*The Great American
Trailer Park Musical*
Hamish Hamilton
From the author of *The
Changing Mind* and *The
Organized Mind* comes a
New York Times bestseller
that unravels the mystery
of our perennial love affair
with music ***** 'What do
the music of Bach,
Depeche Mode and John

Cage fundamentally have
in common?' Music is an
obsession at the heart of
human nature, even more
fundamental to our
species than language.
From Mozart to the
Beatles, neuroscientist,
psychologist and
internationally-bestselling
author Daniel Levitin
reveals the role of music
in human evolution,
shows how our musical
preferences begin to form
even before we are born
and explains why music

can offer such an
emotional experience. In
*This Is Your Brain On
Music* Levitin offers
nothing less than a new
way to understand music,
and what it can teach us
about ourselves. *****
'Music seems to have an
almost wilful, evasive
quality, defying simple
explanation, so that the
more we find out, the
more there is to know . . .
Daniel Levitin's book is an
eloquent and poetic
exploration of this

paradox' Sting 'You'll never hear music in the same way again' Classic FM magazine 'Music, Levitin argues, is not a decadent modern diversion but something of fundamental importance to the history of human development' Literary Review

Can't Help Falling in Love (Sheet Music) Hal Leonard Publishing Corporation Little Theatre Musical Book, Music and Lyrics by The Heather Brothers.

Characters: 4 male, 5 female Unit set. The Heather Brothers' homage to swinging sixties music was a smash hit at the King's Head Theatre and it enjoyed a long run after transferring to London's Arts Theatre. Slice has a lot of lively original songs in it, 30 of them, each neatly perched on the edge between parody of early rock and the real thing.-- Boston Globe. A pleasurable, lightly satirical revel in sixties manners and music ... with bite, kick and hanky panky.-- Guardian. Full of

such clever, self mocking charm that it's difficult to come away feeling anything but thoroughly entertained.... The real pleasure comes from The Brothers' shameless poaching of an eclectic cross section of famous numbers.... Superb comic pastiche and sharp, cuff link humor.-- Time Out. A musical pastiche that takes you spinning back to the swinging decade to celebrate the eternal embarrassment of teen age.-- What's On. Billy Joel - Piano Man Dramatists Play Service,

"In this two-man musical spoof, a pair of aspiring playwrights perform a

backers' audition for their new, ill-advised project -- a bit, splashy musical about printing press inventor Johann Gutenberg. With an unending supply of enthusiasm, Bud and Doug sing all the songs and play all the parts in their crass historical epic, with the hope that one of the producers in attendance will give them that elusive Broadway contract." --

The most frequently asked question about

writing musicals is, "Which comes first, the music or the lyrics?" As anyone on Broadway will tell you, the answer is, "The book." Tony-winning book writer Robert L. Freedman takes you through the process of writing a new musical, including story structure, song placement, dialogue, character development, and more that led to the creation of *A Gentleman's Guide to Love and Murder*, the 2014 Best Musical Tony winner. With candor and insight, Freedman describes the challenging

and rewarding growing pains of what the critics called "Hilarious!" and "Ingenious!" and said "Ranks among the most inspired and entertaining new musical comedies I've seen in years."

Night Questions Ink. Publishing

The much-beloved musical by Stephen Sondheim and George Furth, available again in print for the first time in 20 years. Written over forty years ago, Sondheim and Furth's spirited and affecting Merrily We Roll

Along boasts an innovative structure that begins in the present and moves backwards in time over 20 years, tracing the personal and professional lives of a successful producer and composer and his two (now estranged) friends. With wit, irony, and a crackling score by Sondheim, Merrily poignantly captures the ways success can corrupt youthful ideals, and crumble the foundations of friendship in its wake. **"But He Doesn't Know the Territory"** Samuel
