The enfant terrible of French letters, Jean-Nicholas-Arthur Rimbaud (1854-91) was a defiant and precocious youth who wrote some of the most remarkable prose and poetry of the nineteenth century, all before leaving the world of verse by the age of twenty-one. More than a century after his death, the young rebel-poet continues to appeal to modern readers as much for his turbulent life as for his poetry; his stormy affair with fellow poet Paul Verlaine and his nomadic adventures in eastern Africa are as iconic as his hallucinatory poems and symbolist prose. The first translation of the poet's complete works when it was published in 1966, *Rimbaud: Complete Works, Selected Letters* introduced a new generation of Americans to the alienated genius--among them the Doors's lead singer Jim Morrison, who wrote to translator Wallace Fowlie to thank him for rendering the poems accessible to those

who "don't read French that easily." Forty years later, the book remains the only side-by-side bilingual edition of Rimbaud's complete poetic works. Thoroughly revising Fowlie's edition, Seth Whidden has made changes on virtually every page, correcting errors, reordering poems, adding previously omitted versions of poems and some letters, and updating the text to reflect current scholarship; left in place are Fowlie's literal and respectful translations of Rimbaud's complex and nontraditional verse. Whidden also provides a foreword that considers the heritage of Fowlie's edition and adds a bibliography that acknowledges relevant books that have appeared since the original publication. On its fortieth anniversary, Rimbaud remains the most authoritative--and now, completely up-to-date--edition of the young master's entire poetic oeuvre.

Hoffmann is among the greatest and most popular of the German Romantics. This selection, while stressing the variety of his work, puts in the foreground those tales in which the real and the supernatural are brought into contact and conflict. The humour of these tales is a result of the incongruity of supernatural beings at large in an ostentatiously everyday world. They include *The Golden Pot*, recognized as Hoffmann's masterpiece by himself and posterity; its spine-chilling companion tale, *The Sandman*, which Offenbach drew on for his opera *Tales of Hoffmann*, and which Freud examines in his essay 'The Uncanny'; two longer and more elaborate fantasies, set respectively in Germany and Italy; and the late story, *My Cousin's Corner Window*, which shows the powers of the imagination being applied to everyday urban life, and marks a transition in European literature generally from Romanticism to Realism. Ritchie Robertson's detailed introduction places the stories in their intellectual and historical context and explores their

compelling narrative complexities.

The Imagination Thief by Rohan Quine is about a web of secrets, triggered by the stealing and copying of people's imaginations and memories. It's about the magic that can be conjured up by images of people, in imagination or on film; the split between beauty and happiness in the world; and the allure of various kinds of power. A Distinguished Favorite in the NYC Big Book Award 2021, it celebrates some of the most extreme possibilities of human imagination, personality and language, exploring the darkest and brightest flavours of beauty living in our minds. Alone in his skyscraper office one night, Jaymi undergoes a transformation that will change his life: he acquires the power to see into others' minds, and then to control and project their thoughts. Realising the potential of this gift, he hypnotises a media mogul into agreeing to broadcast an electrifying extravaganza of sound and vision emanating from Jaymi, the like of which has never been witnessed before, that will captivate millions. However, one of the mogul's underlings has more subversive plans for milking Jaymi's

talent, involving the theft of others' imaginations and intimate memories for commercial gain. The broadcasting of his visions plunges Jaymi and his best friend Alaia on a journey into the underbelly of Asbury Park - a seaside town once full of life but now half-forgotten. The town's entire oceanfront is now almost a ghost town: ruled by gangsters and drug dealers, headed by Lucan, it is populated by lost souls and the beautiful who have fallen on hard times. Blackmailed into thieving the most private and primal memories and experiences from these people's imaginations, Jaymi discovers a web of secrets and provocations simmering beneath the surface of the town, about to explode. When a waxwork of Lucan's decapitated head is anonymously planted in his own bar, fear bubbles up, as everyone becomes a suspect in this unforgivable challenge to Lucan's dominance. Then when another provocative waxwork appears - a naked full-body modelling of Lucan's beautiful but tortured lover, Angel - Jaymi knows he must use his own gift to discover the perpetrator before

Lucan does. Delving into and celebrating the most beautiful and extreme possibilities of human imagination, personality and love, *The Imagination Thief* is literary fiction, with a touch of magical realism and a dusting of horror. It explores the universal human predicaments of power, beauty, happiness, hopelessness, good and evil. Keywords: literary fiction, magical realism, dark fantasy, horror, gay, Asbury Park, psychic, New York, broadcast, imagination, transgender, contemporary, enhanced ebook

Morals of the Fin de Siècle New York Review of Books
An imaginative novel recreating the life of Isidore Ducasse, the self-styled Comte de Lautreamont who he died under mysterious circumstances in 1871. He left almost no clues to his existence, except the explosive, astonishing prose poem, *Les Chants de Maldoror*, precursor to the works of the Surrealists. Reed evokes a fictional life of the notorious Comte extraordinary for its concentration of poetic power and for its excursions into the psychological hells of the

underworld.
The Christine Brooke-Rose Omnibus Hodder Christian Books
Isidore Ducasse (1846-1870), better known by his pen name Comte de Lautréamont, is the most influential writer most people have never heard of. *Maldoror*, the first of his two works, has been described as the most evil book ever written. It has also been described as the funniest. Either way, it provides some of the most gorgeous, twisty, weird sentences in any language. An inspiration to the Surrealists, post-colonial Caribbean writers, and the Situationists to name a few, Lautréamont still garners a following today. In *The Celestial Bandit*, editor Jordan A. Rothacker brings together twenty-four contemporary artists from music, visual arts, and the writing world to pay tribute to this unique and exciting influence. Poetry, essays, short stories, experimental texts, and a dictionary of disruptive neologisms, this anthology has it all. All profits from the sales of *The Celestial Bandit* will be donated to Surfrider Foundation for their efforts to protect our oceans that Ducasse

loved so much.

The Tutu is a genuine literary mystery: a lost masterpiece. Published in 1891, it never made it to bookshops. Its existence was only revealed in 1966, by a famous literary hoaxer. It is the ultimate 'decadent novel', but also outlandishly modern; it is excessive, repellent, infantile and riotously funny. Yet despite its absurdities, its eccentricities and its extravagance, in the end it somehow manages to appear compassionate, poetic, tender... even rational.

The Golden Pot and Other Tales Atlas Press
Maldoror is a long narrative prose poem which celebrates the principle of Evil in an elaborate style and with a passion akin to religious fanaticism. The French poet-critic Georges Hugnet has written of Lautréamont: "He terrifies, stupefies, strikes dumb. He could look squarely at that which

others had merely given a passing glance." When first published in 1868-69, Maldoror went almost unnoticed. But in the 1890s the book was rediscovered and hailed as a work of genius by such eminent writers as Huysmans, Léon Block, Maeterlinck, and Rémy de Gourmont. Later still, Lautréamont was to be canonized as one of their principal "ancestors" by the Paris surrealists. This edition, translated by Guy Wernham, includes also a long introduction to a never-written, or now lost, volume of poetry. Thus, except for a few letters, it gives all the surviving literary work of Lautréamont.

A Lesson in Dying is the first mystery novel in the Inspector Ramsay series by Ann Cleeves, author of the *Shetland* and *Vera Stanhope* crime series. Who hung the headmaster in the playground on the night of the school Halloween Party? Almost everyone in Heppleburn either hated or feared the viper-tongued Harold Medburn. Inspector Ramsay is convinced it was the headmaster's enigmatic wife but Jack Robson, school governor and caretaker, is determined to prove her innocence. With the help of his restless daughter Patty, Jack digs into the secrets of Heppleburn, and uncovers a cesspit of lies, adultery, blackmail and madness . . . Continue the detective series with *Murder in My Backyard*.

Offering a range of critical perspectives on a vibrant body of films, this collection of essays engages with questions specific to the various cinemas and films addressed while putting forward an argument for their inclusion in current debates on world cinema. The collection brings together 11 chapters by recognized scholars, who analyze a variety of films and videos from Angola, Cape Verde, Guiné-Bissau, and Mozambique. It also includes an interview with Pedro Pimenta, one of the most distinguished African film festival organizers. Drawing on various theoretical perspectives, the volume strives to reverse the relative invisibility that has afflicted these cinemas, arguing that most, if not all, Lusophone films are transnational in all aspects of production, acting, and reception. The initial three chapters sketch broad, comparative overviews and suggest theoretical approaches, while the ensuing chapters focus on specific case studies and discuss a number of key issues such as the convergence of film with politics, the question of

gender and violence, as well as the revisiting of the period immediately following independence. Attention is given to fiction, documentary films and recent, short, alternative video productions that are overlooked by more traditional channels. The book stresses the need to pay attention to the significance of African film, and Lusophone African film in particular, within the developing field of world cinema. Bringing together general overviews, historical considerations, detailed case studies, and focused theoretical reflections, this book is a significant volume for students and researchers in film studies, especially African, Lusophone cultural studies, and world cinema.

"The Brooke-Rose Omnibus brings together four unexpected novels:

Out, a science-fiction vision of a world surviving catastrophe; Such, in which a three-minute heart massage is developed into a poetic and funny narrative; Between, a glittering experience of the multiplicity of language; and Thru, a novel in which text and typography assume a life of their own. Linking them all is wit, inventiveness and the sharply focused intelligence of Christine Brooke-Rose, a great European humanist writer."--BOOK JACKET. Le Comte de Lautréamont was the nom de plume of Isidore Ducasse (1846–70), a Uruguayan-born French writer and poet whose only surviving major work of fiction, *Les Chants de Maldoror*, was discovered by the Surrealists, who hailed the work as a dark progenitor of their movement. It was in *Les Chants de Maldoror* that André Breton discovered the phrase that would come to represent the Surrealist doctrine of objective chance: “as beautiful as the random encounter between an umbrella and a sewing-machine upon a

dissecting-table.” Artists inspired by Lautréamont include Man Ray, René Magritte, Max Ernst, André Masson, Joan Miró, Yves Tanguy and, in particular, Salvador Dalí, who in 1933 produced an entire series of illustrations for Les Chants

de Maldoror. Twenty of those illustrations are included, for the first time, in this new, definitive edition of Lautréamont’s influential masterpiece. Vividly translated by R. J. Dent—the first new translation for over thirty years—this edition also

includes a foreword by French Surrealist poet Paul Eluard and a concise biography of the author by poet Jeremy Reed. In addition, an introduction by series editor Candice Black details the links between Maldoror and the Surrealist movement.
