BDSM Erotica. When Cassie Martin finds her lover in bed with her best friend, she sails off alone in her small yacht in an effort to ease the pain. Weeks later, while bathing naked on a remote beach, she's surprised by two men on horseback, Tom and Earl, who inform her that she's trespassing on private land. Within in minutes of foolishly admitting that she is on her own, she's ridden down, captured and expertly hogtied. She tries offering her body in exchange for her freedom. However, the two men already have plans for Cassie. She's soon whipped, gagged and sexually used. But despite this horrifying treatment, Cassie is appalled to discover that she cannot control or hide the sexual heat and passion that their ruthless violation sends raging through her body. Later, the two men head out on horseback, a bound and naked Cassie with them. Arriving at the Circle T Ranch, she is handed off to the owner Travis and his son, Rod. Cassie is not the first woman that Travis has enslaved and he quickly recognizes in Cassie the sexual heat of a true slave. Though she may decry this terrible truth, she cannot ignore the devastating ecstasy that fills her body and mind as she is subjugated and used for their pleasure. Quickly fitted in slave-chains, Cassie learns that she'll serve at the Circle T until Travis tires of her, then she'll be sold to a new master. Life at the Circle T is soon filled with intrigue. With his marriage on the rocks, Rod enjoys venting his anger on the new slave, while his estranged wife Lila furtively instigates a torrid D/s affair with Cassie that leaves both women surprisingly pleased. However, when Travis and Rod later discover the two in the midst of a heavy scene, a chain reaction of events follows that will change life at the Circle T forever. A savage BDSM tale packed with rough and rousing scenes of sexual torment and submission, including graphic sexual content.

She Loved Her Master - Not Her Husband! Marie has a submissive side and her husband seems to have no interest in dominating her. So she finds a Master - and her life and her husband's life are about to change forever. Master Erik Saunders has a penchant for slaves who are married: he likes taking full control of them and, indirectly, of their husbands, in regards to their sex life. Marie, his favorite, had been gone on vacation to Mexico for two weeks, and he was eager to continue her training. In addition, after her return, he gives her a new nightie that she is to wear every time she has sex with her husband with the instructions that she is to think of him while she does: the purpose in doing so was to keep her mindful of his ownership and of her commitment to serve him. And that's only the beginning! Only David Jewell, author of more than three dozen bestsellers of BDSM, could have written this sensational saga of Sweet Slave Marie.
