In its attempt to address the demonisation of one section of the working class, this book succeeds in demonising another. What emerges is a text as outmoded as its title. Chavs: the Demonization of the Working Class "What makes Chavs a work of art is precisely [its] power of demonstrating the deceptive nature of the premise of an all-encompassing neo-middle class. Far from being classless, British society is defined by an effort to undermine and demonize the underprivileged." Verso reminder of the institutional demonization of the working class in general. His point, however, is not that working class people can be reduced to the status of a *chav* - rather, the mythical ideology of aspiration, from Thatcher through to Blair, has all but rid the working class of its pride.
