Boxing's colourful  
history is filled with  
chapters of high drama  
and simmering  
controversy. Many  
boxing fans are  
familiar with the  
outcome of the most  
memorable bouts, but  
few know the secrets  
surrounding them. In  
'The 12 Greatest  
Rounds of Boxing',  
Ferdie Pacheco not  
only selects the dozen  
best rounds ever  
fought, but reveals  
what went on behind  
the scenes at these  
fights, from chicanery  
and Mob influence to  
romantic liaisons and  
the zaniness that  
seems to go hand in  
glove with boxing. Did  
Muhammad Ali's 1965  
'Phantom Punch' really  
knock out Sonny

Litson, or was Sonny simply too scared to get off the canvas? With World War II looming, was German heavyweight champoin warned by Adolf Hitler to beat Joe Louis - or else? Did Jack Dempsey have something illegal in his glove when he

battered Jess Willard into bloody submission in 1919? The fascinating behind the scenes stories are related by Pacheco and a renowned grup of boxing experts, offering an intimate glimpse of boxing inimitable characters and the often bizarre world they inhabit.
