### A Man Without Breath Ember

John and Philippa Gaunt are off on another spellbinding adventure in bestselling author P. B. Kerr's Children of the Lamp series! John and Philippa Gaunt are all ready for their lives to return to normal now that their mother has given up her djinn powers. But the siblings are quickly drawn into yet another mystery when the world's luck tips wildly out of balance (to the world's detriment). The key to the world's fate lies with five fakirs who were buried alive, each of whom guards a secret that can answer a great question of the universe. But there's an evil djinn desperate to dig up the secrets. Without their mother's powerful magic, John and Philippa must face this djinn alone.

### *The Other Side of Silence* The Akhenaten Adventure

In this Edgar® Award-nominated novel in Philip Kerr's New York Times bestselling series, former detective and unwilling SS officer Bernie Gunther is on the hunt for a beautiful femme fatale... Berlin, 1942. Three players take the stage. The first, a gorgeous actress—the rising star of a giant German film company controlled by the Propaganda Ministry. The second, the very clever, very dangerous Propaganda Minister Joseph Goebbels—a close confidant of Hitler, ambitious schemer, and flagrant libertine. Finally, there's Bernie Gunther—a former Berlin homicide bull now forced to run errands at the Propaganda Minister's command. When Goebbels tasks Bernie with finding the woman the press have dubbed “the German Garbo,” his errand takes him from Zurich to Zagreb to the killing fields of

Croatia. It is there that Bernie finds himself in a world of mindless brutality where everyone has a hidden agenda—perfect territory for a true cynic whose instinct is to trust no one.

Now in one volume—the first three novels in Philip Kerr's New York Times bestselling historical mystery series starring hard-boiled detective Bernie Gunther... “A Chandleresque knight errant caught in insane historical surroundings. Bernie walks down streets so mean that nobody can stay alive and remain truly clean.”—John Powers, *Fresh Air* (NPR) Ex-policeman Bernie Gunther thought he'd seen everything on the streets of 1930s Berlin. But then he went freelance, and each case he tackled sucked him further into the grisly excesses of Nazi subculture. And even after the war, amidst the

decayed, imperial splendour of Vienna, Bernie uncovered a legacy that made the wartime atrocities look lily-white in comparison... This collection includes: MARCH VIOLETS THE PALE CRIMINAL A GERMAN REQUIEM

'David ran a hand through his mop of brown hair. Dragons. It was certainly different from his last set of lodgings, where all you got were spiders and the occasional mouse. "It's perfect," he said.' When David arrives at Wayward Crescent he has no idea what lurks inside the Pennykettle house. Only when he's given his own special dragon does he begin to unlock their mysterious secrets, and to discover the fire within...

If you want to write a murder mystery, you have to do some research... In a luxury flat in Monaco, John Houston's supermodel wife lies in bed, a bullet in her skull. Houston is the world's most successful novelist, the playboy head of a literary empire that produces far more books than he could ever actually write. Now the man who has invented hundreds of best-selling killings is wanted for a real murder and on the run from the police, his life transformed into something out of one of his books. And in London, the ghostwriter who is really behind those books has some questions for him too...

Wall-E meets Hatchet in this #1 New York Times bestselling illustrated middle grade novel from Caldecott Honor winner Peter Brown Can a robot survive in the wilderness? When robot Roz opens her eyes for the first time, she discovers that she is all alone on a remote, wild island. She has no idea how she got there or what her purpose is--but she knows she needs to survive. After battling a violent storm and escaping a vicious bear attack, she realizes that her only hope for survival is to adapt to her surroundings and learn from the island's unwelcoming animal inhabitants. As Roz slowly befriends the animals, the island starts to feel like home--until, one day, the robot's mysterious past comes back to haunt her. From bestselling and award-winning author and illustrator Peter Brown comes a heartwarming and action-packed novel about what happens when nature and technology collide.

"A portrait of Bernie Gunther in his twenties: He's young, but he's seen four bloody years of trench warfare. And he's not stupid. So when he receives a promotion and a ticket out of Vice squad, he knows he's not really leaving behind the criminal gangs, the perverse sex clubs, and the laundry list of human corruption. It's 1928 and Berlin is a city on the edge of chaos, where nothing is truly verboten. But soon a new wave of shockingly violent murders sweeps up society's most vulnerable, prostitutes and wounded ex-soldiers begging on the streets. As Bernie Gunther sets out to make sense of multiple murders with different MOs in a city that knows no limits, he must face the fact that his own police HQ is not immune. The Nazi party has begun to infiltrate the Alex, Berlin's central office, just as the shakey Weimar government makes a last, desperate attempt to control a nation edging toward the Third Reich. It seems like the only escape for most Berliners is the theater and Bernie's no exception. As he gets deeper into the city's sordid underground network, he seeks comfort with a make-up artist who is every bit a match for his quick wit and increasingly sardonic view of the world. But even this space can't remain untouched, not with this pervasive feeling that everything is for sale in Berlin if you're man enough to kill for it"--

Bernie Gunther enters a dangerous battleground when he investigates crimes on the Eastern Front at the height of World War 2 in this gripping historical mystery from New York Times bestselling author Philip Kerr. Berlin, 1943. A month has passed since Stalingrad. Though Hitler insists Germany is winning the war, morale is low and commanders on the ground know better. Then Berlin learns of a Red massacre of Polish troops near Smolensk, Russia. In a rare instance of agreement, both the Wehrmacht and Propaganda Minister Goebbels want irrefutable evidence of this Russian atrocity. And so Bernie Gunther is dispatched. In Smolensk, Bernie finds an enclave of Prussian aristocrats who look down at the wise-cracking, rough-edged Berlin bull. But Bernie doesn't care about fitting in. He only wants to uncover the identity of a savage killer—before becoming a victim himself.

The Eye of the Forest Hassell Street Press  
The New York Times bestselling author of the Bernie Gunther novels reimagines the end of World War 2 in this gripping standalone spy thriller. Autumn 1943. Since Stalingrad, Hitler has known that Germany cannot win the war. The upcoming Allied conference in Teheran will set the ground rules for their second front and for the peace to come. Realizing that the unconditional surrender FDR has demanded will leave Germany in ruins, Hitler has put out peace feelers. (Unbeknownst to him, so has Himmler, who is ready to stage a coup in order to reach an accord.) FDR and Stalin are willing to negotiate. Only Churchill refuses to listen. At the center of this high-stakes game of deals and doubledealing is Willard

Mayer, an OSS operative who has been chosen by FDR to serve as his envoy. A cool, self-absorbed, emotionally distant womanizer with a questionable past, Mayer has embraced the stylish philosophy of the day, in which no values are fixed. He is the perfect foil for the steamy world of deception, betrayals, and assassinations that make up the moral universe of realpolitik. With his sure hand for pacing, his firm grasp of historical detail, and his explosively creative imagination about what might have been, Philip Kerr has fashioned a totally convincing thinking man's thriller in the great tradition of Eric Ambler and Graham Greene.
