 Since its publication in 2000, Public Management Reform has established itself as the standard text in the field, presenting a comparative analysis of recent changes in Public Management and Public Administration in a range of countries in Europe, North America, and Australasia.  
 Public Management Reform: A Comparative Analysis  
 In this major new contribution to a rapidly expanding field, the authors offer an integrated analysis of the

wave of management reforms which have swept through so many countries in the last twenty years. The reform trajectories of ten countries are compared, and key differences of approach discussed. Unlike some previous works, this volume affords balanced coverage to the 'New Public Management' (NPM) and the 'non-NPM' or 'reluctant NPM' countries, since it covers Australia, Canada, Finland
