Understanding Organizational Behaviour SAGE

This is the Third Edition of Rolf P. Lynton and Udai Pareek's bestselling book, Training for Development. Completely revised, this new edition reflects the "speed of change" that the world has undergone in the last two decades and includes recent examples and illustrations. Since 1967, Training for Development has been regarded as the most comprehensive work available to professionals in the field of training and development. The authors focus on training not primarily as a source of new information, but rather as a means for changing behavior for lasting improvement on the job. While the book is well-anchored

theoretically, it is also full of practical examples. It is divided into four sections and each section contains well-researched models and illustrations on training and development. Written in a jargon-free style, it is an essential reading for those involved in training, human resource development, organizational and institutional development, and organizational behavior.

Organisational Behaviour Excel Books India

The Pfeiffer Book of Successful Leadership Development Tools is organized into three sections: Presentations and Discussions (articles); Experiential Learning Activities; and Inventories, Questionnaires, and Surveys. These selections represent the all-time best the Pfeiffer Annuals and Handbooks have to offer on the topic. The Pfeiffer Book of Successful Leadership Development Tools · Includes an overview of management theorists who have shaped modern thought about organizations

and leadership · Contains complete, ready-made training exercises designed to meet a variety of needs for different audiences · Offers inventories that include questionnaires and instruments that help people clarify their own beliefs about leadership

Organization Development PHI Learning Pvt. Ltd.

The book presents the fundamentals of Human Resource Management in a simple, lucid and easily understandable style. It provides a comprehensive coverage to a vast, growing discipline well supported by a wealth of research data collected from multifarious sources, potently and carefully. A notable feature of the book is that it gives extensive coverage to HRD topics. The book contains a number of informative tables, summary boxes and useful diagrams. It is also liberally sprinkled with current examples and illustrations designed to convey the information in an uncomplicated manner. The book is primarily meant for students pursuing advanced courses in Human Resource Management such as MBA, PGDBA, M Com and IAS. Some of the changes in the Second Edition are summarized below: v A refined version of SHRM v Total quality HRM approach v Summarised versions of best employers in India especially their recruitment, selection, training and executive development practices v Succession planning and succession management enriched with live corporate examples v 360-degree feedback system, essentials of an effective appraisal system, potential appraisal v How leading Indian companies appraise potential v Latest data regarding union membership; union recognition, criteria and rights, voluntary recognition and the code of discipline, verification of union membership, the check off system,

recommendations of NCL, current trends in trade unionism v Features of industrial relations, approaches to industrial relations, latest data regarding industrial disputes v Important uses of human resource information system v New chapter on International Human Resource Management v Study Aids in a New Format: Discussion questions, Internet sources, true/false questions, key term exercises, student activities, etc., have been brought under one roof, i e, at the end of each chapter v 9 New Cases: The case of the risky recruit, the case of bench management, the case of TQM and innovation, compensation crises, incentive issues, the case of variable pay, the case of involuntary VRS, the case of mentoring management and the case of the hushed relationship

Essays on Institution Building and Related Topics Uday Pareek's

Understanding organizational Behaviour, 3e

Understanding Organizational Behaviour is a comprehensive and systematic book on Organizational Behaviour in the Indian

context. It explores core concepts and theories of organizational behaviour through managerial applications. The book is highly informative and is a fine source of learning for students and teachers of Management in the Indian context. It is simple, lucid and yet profound in its content and design, and covers all levels at which behavioural knowledge is relevant.

Fourth Edition SAGE Publications India

There is an increasing realization of the importance of culture in organisations. There is always a debate whether organizations can be culture-neutral. Organisations need to leverage the culture in which they work to be effective, removing dysfunctional

Interventions and Strategies Allied Publishers

This comprehensive textbook is tailored to meet the long-felt need of MBA students for a book written primarily from an Indian perspective. It explores core concepts and theories of organizational behaviour through managerial applications. The book contains well-illustrated chapters on globalization and the changing profile of employees and customers, culture and the organization, the process of decision making and consensus building, and developing attitudes and values. It provides in-depth coverage of issues and challenges faced by Indian organizations in the areas of traditional culture and modern management, emotional intelligence, the process approach to organizational behaviour, the role of personality and leadership styles, and the roles and functions of the individual, the team, and the organization. Also discussed are key concepts, such as societal culture and organizations, managing work motivation, and preventing and managing conflicts in organizations. Users

will find this book highly useful for its applications of theoretical concepts through discussions of individual and team behaviour from actual workplace situations, caselets, and illustrations.

Highlights contains

Organisational Behaviour Tata McGraw-Hill Education

Training Instruments in HRD and OD is an outcome of Dr Udai Pareek's rich worldwide experience of more than 50 years with diverse organisations, HRD professionals, researchers, students and trainers. It contains a repertoire of psychological tests, questionnaires, self-evaluation tests, projective techniques and other instruments that have been used by organisations in different countries, including the Philippines, Malaysia, Indonesia, Ireland, Canada and USA. The experience from diverse users have widened the scope and application of these instruments with minor adaptations for different cultural settings. The book contains five sections: · Instruments for HRD · Personal Orientation and Behaviour · Personal and Interpersonal Styles · The Role · The Organisation This enhanced fourth edition includes: • A range of instruments for building team effectiveness in organisations. • Added information on 'reliability and validity' in several instruments. Celebrating its vast readership for over two decades, the book caters to Indian HRD professionals, trainers, consultants and researchers.

Organizational Behaviour: Text and Cases, 3rd Edition SAGE Publishing India

S Ramnarayan and T V Rao build on the foundation of their

extensive research and work with organizations over several decades to answer some of the most critical questions in Organization Development (OD) today: - How do you alter mindsets of organizational members at different levels to tackle new challenges posed by the environment? - How do you overcome silo thinking and build collaborations? - How do you make mergers or acquisitions work? - How do you bring about cultural change? - How do you build managerial and organizational capability to effectively tap the opportunities available in the new environment? A completely revised and updated second edition of the best-selling *Organization Development: Interventions & Strategies* (1998), this book brings key insights derived from the worlds of theory and practice to provide a holistic understanding of the field of OD. Focusing especially on issues relevant to India and the emerging markets, it is enriched with contributions from eminent OD practitioners from academic, corporate and consulting organizations from different parts of the world. Organization Development is a significant step in bridging the talent demand-supply gap for first-rate OD professionals.

Beyond Management OUP India

First published in 1967, *Training for Development* has been regarded as the most comprehensive work in the field of training and development. The book incorporates the authors' experiences in both industrialized and developing countries, with public and private organizations, with managers and administrators, farmers and teachers, rural development workers and members of cooperatives. The third edition of this classic work is being issued in two parts and with a new title. This, the

first part, looks at the new and wider concept of training in which strategic concerns and decisions about training have moved into the boardroom. Targeted at those charged with development overall, this volume addresses developers, founders, and managers of training policy, strategy and systems.
