinkin's most compelling one yet."—Washington Post Also by Steve Sheinkin: *Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon* *The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery Undeclared*: Jim Thorpe and the Carlisle Indian School Football Team *The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights* *Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion* *King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution* *Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War* *Born to Fly: The First Women's Air Race Across America*

Inflamed Hachette Books

Maggie Estep's critically praised heroine, Ruby Murphy, is back! Back in Coney Island with a bunch of endearing misfits, back at the racetrack ogling thoroughbreds, and back learning that, on the seamy side of the sport of kings, survival can be a long shot. Ruby's life is nothing if not complicated: she's spending a lot of her time worrying about a jockey named Attila Johnson; a good-hearted Teamster with a bad back; a neighbor who is suspicious of anything that moves; one very fat cat who craves raw meat; a missing FBI agent; an underused piano; a few fine horses—and the sure knowledge that somehow, somewhere, there is a killer among them.

The Complete Short Stories & Sketches of Stephen Crane Chicken House

Symington Smythe, a would-be thespian, and William Shakespeare meet in a tavern on the road to London and become traveling companions. Once in London, they debut as amateur detectives on a case of matrimony, mayhem, and possible murder.

In the Shadow of Heroes W. W. Norton & Company

The newest novel from the critically-acclaimed author of *WITCHBORN* ... Fourteen-year-old Cadmus

has been scholar Tullus's slave since he was a baby - his master is the only family he knows. But when Tullus disappears and a taciturn slave called Tog - daughter of a British chieftain - arrives with a secret message, Cadmus's life is turned upside down. The pair follow a trail that leads to Emperor Nero himself, and his crazed determination to possess the Golden Fleece of Greek mythology. This quest will push Cadmus to the edge of the Roman Empire - and reveal unexpected truths about his past ...

Before the Snow Flies Penguin

From the author of "A Wall of White," the thrilling account of a spectacular mountain rescue after six climbers are struck by lightning in the Upper Exum Ridge of the Grand Teton near a 13,000-foot elevation.

Gargantuan Emerald Group Publishing

New York Times bestselling author, Newbery Honor recipient, and National Book Award finalist Steve Sheinkin presents both the heroism and the treachery of one of the Revolutionary War's most infamous players in his biography of Benedict Arnold. Winner of the Boston Globe-Horn Book Award for Nonfiction Winner of the YALSA-ALA Award for Excellence in Young Adult Nonfiction Most people know that Benedict Arnold was America's first, most notorious traitor. Few know that he was also one of its greatest Revolutionary War heroes. Steve Sheinkin's accessible biography, *The Notorious Benedict Arnold*, introduces young readers to the real Arnold: reckless, heroic, and driven. Packed with first-person accounts, astonishing American Revolution battle scenes, and surprising twists, this is a gripping and true adventure tale from history. "Sheinkin sees Arnold as America's 'original action hero' and succeeds in writing a brilliant, fast-paced biography that reads like an adventure novel...The author's obvious mastery of his material, lively prose and abundant use of eyewitness accounts make this one of the most exciting biographies young readers will find." —Kirkus Reviews (starred review) "Several complex political, social, and military themes emerge, one of the most prominent being that within the Continental army, often simplistically depicted as single-minded patriots, beat hearts scheming with political machinations that are completely familiar today...Arnold's inexorable clash with Gates and his decision to turn traitor both chill and compel."

—Horn Book Magazine (starred review) Also by Steve Sheinkin: *Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon* *The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights* *Undeclared: Jim Thorpe and the Carlisle Indian School Football Team* *Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War* *Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion* *King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution* *Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War* *Born to Fly: The First Women's Air Race Across America*

A Mystery of Errors HarperOne

Autobiography of an Indian litterateur and critic.

Mercy's Heroes: The Fight for Human Dignity in the Bangkok Slums Penguin

NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • From America's "forgotten war" in Korea comes an unforgettable tale of courage by the author of *A Higher Call*. "In the spirit of *Unbroken* and *The Boys in the Boat* comes *Devotion*."—Associated Press • "Aerial drama at its best—fast, powerful, and moving."—Erik Larson *Devotion* tells the inspirational story of the U.S. Navy's most famous aviation duo, Lieutenant Tom Hudner and Ensign Jesse Brown, and the Marines they fought to defend. A white New Englander from the country-club scene, Tom passed up Harvard to fly fighters for his country. An African American sharecropper's son from Mississippi, Jesse became the navy's first Black carrier pilot, defending a nation that wouldn't even serve him in a bar. While much of America remained divided by segregation, Jesse and Tom joined forces as wingmen in Fighter Squadron 32. Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world's most dangerous job—landing on the deck of an aircraft carrier—a line of work that Jesse's young wife, Daisy, struggles to accept. Deployed to the Mediterranean, Tom and Jesse meet the Fleet Marines, boys like PFC "Red" Parkinson, a farm kid from the Catskills. In between war games in the sun, the young men revel on the Riviera, partying with millionaires and even befriending the Hollywood starlet Elizabeth Taylor. Then comes the conflict that no one expected: the Korean War. *Devotion* takes us soaring overhead with Tom and Jesse, and into the foxholes with Red and the Marines as they battle a North Korean invasion. As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir, Tom and Jesse fly, guns blazing, to try and save them. When one of the duo is shot down behind enemy lines and pinned in his burning plane, the other faces an unthinkable choice: watch his friend die or attempt history's most audacious one-man rescue mission. A tug-at-the-heartstrings tale of bravery and selflessness, *Devotion* asks: How far would you go to save a friend?

Finding Karen Harper Collins

When a father reveals his haunting past, a daughter takes an incredible journey of self-discovery . . . Emmy® award-winning journalist, TV host, and New York Times bestselling author Rita Cosby has always asked the tough questions in her interviews with the world's top newsmakers. Now, in a compelling and powerful memoir, she reveals how she uncovered an amazing personal story of heroism and courage, the untold secrets of a man she has known all her life: her father. Years after her mother's tragic death, Rita finally nerved herself to sort through her mother's stored belongings, never dreaming what a dramatic story was waiting for her. Opening a battered tan suitcase, she discovered it belonged to her father—the enigmatic man who had divorced her mother and left when Rita was still a teenager. Rita knew little of her father's past: just that he had left Poland after World War II, and that his many scars, visible and not, bore mute witness to some past tragedy. He had always refused to answer questions. Now, however, she held in her hand stark mementos from the youth of the man she knew only as Richard Cosby, proud American: a worn Polish Resistance armband; rusted tags bearing a prisoner number and the words Stalag IVB; and an identity card for

an ex-POW bearing the name Ryszard Kossobudzki. Gazing at these profoundly telling relics, the well-known journalist realized that her father's story was one she could not allow him to keep secret any longer. When she finally did persuade him to break his silence, she heard of a harrowing past that filled her with immense pride . . . and chilled her to the bone. At the age of thirteen, barely even adolescent, her father had seen his hometown decimated by bombs. By the time he was fifteen, he was covertly distributing anti-Nazi propaganda a few blocks from the Warsaw Ghetto. Before the Warsaw Uprising, he lied about his age to join the Resistance and actively fight the enemy to the last bullet. After being nearly fatally wounded, he was taken into captivity and sent to a German POW camp near Dresden, finally escaping in a daring plan and ultimately rescued by American forces. All this before he had left his teens. This is Richard Cosby's story, but it is also Rita's. It is the story of a daughter coming to understand a father whose past was too painful to share with those he loved the most, too terrible to share with a child . . . but one that he eventually revealed to the journalist. In turn, Rita convinced her father to join her in a dramatic return to his battered homeland for the first time in sixty-five years. As Rita drew these stories from her father and uncovered secrets and emotions long kept hidden, father and daughter forged a new and precious bond, deeper than either could have ever imagined.

A John Scognamiglio Book

With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummeled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, *King Leopold's Ghost* is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

The Romance of Heroism and Heroic Leadership Simon and Schuster

A wounded vet returns home... His high school sweetheart has never left... A secret looms between them in a small town that doesn't like secrets.

The Notorious Benedict Arnold Penguin

Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Apology for Heroism Macmillan

Heroes permeate our culture. But what makes a hero? And what makes heroes 'heroic'? This exciting and innovative study explores how charisma and human needs create images of individuals as heroes and villains.

The Little Regiment Simon and Schuster

The great work of Welsh literature, translated in full for the first time in over 100 years by two of its country's foremost poets Tennyson portrayed him, and wrote at least one poem under his name. Robert Graves was fascinated by what he saw as his work's connection to a lost world of deeply buried folkloric memory. He is a shapeshifter; a seer; a chronicler of battles fought, by sword and with magic, between the ancient kingdoms of the British Isles; a bridge between old Welsh mythologies and the new Christian theology; a 6th-century Brythonic bard; and a legendary collective project spanning the centuries up to *The Book of Taliesin's* compilation in 14th-century North Wales. He is, above all, no single 'he'. The figure of Taliesin is a mystery. But of the variety and quality of the poems written under his sign, of their power as exemplars of the force of ecstatic poetic imagination, and of the fascinating window they offer us onto a strange and visionary world, there can be no question. In the first volume to gather all of the poems from *The Book of Taliesin* since 1915, Gwyneth Lewis and Rowan Williams's accessible translation makes these outrageous, arrogant, stumbling and joyful poems available to a new generation of readers.

City of the Uncommon Thief Ballantine Books

A comprehensive anthology of the 112 short stories and sketches of the 19th century American author.

Captain Marvel: What Makes a Hero A Mystery of Heroism

A dark and intricate fantasy, *City of the Uncommon Thief* is the story of a quarantined city gripped by fear and of the war that can free it. "Guilders work. Foundlings scrub the bogs. Needles bind. Swords tear. And men leave. There is nothing uncommon in this city. I hope Errol Thebes is dead. We both know he is safer that way." In a walled city of a mile-high iron guild towers, many things are common knowledge: No book in any of the city's libraries reveals its place on a calendar or a map. No living beasts can be found within the city's walls. And no good comes to the guildler or foundling who trespasses too far from their labors. Even on the tower rooftops, where Errol Thebes and the rest of the city's teenagers pass a few short years under an open sky, no one truly believes anything uncommon is possible within the city walls. But one guildmaster has broken tradition to protect her child, and now the whole city faces an uncommon threat: a pair of black iron spikes that has the power of both sword and needle on the rib cages of men has gone missing, but the mayhem they cause rises everywhere. If the spikes are not found, no wall will be high enough to protect the city—or the world beyond it. And Errol Thebes? He's not dead and he's certainly not safe.
