THE MAGIC Simon and
Schuster
ABC's chief medical

correspondent helps you
ring in the New Year right
with a resolution that's
actually doable: a year-
long plan to improve your
emotional and physical
health—from giving up
alcohol to doing a digital
detox, but each for only
one month. Dr. Jennifer
Ashton is at the top of her
field as an ob-gyn and
news correspondent. But
even at the top there's
still room to improve, and

with The Self-Care Solution, she spends her life one month at a time, using her own experiences to help you improve your health and enhance your life. Dr. Ashton becomes both researcher and subject as she focuses on twelve separate challenges. Beginning with a new area of focus each month, she guides you through the struggles she faces, the benefits she experiences, and the science behind why each month's challenge—giving up alcohol, doing more push-

ups, adopting an earlier bedtime, limiting technology—can lead to better health. Month by month, Dr. Ashton tackles a different area of wellness with the hope that the lessons she learns and the improved health she experiences will motivate her (and you) to make each change permanent. Throughout, she offers easy-to-comprehend health information about the particular challenge to help you understand its benefits and to stick with it. Whether it's adding

cardio or learning how to meditate, Dr. Ashton makes these daily lifestyle choices and changes feel possible—and shows how beneficial a mindful lifestyle can be. Inspiring, practical, and informative, illustrated with helpful photos and charts, The Self-Care Solution teaches you how to recalibrate your life to enjoy a better, healthier year, one month at a time. Featuring guidance from top experts, entertaining case studies, easy-to-follow advice and tips, and Dr. Ashton's observations and

insights, this book can help you achieve a better life balance and a more active and healthy lifestyle.

The Power Simon and Schuster

From New York Times bestselling author Naomi Wolf, *Outrages* explores the history of state-sponsored censorship and violations of personal freedoms through the inspiring, forgotten history of one writer's refusal to

stay silenced. Newly updated, first North American edition--a paperback original In 1857, Britain codified a new civil divorce law and passed a severe new obscenity law. An 1861 Act of Parliament streamlined the harsh criminalization of sodomy. These and other laws enshrined modern notions of state censorship and validated state intrusion into people's private lives. In 1861, John Addington Symonds, a twenty-one-year-old student at Oxford who already knew he

loved and was attracted to men, hastily wrote out a seeming renunciation of the long love poem he'd written to another young man. *Outrages* chronicles the struggle and eventual triumph of Symonds—who would become a poet, biographer, and critic—at a time in British history when even private letters that could be interpreted as homoerotic could be used as evidence in trials leading to harsh sentences under British law. Drawing on the work of a range of scholars of censorship and of

LGBTQ+ legal history, Wolf depicts how state censorship, and state prosecution of same-sex sexuality, played out—decades before the infamous trial of Oscar Wilde—shadowing the lives of people who risked in new ways scrutiny by the criminal justice system. She shows how legal persecutions of writers, and of men who loved men affected Symonds and his contemporaries, including Christina and Dante Gabriel Rossetti, Algernon Charles Swinburne, Walter

Pater, and the painter Simeon Solomon. All the while, Walt Whitman's *Leaves of Grass* was illicitly crossing the Atlantic and finding its way into the hands of readers who reveled in the American poet's celebration of freedom, democracy, and unfettered love. Inspired by Whitman, and despite terrible dangers he faced in doing so, Symonds kept trying, stubbornly, to find a way to express his message—that love and sex between men were not “morbid” and deviant,

but natural and even ennobling. He persisted in various genres his entire life. He wrote a strikingly honest secret memoir—which he embargoed for a generation after his death—enclosing keys to a code that the author had used to embed hidden messages in his published work. He wrote the essay *A Problem in Modern Ethics* that was secretly shared in his lifetime and would become foundational to our modern understanding of human

sexual orientation and of LGBTQ+ legal rights. This essay is now rightfully understood as one of the first gay rights manifestos in the English language. Naomi Wolf's *Outrages* is a critically important book, not just for its role in helping to bring to new audiences the story of an oft-forgotten pioneer of LGBTQ+ rights who could not legally fully tell his own story in his lifetime. It is also critically important for what the book has to say about the vital and often courageous roles of publishers, booksellers,

and freedom of speech in an era of growing calls for censorship and ever-escalating state violations of privacy. With *Outrages*, Wolf brings us the inspiring story of one man's refusal to be silenced, and his belief in a future in which everyone would have the freedom to love and to speak without fear.

"If freedom and joy are what you seek, I couldn't recommend this book more." —Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret*
Happiness Is Free is filled with profound insights and practical tools that will guide you to let go of painful feelings, unwanted thoughts, and negative stories and naturally open up to the

happiness and unlimited potential that is within you right now. And it's easier than you think. Simple but powerful questions for self-inquiry and effective techniques will empower you to gently let go of what, just a moment ago, seemed like an unsolvable issue or overwhelming emotion—anything from anger and frustration to fear, anxiety, and stress. You'll learn how to apply easy-to-use practices for letting go—including Holistic Releasing, Triple Welcoming, and

others—to find more joy and peace of mind in every area of your life. In each chapter, renowned teachers Lester Levenson and Hale Dwoskin (New York Times best-selling author of *The Sedona Method*) offer life-changing opportunities to break free from self-imposed blocks and rediscover the real, unlimited you—and the ultimate happiness that is your birthright. Their combination of liberating insights, inspiration, and deep releasing explorations make this

book a treasured companion for anyone who is seeking to navigate everyday life with greater ease, clarity, and sense of true purpose. "One of my most treasured books that changed my life is Lester's *Keys to the Ultimate Freedom*. It features Lester's words and insights drawn from decades of his teachings, and it is the only book that sits on my bedside table. Unfortunately the book has been out of print for a long time, but Hale Dwoskin has taken all of

Lester's teachings from *Keys to the Ultimate Freedom* and put them in this new book, along with many of the releasing methods from the *Sedona Method*. You have the best of Lester's teachings and his methods in this one book, and if freedom and joy are what you seek, I couldn't recommend this book more. I used the *Sedona Method* occasionally over a ten-year period and found enormous benefit from it. Then, when I met my teacher -- who was a student of Lester

Levenson's -- four years ago, Lester's releasing methods became a crucial part of my everyday life and my awakening." -- From the forward by Rhonda Byrne, New York Times best-selling author of *The Secret* and *The Greatest Secret* "Happiness is about remembering who you really are, and if you have forgotten, this book is an excellent reminder." —Deepak Chopra, author of *The Seven Spiritual Laws of Success* "If the roots of all suffering are attachments to the

external, the roots of true joy are found only within. This book maps the ways to a profound state of peace." —James Redfield, author of *The Celestine Prophecy* "Be set free with the brilliance and insights in this book." —Mark Victor Hansen, co-creator of the #1 New York Times best-selling series *Chicken Soup for the Soul*® "Once in a human while, an individual comes along who has unlocked the secrets of happiness and opens the door for others to follow. Lester Levenson

was such a one... Happiness Is Free offers rare and penetrating insight into the freedom we all long for. This book can take you home." —Alan Cohen, author of *The Dragon Doesn't Live Here Anymore* *Our Ultimate Reality, Life, the Universe and Destiny of Mankind* Hay House, Inc Once known only by an elite who were unwilling to share their knowledge of the power, 'the secret' of obtaining anything you desire is now revealed by prominent physicists, authors and philosophers

as being based in the universal Law of Attraction. And the good news is that anyone can access its power to bring themselves health, wealth and happiness. Fragments of The Secret have been found in oral traditions, literature, religions and philosophies throughout the centuries. A number of the exceptional people who discovered its power went on to become regarded as the greatest human beings who ever lived. Among them: Plato, Leonardo, Galileo and Einstein. Now 'the secret'

is being shared with the world. Beautiful in its simplicity, and mind-dazzling in its ability to really work, The Secret reveals the mystery of the hidden potential within us all. By unifying leading-edge scientific thought with ancient wisdom and spirituality, the riveting, practical knowledge will lead readers to a greater understanding of how they can be the masters of their own lives.

#1 New York Times best-selling authors Esther and

Jerry Hicks present The Teachings of Abraham through their timeless book, The Vortex. The Vortex will help you understand every relationship you are currently involved in, as well as every one you have ever experienced. The Law of Attraction is at the root of everything you experience. Everyone who turns up in your life - from the people you call friends or lovers, to the people you call enemies or strangers - comes in response to your Vibrational asking. You

not only invite the person, but you also invite the personality traits of the person. This book uncovers a myriad of false premises that are at the heart of every uncomfortable relationship issue, and guides you to a clear understanding of the powerful creative Vortex that has already assembled the relationships that you have desired. Abraham will show you how to enter that Vortex, where you will rendezvous with everything and everyone

you have been looking for. "The purpose of this book is not only to help you remember the process of creation – and to remember the Pure, Positive Energy platform from which you have come – but to help you remember the power of this Cortex and to remind you of your Emotional Guidance System so that you can consciously and deliberately achieve the Vibrational frequency of your vortex." - Abraham Included is a link to download audio on the Law of Attraction!

The University of Florida, the state's oldest and largest university, is recognized today as one of the country's most academically diverse public institutions. Though able to trace its history to 1853, the school did not begin its popular football program until the first few years of the 20th century. The program has had its share of scandals and embarrassments over

time, but it has also produced two Heisman Trophy winners, a national champion, numerous players drafted into the professional ranks, and a visibility that consistently ranks the team in the top five in the country. Now attracting 85,000 fans to each of its home games, the Gators' football program has become a vital part of the University of Florida. When the team won the national championship in 1996, no one could have predicted such success just 90 years earlier. Fortunately,

that fascinating journey through the last century has been captured in great photographs that include formal portraits of teams; action shots on the field; views of "The Swamp"; and snapshots of fans from every decade. These images tell the story of the birth and growth of a football team, a team that has brought enjoyment to millions and national recognition to the University of Florida. This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll learn how all things, wanted and unwanted, are brought to you by this most powerful law of the universe, the Law of Attraction (that which is like unto itself is drawn). You've most likely heard the saying "Like attracts like," "Birds of a feather flock together," or "It is done unto you as

you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by New York Times best-selling authors, Esther and Jerry Hicks. Learn here about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The understanding that you'll achieve by reading this

book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life as well as in the lives of those you're interacting with. This book will help you to joyously be, do, or have anything that you desire!

 summer when everything

 Hilderbrand's #1 New

historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in

the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies

to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.
