John Wiley &  
Sons

From the  
Enron debacle

to the Martha  
Stewart

scandal, trust  
in business

practices and  
in corporate

leaders has  
been seriously

jeopardized,  
hitting an all-  
time low.

According to  
Matthew

Gilbert in his  
latest book,

The

Workplace  
Revolution,

the problem  
stems from a

relentless  
work ethic,

the tireless  
pursuit of

profit, and the  
conflict

between  
business

values and  
human values.

Today more  
than ever,

people are  
waking up to

the fact that  
they are not

getting back  
what they give

to their  
employers.

While they are dedicating an inordinate amount of themselves to their work, their jobs offer little to meet their needs for community, self-expression, and service, and many have simply abandoned the possibility that self-serving, profit-driven companies can offer more than a paycheck. Gilbert assures us that the problem is not hopeless. In *The Workplace Revolution*, he

provides both personal strategies and corporate methodologies for improving overall health in the workplace and restoring trust and goodwill between business leaders and their employees. With statistics and commentary from a wide range of sources and examples of companies such as Hewlett-Packard that are already balancing economic and human concerns, he

demonstrates to worker and CEO alike that they can turn the experience of work into a spiritual, ideal-based, life-enhancing adventure for all concerned and still meet corporate goals. Revolutionary concepts for today's corporations and the health of their employees. *Organizational Behavior* Oxford University Press on Demand *Organizational Behavior*, 8e by McShane / Von Glinow

<p>helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made the previous editions of Organizational Behavior recognized and adopted by the new generation organizational behavior instructor. The McShane and Von Glinow product is acclaimed for:</p>	<p>Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International / Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organizational Behavior, 8e is written in the context of these</p>	<p>emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee</p>
--	---	--

characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations. <i>Organizational Behavior</i> Irwin/McGraw-Hill Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from	the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780073049779 9780077233471 . <u>A Concise Introduction</u> McGraw-Hill Education Organizational Behavior knowledge is for everyone	and not just traditional managers. The new reality is that people in organizations - sales representatives, accountants, technicians, nurses, etc. - are assuming more responsibilities as companies remove layers of bureaucracy and give teams more autonomy over their work. McShane/Von Glinow's Organizational Behavior, 2/e helps every employee
--	---	--

make sense of organizational behavior and gives him or her the tools to work more effectively within organizations. McShane/Von Glinow's Organizational Behavior text helps students understand and influence behavior in organizations by showing the connection between contemporary OB theories and actual events in organizations. This theory-practice link relies on real life examples to help

students understand OB concepts. Anecdotes and stories effectively communicate the relevance and excitement of OB by bringing abstract concepts closer to reality. The new and improved 2nd Edition features such hot topic areas as: workplace bullying, adaptive cultures, personal career development, further developments on

appreciative inquiry, executive coaching, drum circles, a new model of active listening, and workplace romance plus many more. ISE M: Organizational Behavior Academic Internet Pub Incorporated The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents,

improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable

format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and

expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening

vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

**Business Etiquette For Dummies**

Springer Nature  
Make no mistake, etiquette is as important in business as it is in everyday life — it's also a lot more complicated. From email and phone communications to personal interviews to adapting to corporate and international

<p>Professional Pub M: Organizational Behavior, 4th edition by McShane and Von Glinow delivers essential OB knowledge in an accessible, student- focused style. Students learn the latest concepts and associated workplace practices, with real-world examples to demonstrate their relevance. This book builds on the strengths of the main textbook, including a strong</p>	<p>literature foundation, excellent readability, meaningful exhibits, and a global representation of examples. Through Connect, students also have access to dozens of self- assessments and learning activities. Our most affordable offering, this book also adopts the view that OB is for everyone in organizations, not just for managers. <b>Classics of Organization al Behavior</b></p>	<p>McGraw-Hill Education Organizational Behavior [Essentials] 2e offers the same quality of contemporary knowledge, excellent readability, and classroom support that has made the hardback book by the same author team one of the best-selling OB books around the world - but in a smaller package. It applies four fundamental principles: linking theory with reality, organizational behavior for</p>
--	---	---

everyone, contemporary theory foundation, and active learning support. McShane and Von Glinow have sliced out the extended or secondary topics so students can drill down to what is really essential. Although this book is less than two-thirds the length of their comprehensive hardback textbook, it doesn't skimp on classroom support. In this era of active learning,

critical thinking, and outcomes-based teaching, these supplements are becoming more "essential" than ever. An Introduction to Developmental Psychology Palgrave This edition continues to be both relevant and engaging while providing clear explanations of emerging OB theories and concepts. A range of practical examples prepare

students for the changing global business environment. Individual, Team and Organisational processes taking into account self-concept, social networking and the need for creativity in organisations, as well as considering the business-wide issues including sustainability and business ethics, are covered in depth. Numerous real-life anecdotes are spread

throughout the book illustrating how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. The book maintains a strong Pacific Rim focus while simultaneously presenting OB practices and anecdotes of international significance. This book pioneers the view that OB is not just for managers; it is relevant

and valuable to anyone who works in and around organizations. **Essentials** John Wiley & Sons "M: Organizational Behavior, Fourth Edition, has been significantly revised, guided by useful feedback from reviewers and our active monitoring of evidence-based literature. All chapters have new examples and either new or revised factoids; most chapters have new conceptual

content or literature foundation. The most substantial changes have occurred in Chapter 1 (introduction to OB), Chapter 4 (workplace emotions, attitudes, and stress), Chapter 6 (decision making and creativity), Chapter 8 (communication), and Chapter 10 (conflict and negotiation). The authors personally researched, selected, and wrote all of this content, thereby

providing superior integration of knowledge and ensuring that the examples are relevant and recent"--  
**Organisation al Behaviour**  
McGraw-Hill Education  
Delivering what we've come to expect from this author team,  
McShane/Von Glinow 6e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace.  
In their new

Sixth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors.  
The McShane and Von Glinow text is acclaimed for:  
• Readability, presentation of current knowledge • Linking OB concepts and theories with reality • Strong International/

Global orientation • Contemporary Theory Foundation (without the jargon) • Active Learning and Critical Thinking Support • Textbook's philosophy-OB knowledge is for everyone, not just traditional managers.  
Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation

of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This

book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations. **M** Wiley Global Education M: Organizational Behavior, 3e provides the essential OB knowledge to students in an accessible, student focused presentation. This text builds on the strengths of the main

textbook, including a strong literature foundation, excellent readability, meaningful exhibits, global representation of examples, and presentation of both core and emerging topics. McShane/Von Glinow allows students to practice applying concepts via Connect. M: Organizational Behavior: Connecting students to the world of OB.
