[Intermediate 2, First Edition](#) University of Hawaii Press

The best-selling Integrated Korean textbook series from KLEAR is developed collaboratively by leading classroom teachers and linguists of Korean. All series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text.

[Advanced Intermediate 1](#) University of Hawaii Press

Developed collaboratively by leading classroom teachers and linguists of Korean, High Intermediate replaces Advanced Intermediate as the third-year textbook in the popular Korean language-learning series Integrated Korean. All volumes are developed according to performance-based methodology and principles: contextualization, learner-centeredness, use of authentic materials, function/task-orientedness, balance between skill-getting and skill-using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced with simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson

consists of objectives, pre-lesson topics, and conversation reading, further reading, and culture sections. Conversation and reading sections contain comprehension questions, grammar and usage, activities, and English translations. Vocabulary for each lesson appears conveniently at the bottom of the page.

Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korean Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Reader for Chinese Characters, Korean Composition, Selected Readings in Korean, Readings in Modern Korean Literature, Korean Language in Culture and Society, and A Resource for Korean Grammar Instruction. A dictionary of Korean grammar and usage is forthcoming. Audio files for High Intermediate may be downloaded in MP3 format at <https://www.kleartextbook.com>. University of Hawaii Press

Korean is the seventh most commonly spoken language in the United States, and Korean heritage students—those with some proficiency in or a cultural connection to the language through family or community—make up a substantial portion of Korean learners at the college level. Many schools offer a separate heritage track for learning Korean, but until now there has been no textbook designed specifically for heritage learners as well as the increasing number of students from diverse backgrounds who are interested in pursuing intensive learning to build on their prior experience with Korean. Integrated Korean: Accelerated 1 and 2 directly address the linguistic needs and abilities of heritage and accelerated learners in a single academic year. Volume 1 presents lessons on thematically organized subjects, starting with familiar topics such as family, friends, daily routines, schoolwork, campus activities, dining out, and shopping. Volume 2 advances to more formal subjects beyond family and friends, such as travel, transportation, housing, holidays, lifestyles, careers, and Korean history and culture. Students approach the lessons with multilevel communicative classroom activities and reading materials with standards-based exercises and projects that not only focus on the particular language requirements of heritage learners, but also encourage them to participate more fully in their own family and community life. Each volume's textbook and workbook offer authentic conversations and texts in both informal and formal contexts, structured tasks, and a wealth of interesting and relevant cultural content. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for Accelerated

Korean may be downloaded in MP3 format at <https://kleartextbook.com>.

Introduction to Latin Univ of California Press

A handy Korean phrasebook and guide to the Korean language, Survival Korean contains basic vocabulary necessary for getting around Korea. This book contains all the necessary words and phrases for speaking Korean in any kind of setting. Perfect for students, tourists, or business people learning Korean or travelling to Korea, it also contains a beginner guide to the Korean language, allowing for a deeper understanding of Korean than a typical Korean phrasebook or Korean dictionary. The book is broken into four basic sections: Common Korean Expressions and Key Words, Essential Korean Communication Tools, Korean Travel Vocabulary and Useful Korean Expressions, and Korean Pronunciation Guides for Key Korean Names and Signs. All Korean words and phrases are written in Romanized form as well phonetically, making pronouncing Korean a breeze. For example, the word for "Hello", Yoboseyo is also written as Yoe-boh-say-yoh. Authentic Korean script (Hangul) is also included so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. Key features of Survival Korean include: Hundreds of useful Korean words and expressions. Up-to-date internet, mobile, and social media terms An English-Korean index with more than 1,000 additional words and their pronunciation for quick reference. Romanized forms, phonetic spellings, and Korean script (Hangul) for all words and phrases. A concise background and history of the Korean language. An introduction to the Korean Alphabet. A pronunciation guide for Korean syllables. A guide to Korean grammar.

Translation Studies University of Hawaii Press

This workbook accompanies the thoroughly revised edition of Integrated Korean: Beginning 2, the second volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the first edition, this new edition features a more attractive two-color design with all new photos and drawings and an additional lesson and vocabulary exercises. Lessons are now organized into two main sections, each containing a conversational text (with its own vocabulary

list) and a reading passage. The accompanying workbook, newly written, provides students with extensive skill-using activities based on the skills learned in the main text.

Korean Language in Culture and Society Tuttle Publishing
Intermediate Korean: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This workbook presents twenty-four individual grammar points, covering the core material which students would expect to encounter in their second year of learning Korean. Grammar points are followed by examples and exercises which allow students to reinforce and consolidate their learning. Intermediate Korean is suitable for both class use as well as independent study. Key features include: clear, accessible format many useful language examples all Korean entries presented in Hangul with English translations jargon-free explanations of grammar abundant exercises with full answer key subject index. Clearly presented and user-friendly, Intermediate Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal grammar reference and practice resource for students with some knowledge of the language.

Intermediate College Korean University of Hawaii Press

Introduction to Latin, Second Edition is an introductory Latin textbook designed with a streamlined flow that allows it to be completed in one year. Its concise and uncluttered approach gives students what they need to master the material. Grammar is integrated within the context of reading fluency. Innovative exercises provide translation practice as well as build "instinctive skills" that prepare students for reading authentic Latin works. Features: Concise, streamlined presentation focuses on what students need to know, allowing the material to be covered in a year, even for courses which meet only three days a week Innovative exercises that go beyond the usual translation practice, engaging students with the mechanisms of the language and developing "more instinctive" skills Succinct grammatical explanations that don't overwhelm the students with superfluous detail while also providing help for students with little or no understanding of English grammar Latin readings from ancient sources in the form of both sentences and short passages allow for students to connect with authentic Latin Practical instructions often overlooked by other textbooks, including reading a dictionary entry, reading strategies, sentence patterns, gapping, and expectations New to the Second Edition Revised order of presentation that spreads material out more evenly between the

first and second halves of the book Derivatives exercises added at the end of each chapter providing practice connecting English words with their Latin roots Bridge to next level: final three chapters provide review and include longer narrative readings with minimal editing to bridge students to the next level of Latin Revised selection of readings for more appropriate level of difficulty

Integrated Korean Workbook University of Hawaii Press

Do you know what the hardest thing for a Korean learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Korean language. How Korean Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Korean culture. - Having trouble understanding Hangul? No problem - we provide you with the same story twice - one version fully in Korean and the other version with English translation added below each paragraph, allowing you to fully grasp what you are reading! - The summaries follow a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance. - Finally, you'll be provided with a set of tricky questions in Korean, giving you the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Korean; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Korean Short Stories for Beginners and level up your Korean language skills right now!

Integrated Korean Korea Foundation

This is a thoroughly revised edition of Integrated Korean: Advanced 1, the seventh volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. All lessons are content-based and address a wide variety of topics chosen to meet students' interests and needs. Authentic examples of texts provided include poems, news articles, speeches, and essays. Each content-based lesson consists of objectives, pre-lesson topics, and reading, further reading, and culture sections. Reading sections contain comprehension questions, grammar and usage, and activities; further reading sections are accompanied by their own comprehensive activities. To ensure students' accurate understanding of the material, English translations of all Korean texts are given at the end of each chapter. Vocabulary for each lesson appears conveniently at the bottom of the page. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korea Foundation. In addition to course textbooks and workbooks, KLEAR volumes include the Korean Reader for Chinese Characters, Korean Composition, Selected Readings in Korean, Readings in Modern Korean Literature, Korean Language in Culture and Society, and A Resource for Korean Grammar Instruction. A Dictionary of Korean Grammar and Usage is forthcoming. Audio files for Advanced 1 may be downloaded in MP3 format at <https://kleartextbook.com>.

Korean from Zero! 2 Routledge

Elementary Korean offers a complete, systematic and streamlined

first-year course in Korean for the English-speaking adult learner.

Selected Readings in Korean From Zero!

This book accompanies KLEAR's Integrated Korean text series. It contains nearly 1,000 activities on 160 of the most commonly used grammar patterns for beginning and intermediate levels, all sorted by alphabetical order, as well as topics for comprehensive grammar instruction using an interactive approach. Nearly 40 practical activities and lesson ideas for advanced levels are also included. These activities are sorted by skill orientation (e.g., speaking-oriented, reading-oriented, etc.), which will allow them to be used with any Korean-language textbook published in the U.S., Korea, or elsewhere. Instructors who teach Korean as a foreign language in colleges, secondary schools, and community schools and even as private tutors will welcome the easy-to-use grammar activities, which provide practical guidelines for both new and experienced teachers. These lessons reflect the current trend among Korean-language learners in U.S. universities, where, traditionally, primary learners were students of Korean heritage. In recent years, the number of non-heritage learners has increased and thus, to meet their needs, activities with different degrees of difficulty are provided for each grammar pattern and topic enabling instructors to select those most suitable to their students' needs. A Resource for Korean Grammar Instruction is divided into two main parts: 1) activities by forms for beginning and intermediate levels; and 2) activities by skill for more advanced levels. The first part includes greetings and Hangul, sentence endings, clausal endings, other suffixes, particles, and more. The second covers vocabulary-oriented activities, speaking/listening activities, reading-oriented activities, and writing-oriented activities. Supplementary instructional materials such as Power Point presentations, video clips, photos and images, and sample quizzes are available free for download at www.kleartextbook.com under the Instructor section after a simple login.
