From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

### **Variety's Complete Home Video Directory** Vintage

During the 1960s, many models, Playboy centerfolds, beauty queens, and Las Vegas showgirls went on to become "decorative actresses" appearing scantily clad on film and television. This well illustrated homage to 75 of these glamour girls reveals their unique stories through individual biographical profiles, photographs, lists of major credits and, frequently, in-depth personal interviews. Included are Carol Wayne, Edy Williams, Inga Neilsen, Thordis Brandt, Jo Collins, Phyllis Davis, Melodie Johnson, and many equally unforgettable faces of sixties Hollywood.

Though Elvis Presley's music is widely credited as starting a sea change in American popular culture, his films are often dismissed as superficial. Beyond the formulaic plotlines and the increasingly weaker songs, however, the films are rich with resonance to the changing times in which they were produced (roughly 1955-1970). They were also a means by which Elvis communicated deeply felt autobiographical material to his fan base, although in the guise of lighthearted escapist fare. This work takes a new stand, maintaining that Elvis's 31 Hollywood features and two documentaries reveal a profound statement from the star and auteur. Analyzing each film in detail and exploring the body of work as a whole, Brode reveals the Elvis persona as a contemporary Candide, attempting to navigate an ever changing social and political landscape.

This book explores popular media depictions of higher education from an American perspective. Each chapter in this book investigates the portrait of higher education in an exciting array of media including novels, television, film, comic books, and video games revealing the ways anti-intellectualism manifests through time. Examining a wide range of narratives, the authors in this book provide incisive commentary on the role of the university as well as the life of students, faculty, and staff in fictional college campuses.

Swear-word coloring books have taken the world by storm, but puzzle books are still in the same-old no-fun zone. Not anymore! NOT SAFE FOR WORK puzzle books are the vulgar books you're looking for when you're tired of all the goody-two shoes books on the market. This one features all of the naughty words that are supposed to stay in the bedroom, but are a whole lot more fun when they don't.

Boobs. Tits. Hooters. Knockers. Jugs. Breasts. We celebrate them; we revile them. They nourish us; they kill us. And regardless of what we call them, breasts have fascinated us since prehistoric times. This A-to-Z encyclopedia explores the historical magnitude and cultural significance of the breast over time and around the world. A team of international scholars from various disciplines provides key insights and information about the breast in art, history, fashion, social movements, medicine, sexuality, and more. Entries discuss depictions of breasts on ancient figurines, in Renaissance paintings, and in present-day advertisements. They examine how fashion has emphasized or de-emphasized the breast at various times. They tackle medical issues—such as breast augmentation and breast cancer—and controversies over breastfeeding. The breast as sexual object and even a site of smuggling are also covered. As a whole, the Cultural Encyclopedia of the Breast takes an engaging and accessible look at this notable body part.

1985, Nobert was a freshman in Abilene, Texas. All his break ups, unique jobs, and fraternity oddities. Norbert is social, kind hearted and successful at everything, but true love. He is a singer, a model (for BVD), a youth minister, quasi-college athlete, and an adult dancer. It is the best Texas college fraternity story since Proof by Kevin Reynolds. Makes you laugh, cry and remember the 1980's.

*Exploring the Contours of Raunch Eroticism* Univ. of Tennessee Press

A guide to nude scenes in big-screen and television films includes listings of actors and actresses and movies with nudity

*Girls Gone Skank* McFarland

The mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity. For men and women, raunch became the new cool. This engaging book draws from a diverse range of examples including film, popular tabloids, campus culture, mass media marketing campaigns, facebook profiles, and art exhibits to explore expressions and meanings of porn chic. Bringing a cultural and feminist lens to the material, this book challenges the reader to question the sexual agency of the 12-year-old girl dressed to seduce in fashions inspired by Katie Price, the college co-ed flashing her breasts for a film maker during Spring break, and the waitress making her customer happy with chicken wings and a nice set of Hooters. Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits, online, on film, and in popular press bestsellers. The book also contains thought-provoking artwork by Nicola Bockelmann

which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness. Balancing a popular culture approach and a strong analytic lens, *Porn Chic* will engage a wide audience of readers interested in popular culture, fashion, and gender studies.

**The Rogers & Littleton Guide to America's Douchiest Colleges** Peter Lang

Changing trends in fashion have always reflected large-scale social and cultural changes. *Changing Fashion* presents for the first time a multi-disciplinary approach to examining fashion change, bringing together theory from fashion studies, cultural studies, sociology, psychology and art history, amongst others. Ideal for the undergraduate student of fashion and cultural studies, the book has a wide range of contemporary and historical case material which provides practical examples of trend analysis and change, from the art deco textile designs of Sonia Delaunay to the chameleonic shifts in Bob Dylan's appearance over time. Key issues in fashion and identity, such as race, gender and consumption are examined from different disciplinary angles to provide a critical overview of the field. *Changing Fashion* provides a concise guide to the main theories across disciplines that explain how and why media, clothing styles, and cultural practices fall in and out of fashion.

*Girl Icons Come of Age* Springer

Explores the changes in the way teenage girls are growing up in America, discussing the new norms, from extreme behaviors to lack of basic communication skills.

*Economics is Everywhere* Rowman & Littlefield

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.

*Holidays and Popular Culture* Berg

The 'visual' has long played a crucial role in forming experiences, associations, expectations and understandings of heritage. Images convey meaning within a range of practices, including tourism, identity construction, the popularization of the past through a variety of media, and the memorialization of events. However, despite the central role of 'the visual' in these contexts, it has been largely neglected in heritage literature. This edited collection is the first to explore the production, use and consumption of visual imagery as an integral part of heritage. Drawing on case studies from around the world, it provides a multidisciplinary analysis of heritage representations, combining complex understandings of the 'visual' from a wide range of disciplines, including heritage studies, sociology and cultural studies perspectives. In doing so, the book provides a comprehensive overview of the theoretical and methodological tools necessary for understanding visual imagery within its cultural context.

Sex and sexuality are topics that have defined feminism since its inception. What has changed is

that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research. This book assembles a variety of essays, most of which were written especially for this collection, that negotiate sex and sexuality in historical contexts as well as in contemporary times. There is a common ground of history and (popular) culture among the articles. While different theories of feminism operate in these essays, feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising. The authors represented in this collection range from established feminist and gender scholars to those who employ feminist theoretical frameworks in their respective disciplines.

*The Controversial Rise of America's Royal Family* Simon and Schuster

The question isn't whether or not one will be a douchebag in college—we're all a little douche at college, to be honest. The more pertinent question for prospective students is, "What kind of douchebag do you aspire to be?" Here to help with this major life decision is the only college guide to rank and recommend schools based on their level of douchiness, including illustrated analysis of douche student affectations, fashions, course offerings, school chants, pickup techniques, extracurricular activities, mascots, and much more. This rigorously researched, stereotypically accurate, gleefully offensive handbook celebrates douchbaggery as a many splendored thing—from yachty to sporty to thoughtfully bearded and beyond—and is sure to spark fits of pique and laughter among high school applicants, current students, and anyone who went to college.

**Deep Orgasmic Love 2** Gale Cengage

*Maiden USA: Girl Icons Come of Age* explores images of powerful, contradictory pop culture icons of the past decade, which run the gamut from Mean Girls and their Endangered Victims to Superheroines and Ingenue Goddesses. Are girls of the Title IX generation in need of Internet protection, or are they Supergirls evolving beyond gender stereotypes to rescue us all? *Maiden USA* provides an overview of girl trends since the '90s including the emergence of girls' digital media-making and self-representation venues on MySpace, Facebook and YouTube as the newest wave of Girl Power.

*Wrestling and Hypermasculinity* Quirk Books

Now in its updated second edition, *Full Frontal Feminism* is a book that continues to embody the forward-looking messages that author Jessica Valenti propagated as founder of the popular website, *Feministing.com*. *Full Frontal Feminism* is a smart and relatable guide to the issues that matter to today's young women. This edition includes a new foreword by Valenti, reflecting upon what's happened in the seven years since *Full Frontal Feminism* was originally published. With new openers from Valenti in every chapter, the book covers a range of topics, including pop culture, health, reproductive rights, violence, education, relationships, and more. Chapters include: You're a Hardcore Feminist. I Swear. Feminists Do It Better (and Other Sex Tips) Pop Culture Gone Wild The Blame (and Shame) Game If These Uterine Walls Could Talk Material World My Big Fat Unnecessary Wedding and Other Dating Diseases "Real" Women Have Babies I Promise I Won't Say "Herstory" Boys Do Cry Beauty Cult Sex and the City Voters, My Ass A Quick Academic Aside Get to It Since its

original publication, Full Frontal Feminism has reassured readers—yeah, you're feminists, and that's actually pretty cool.
