HANEY KOCH

Dandelion Wine Routledge

Noted teachers and scholars William J. Duiker and Jackson J. Spielvogel present a balanced, highly readable overview of world history that explores common challenges and experiences of the human past and identifies key patterns over time. Thorough coverage of political, economic, social, religious, intellectual, cultural, and military history is integrated into a chronological framework to help students gain an appreciation and understanding of the distinctive character and development of individual cultures in society. This approach, with organization around seven major themes (Science and Technology, Art and Ideas, Family and Society, Politics and Government, Earth and the Environment, Religion and Philosophy, and Interaction and Exchange), helps students link events together in a broad comparative and global framework, thereby placing the contemporary world in a more meaningful historical context. Available in the following options: WORLD HISTORY, Eighth Edition (Chapters 1—30); Volume I: To 1800 (Chapters 1—18); Volume II: Since 1500 (Chapters 14—30). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Case-Based Approach Prestel

U.S. History by OpenStax (Print Version, Paperback, B&W, Volume 1 & 2) This is the grayscale (black and white) paperback edition, with a donation made to OpenStax from every new copy sold. Its list price is lower from the use of the latest in printing technology. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The 32 chapters provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender. Formats available of this material: (THIS ONE) B&W PAPERBACK BOOK REDUCED PRICE Edition ISBN-13 9781640323506 Other formats of the same material: Hardcover: ISBN-13: 9781938168369 Paperback: ISBN-13: 9781506698151 Digital: ISBN-13: 9781947172081 Students have access for free at OpenStax dot org of this material, though if the student prefers a paper edition, this edition is made at a low cost with a donation made to OpenStax from every new copy sold. Religious Persecution in Uzbekistan Macmillan

A personal memoir of the war in Vietnam, in which the author first served as a Marine and which he later covered as a reporter.

Rome in Egypt's Eastern Desert Archway Publishing

"This book, the first museum publication to provide a critical overview of Quaytman's work to date, includes new scholarly essays that contextualize her practice and examine the evolution of her chosen themes. Illustrated with the artist's extensive archive of Polaroids, on which her work is based, the book focuses on the artist's process of formatting her paintings onto wood panels, organizing them into exhibitions that she refers to as "chapters," and her work's site-specific nature, created in dialogue with each exhibition venue's historical, architectural, or social aspects"--

The Essential World History University of Michigan Press

Explore world history in a brief, balanced, highly readable overview that examines common challenges and experiences that unite the human past and identify key global regional patterns over time with THE ESSENTIAL WORLD HISTORY. This brief overview of world history covers political, economic, social, religious, intellectual, cultural, and military history integrated into a chronologically ordered synthesis to help you gain an appreciation and understanding of the distinctive character and development of individual cultures in society. You can use the book's global approach and its emphasis on analytical comparisons between cultures to link events together in a broad comparative and global framework that places the contemporary world in a more meaningful historical context. #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

The Comprehensive Guide to Parkinson's Disease McDougal Littell/Houghton Mifflin

"A new series from respected educator Dr. James Stobaugh that takes you on a journey through history without the filters of revisionist or anti-Christian perspectives. This book is designed for a year's worth of study; 34 powerful weeks of historical viewpoints. A summary sets the stage for learning so the student can enjoy a daily lesson with thought-provoking questions, and an exam that takes place every fifth day.... Historical content covered in this volume includes the following: Mesopotamia, the Jewish Exile, Egyptian Life, Greece, Life in Athens, Roman Life, Early Church History, Japanese History, Indian (South Asian) History, Persian History, Chinese History, the Middle Ages, the Crusades, the Renaissance, the Reformation, German History, the World Wars, and South Africa."--P. [4] of cover.

American Military History, Volume II Cengage Learning

Sex, the World History: Through Time, Religion, and Culture has three sections. Section I of the book is titled The Ancient World: Early Europe to the Renaissance and Islam. It is a daring exploration of human sexuality from the ancient to the modern world. Revealed are sexual practices and beliefs previously omitted or obscured from all historical telling. In a scathing condemnation of religion and its control of sex, the book explores complex relationships between spirituality and sexuality. The relatively recent fall of the mother goddess and her supremacy throughout most of human existence are detailed in both word and image. These pages share erotic artworks and explicit literary excerpts from throughout the world, painstakingly culled from the hidden treasure trove of cultures throughout history. Sex, the Illustrated History traces sexual attitudes from the transcendent to the bizarre throughout the world's cultures. Revealed for the first time is the bisexuality of the majority of human cultures. Before Christianity, Asia, the Pacific, Africa, the Americas, Europe, and most human cultures practiced male/male love along with male/female love. Lesbianism is also treated in depth. It offers, in very readable form, an encyclopedic tour of the sexuality of humankind. Section II entitled Sex, the Illustrated History begins a bold probe of human sexuality from Asia, Australia, Melanesia, Micronesia, Polynesia, ancient North and South America, and Africa, and it moves into the modern world. The analysis of gender truths and religion and its control of sex continues as the book pursues intricate relationships between spirituality and sexuality. The book is leagues beyond the classic History of Sexuality by Michael Foucault, which was written in the 1950s. Section III entitled Sex, the Illustrated History begins a courageous exploration of human sexuality from the Enlightenment to the current modern world. It also talks about Europe from the seventeenth century to the modern world, Victorian licentiousness, colonial North and South America to the current day Americas, world wars and sex slavery, Roman Catholic molestations, counterculture love, child brides and forced marriages, and slavery and homosexuality through time. The book explores complicated relationships between modern spirituality and sexuality.

America's History Chump Change

Respected Christian educator, Dr. James Stobaugh, offers an entire year of high school world history curriculum in an easy to teach and comprehensive volume. World History: Observations & Assessments from Creation to Today employs clear objectives and challenging assignments for the twelfth grade student. This study will help students develop a Christian worldview while forming his or her own understanding of world history trends, philosophies, and events. The following components are covered for the student: Critical thinking Examinations of historical theories, terms, and concepts History makers who changed the course of history Overviews and insights into world views. This 288-page student resource should be used in conjunction with the World History: Observations & Assessments from Creation to Today for the Teacher. American History and British History are included in this comprehensive high school history curriculum for 10th, 11th, and 12th grades offered by Dr. James Stobaugh and Master Books.

CDC Yellow Book 2018: Health Information for International Travel Author House

The 74-year-old author, John M. Memory, realized in recent years that he has much important information that is seldom or never taught in college and university courses. After checking course descriptions of a major university in the Southeast, he undertook writing this book. Though John is not a health expert, he has had significant scholarly and professional experiences relating to health that have helped him in writing the 17 chapters about health. John learned much from using non-medical, life style approaches in preventing the fifth through the second most feared diseases—diabetes, stroke, heart disease, and Alzheimer's. For example, he rejected his doctors' recommendations of taking a statin drug and, instead, has performed a heart and brain health routine he developed in 1982, with excellent results. Regarding the most feared disease, cancer, he learned in 2018 that, long after failed prostate surgery and radiation treatments, three alternative, holistic anti-cancer approaches have stopped the advance of his aggressive recurrent prostate cancer. In other chapters, John discusses the dangers posed by rampant ethnocentrism and xenophobia, how to teach moral behavior to children, the joys of frugal living, the importance of moral courage in work and government, origins of religion, the importance and challenges of high-risk activities and decision making, and much more. Since many people will disagree with him on one or several subjects, John hopes that readers will focus on chapters that can be most helpful for the reader. Join the author on a thought-provoking journey that revolves around Mysteriously Missing College Courses.

Mysteriously Missing College Courses Model Rules of Professional Conduct

E. H. Gombrich's Little History of the World, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the Little History brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The Essential World History, Volume II: Since 1500 Cambridge University Press

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin from the Paperback edition.

A Little History of the World Xlibris Corporation

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Morning: Chapter 30 Houghton Mifflin College Division

THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.
