The vile sorcerer Sidi plans to strike the kingdom a fatal blow, setting the murderous pirate Bear upon the high seas in pursuit of the vessel that is transporting Midkemia's most holy object; the Tear of the Gods. From this miraculous stone all magic power is believed to flow. And if the Tear becomes the mage's trinket, the future will hold only terror, death and unending night. For Squire James, Lieutenant William, and the able magician Jazhara, the race is on to rescue the remarkable artifact. For all manner of dark creatures are gathering with one unspeakable purpose: to breed the chaos that will hasten the destruction of Squire James and his brave companions . . . and bring about the total corruption of the Tear of the Gods.

Jim Harrison's first novel—a walk on the wild side from “a force of nature in American letters” (The Seattle Times). The New York Times–bestselling author of thirty-nine books of fiction, nonfiction, and poetry—including *Legends of the Fall*, *Dalva*, and *Returning to Earth*—Jim Harrison was one of our most beloved and acclaimed writers, adored by both readers and critics. Praised as “a raunchy, funny, swaggering, angry, cocksure book,” Wolf tells the story of a man who abandons Manhattan after too many nameless women and drunken nights, to roam the wilderness of northern Michigan, hoping to catch a glimpse of one of the rare wolves that prowl that territory (The New York Times Book Review). “When you turn the last page and Swanson's voice stops, you want to flip back and keep listening.” —The Examiner

David Eddings returns to *The Elenium*, the splendid fantasy series that began with the thrilling novels *Diamond Throne* and *Ruby Knight*. Finally the knight Sparhawk had come to possess *Bhelliom*, legendary jewel of magic that alone could save Queen Ehlana from the deadly poison that had felled her father. Sparhawk and Sephrenia, ageless instructor in Styric magics, made haste to free Ehlana from the crystalline cocoon that had preserved her life while they desperately sought a cure. But *Bhelliom* carried dangers of its own. Once the stone came into his hands, Sparhawk found himself stalked by a dark, lurking menace. Whether the foul Zemoch God Azash was behind this threat, or some other enemy, even Sephrenia could not say—only that the sapphire rose held powers too dangerous for any mortal to bear. Restoring Queen Ehlana would be only the beginning of Sparhawk's mission. With the aid of four stalwart knights, one from each Militant Order, he must thwart Ehlana's prisoner, the Primate Annias, in his plot to assume the throne of the Church. For as Archprelate, Annias would serve his secret master, Azash, and deliver up to the dread God the one

thing Azash thirsted for—Bhelliom itself!

#### **Talon of the Silver Hawk** Del Rey

Minalan gave up a promising career as a professional warmage to live the quiet life of a village spellmonger in the remote mountain valley of Boval. It was a peaceful, beautiful little fief, far from the dangerous feudal petty squabbles of the Five Duchies, on the world of Callidore. There were cows. Lots of cows. And cheese. For six months things went well: he found a quaint little shop, befriended the local lord, the village folk loved him, he found a sharp young apprentice to help out, and best yet, he met a comely young widow with the prettiest eyes . . . Then one night Minalan is forced to pick up his mageblade again to defend his adopted home from the vanguard of an army of goblins - gurvani, they call themselves - bent on a genocidal crusade against all mankind. And that was the good news. The bad news was that their shamans were armed with more magical power than has been seen since the days of the ancient Imperial Magocracy - and their leader, a mysterious, vengeful force of hate and dark magic, is headed directly to Boval Vale, along with a massive invading army of gurvani. The good people of Boval and their spellmonger have only one choice: to hole up in the over-sized Boval Castle and hope they can endure a siege against hundreds of thousands of goblins. When the people look to him for hope, Minalan does his best, but the odds are depressing: there are multitudes of goblins, and they want Boval Vale as a staging ground for a vengeful invasion of the whole Five Duchies. Add to his troubles a jealous rival mage, a motley band of mercenaries, a delusional liege lord who insists victory is at hand despite the hordes at his door, a

dour castellan, a moody, pregnant girlfriend and a catty ex-girlfriend who specializes in sex magic - all trapped in a stinking, besieged castle with no hope of rescue, and you'll understand why Minalan is willing to take his chances with the goblins. All that stands between the gurvani horde and the people of the Five Duchies is one tired, overwhelmed baker's son who wanted nothing more than to be a simple village spellmonger!
