MARISOL MATHEWS

The Inheritance of Loss Hotei Publishing
Winner of the National Book Critics Circle Award and the Man Booker Prize: An “extraordinary” novel “lit by a moral intelligence at once fierce and tender” (The New York Times Book Review). In a crumbling, isolated house at the foot of Mount Kanchenjunga in the Himalayas, an embittered old judge wants only to retire in peace. But his life is upended when his sixteen-year-old orphaned granddaughter, Sai, arrives on his doorstep. The judge’s chatty cook watches over the girl, but his thoughts are mostly with his son, Biju, hopscotching from one miserable New York restaurant job to another, trying to stay a step ahead of the INS. When a

Nepalese insurgency threatens Sai’s new-sprung romance with her tutor, the household descends into chaos. The cook witnesses India’s hierarchy being overturned and discarded. The judge revisits his past and his role in Sai and Biju’s intertwining lives. In a grasping world of colliding interests and conflicting desires, every moment holds out the possibility for hope or betrayal. Published to extraordinary acclaim, *The Inheritance of Loss* heralds Kiran Desai as one of our most insightful novelists. She illuminates the pain of exile and the ambiguities of postcolonialism with a tapestry of colorful characters and “uncannily beautiful” prose (O: The Oprah Magazine). “A book about tradition and modernity, the past and the future—and about the surprising ways both amusing and sorrowful, in which they all connect.” —The Independent

Pemenang Man Booker Prize One of Time's 5 Best Book New York Times Bestseller Tidak ada yang berarti banyak. Tidak banyak yang benar-benar berarti. Hanya ada air mata di wajah Rahel dan Esthappen. Kehampaan dan keheningan menyayat batin keduanya. Dua saudara kembar itu berpelukan erat, saling menguatkan. Terlalu banyak luka yang mengungkung hidup Rahel dan Esthappen. Peristiwa masa silam berkelindan dengan apa yang mereka hadapi kini, terus saja menggoreskan pilu. Semakin pedih ketika mereka menyadari telah menjadi bagian dari Yang Mahakecil, menantang Yang Mahabesar. Novel debut Arundhati Roy ini telah lama menjadi perbincangan internasional. Sensitivitas tema di tengah kondisi sosial budaya yang kaku, membuat novel ini disanjung sekaligus dihujat. Novel ini pula yang mengantarkan Arundhati Roy sebagai pemenang Man Booker Prize 1997 dan menjadikannya sebagai salah satu penulis kenamaan dunia. Dengan diksi dan lapisan bahasa begitu indah, *The God of Small Things* menyuguhkan beragam gugatan sosial yang memikat. [Mizan, Noura Books, Nourabooks, Novel, Dewasa, Indonesia]

From the bestselling author of *The God of Small Things* comes a scathing and passionate indictment of big government's disregard for the individual. In her Booker Prize-winning novel, *The God of Small Things*, Arundhati Roy turned a compassionate but unrelenting eye on one family in India. Now she lavishes the same acrobatic language and fierce humanity on the future of her beloved country. In this spirited polemic, Roy dares to take on two of the great illusions of India's progress: the massive dam projects that were supposed to haul this sprawling subcontinent

into the modern age--but which instead have displaced untold millions--and the detonation of India's first nuclear bomb, with all its attendant Faustian bargains. Merging her inimitable voice with a great moral outrage and imaginative sweep, Roy peels away the mask of democracy and prosperity to show the true costs hidden beneath. For those who have been mesmerized by her vision of India, here is a sketch, traced in fire, of its topsy-turvy society, where the lives of the many are sacrificed for the comforts of the few. From the Trade Paperback edition.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

Stories of the Gorilla Country Vintage Canada

Shortlisted for the Man Booker Prize Written in poetic and affecting prose, Jeet Thayil's luminous debut novel charts the evolution of a great and broken metropolis across three decades. A rich, hallucinatory dream that captures Bombay in all its compelling squalor, *Narcopolis* completely subverts and challenges the literary traditions for which the Indian novel is celebrated. It is a book about drugs, sex, death, perversion, addiction, love, and God and has more in common in its subject

matter with the work of William S. Burroughs or Baudelaire than with that of the subcontinent's familiar literary lights. Above all, it is a fantastical portrait of a beautiful and damned generation in a nation about to sell its soul.

"The Kingdom of God is Within You" Routledge

In this haunting tale of love and learning, the existential chaos of a life ravaged by circumstance takes on a rhythm of its own, one

bound by loss and loneliness, but also an intelligent awareness of self. Sometimes melancholy, sometimes brutal, occasionally funny and infuriating, a journalist-comrade-lover caught up in the shade and shadow of politics and social injustice faces treachery and betrayal on every level. Set against the backdrop of a cityscape that taunts and tantalises, this is where love fails and passion wanes, "where suffering has no meaning", where an individual escapes death only to find himself confronted with choices wrought by remorse and retribution, by conscience and character. And yet, with all trauma, there is a distinct musicality to the lyrical unpacking that follows a string of small things ...

Arundhati Roy's The God of Small Things A&C Black

The economically privileged Lenny is able to taste the forbidden delights of the adult world because of her ayah. The romantic relationship between Sai, an upper-class Gujarati girl and Gyan, a lower-middle-class Nepali boy, crosses both class and ethnic boundaries. The marriage between Ram, an aristocratic Hindu and Rose, a working-class Englishwoman, transgresses racial and class lines while also reinforcing patriarchal hierarchies. These relationships in *Ice-Candy-Man*, *The Inheritance of Loss* and *Rich Like Us* reveal striking similarities in how gendered and classed identities are lived in India and Pakistan. In this scholarly work, Maryam Mirza examines ten novels in English by women writers from the Indian subcontinent. She explores the role of power and desire and of emotional and physical intimacy in cross-class relations. Among others, Mirza examines well-known novels such as Arundhati Roy's *The God of Small Things* and Kamila Shamsie's *Salt and Saffron* and works that have hitherto drawn limited critical attention, such as Moni Mohsin's *The End of*

Innocence and Brinda Charry's *The Hottest Day of the Year. Beyond English* Heinemann

The chant of "Azadi!"—Urdu for "Freedom!"—is the slogan of the freedom struggle in Kashmir against what Kashmiris see as the Indian Occupation. Ironically, it also became the chant of millions on the streets of India against the project of Hindu Nationalism. Even as Arundhati Roy began to ask what lay between these two calls for Freedom—a chasm or a bridge?—the streets fell silent. Not only in India, but all over the world. The coronavirus brought with it another, more terrible understanding of Azadi, making a nonsense of international borders, incarcerating whole populations, and bringing the modern world to a halt like nothing else ever could. In this series of electrifying essays, Arundhati

Roy challenges us to reflect on the meaning of freedom in a world of growing authoritarianism. The essays include meditations on language, public as well as private, and on the role of fiction and alternative imaginations in these disturbing times. The pandemic, she says, is a portal between one world and another. For all the illness and devastation it has left in its wake, it is an invitation to the human race, an opportunity, to imagine another world.

The "courageous and clarion" Booker Prize-winner "continues her analysis and documentation of the disastrous consequences of unchecked global capitalism" (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country's one hundred richest people own assets equivalent to one-fourth of India's gross domestic product. *Capitalism: A Ghost Story* examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism

and exploitation. "A highly readable and characteristically trenchant mapping of early-twenty-first-century India's impassioned love affair with money, technology, weaponry and the 'privatization of everything,' and—because these must not be impeded no matter what—generous doses of state violence." —The Nation "A vehement broadside against capitalism in general and American cultural imperialism in particular . . . an impassioned manifesto." —Kirkus Reviews "Roy's central concern is the effect on her own country, and she shows how Indian politics have taken on the same model, leading to the ghosts of her book's title: 250,000 farmers have committed suicide, 800 million impoverished and dispossessed Indians, environmental destruction, colonial-like rule in Kashmir, and brutal treatment of activists and journalists. In this dark tale, Roy gives rays of hope that illuminate cracks in the nightmare she evokes." —Publishers Weekly

When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story

is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.
