Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about. I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything. Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street. Too bad I've never been smart with my heart... Passionate, sexy, and emotional, Roommate brings all the feels and all the delicious heat! Lauren Blakely, #1 NYT Bestselling Author of One Time Only You'll want to curl up with this page turner all night long! Secrets, desires, and exquisite pie. It's all in a day's work at The Company. Growing up, I was the rough guy from the wrong neighborhood who couldn't catch a break. Posy was the pampered girl I tried to impress. But all she gave me was a single kiss before I had to skip town. Now I'm back, and the tables are turned. Posy runs a struggling pie shop. I'm the VP of a secretive billion-dollar security company. Not that I can tell her. There's a murderer on the loose in New York, and he seems to spend a lot of time at Posy's shop. It's my job to identify him before he can harm a hair on her pretty head. Going undercover as Posy's new barista wasn't my idea. I don't even drink coffee. But now I have to call her "boss," and do everything the curvy perfectionist asks of me. I'd forgotten how much we infuriate each other, and that she somehow fills me with both irritation and desire in the same breath. There's nobody more skilled at stealth ops than me. I can bring this killer down. Right after I take a cold shower. And just as soon as I figure out how to make a skinny peppermint latte with milk poured in the shape of a kitten... ***** I adored Loverboy! In his introduction to a collection of criticism on the Anglo-Irish author Elizabeth Bowen, Harold Bloom wrote, "What then has Bowen given us except nuance, bittersweet and intelligent? Much, much more." Born in 1899, Bowen became part of the famous Bloomsbury scene, and her novels have a much-deserved place in the modernist canon. In recent years, however, her work has not been as widely read or written about, and as Bloom points out, her evocative and sometimes enigmatic prose requires careful parsing. Yet in addition to providing a fertile ground for criticism, Bowen's novels are both wonderfully entertaining, with rich humor, deep insight, and a tragic sense of human relationships. Bowen's first novel, *The Hotel*, is a wonderful introduction to her disarming, perceptive style. Following a group of British tourists vacationing on the Italian Riviera during the 1920s, *The Hotel* explores the social and emotional relationships that develop among the well-heeled residents of the eponymous establishment. When the young Miss Sydney falls under the sway of an older woman, Mrs. Kerr, a sapphic affair simmers right below the surface of Bowen's writing, creating a rich story that often relies as much on what is left unsaid as what is written on the page. Bowen depicts an intense interpersonal drama with wit and suspense, while playing with and pushing the English language to its boundaries.

The Federal Convention of 1787 engaged in the great and complex labor of framing the Constitution for the union of the states. For thirty years afterward, little was known of its deliberations, and nothing official was published about them. The variety of versions that began to appear thereafter tended to confuse rather than clarify the situation. In 1911 all available records that had been written by the Convention participants were gathered together by Max Farrand and published in three volumes as *The Records of the Federal Convention of 1787*. A Revised Edition by Farrand, published in 1937, incorporated in a fourth volume material that had come to light after the first printing. Now, two hundred years after the Federal Convention, a Supplement to Farrand's authoritative source is available. Edited by James Hutson, this volume includes documentary material discovered since the appearance of the 1937 edition.

Mike Haddican is a proud small-town gym owner, a renowned karate instructor, and all-around good guy. He's never needed much to be happy: his family, his friends, his girl. Especially his girl. But when Kyra left him seven years ago to chase her dreams, she all but destroyed him. Contemporary dancer Kyra Brims made it big, but it cost her dearly. With her life and career in shambles, she doesn't need a do-over, she needs a friggin' miracle. Injured, broke, and out of options after going through hell, she's come back to Alden, the town she swore she'd never return to and home of Mike Haddican, the man who ripped her soul to pieces, to lick her wounds and recover. Forgetting and letting go proved impossible when they were worlds apart; now that they're stuck together they don't stand a chance, especially with Mike's grandma and her partners in crime plotting, meddling and refusing to give up on them. As the passion that never died burns out of control, so do old hurts and unresolved issues. Both have reasons to be angry and feel betrayed, but now that they're older, are they wise enough to make things work?

Steering clear of relationships has never been difficult for demolitions expert Cole Bowen, but now, with his brother's engagement sending the female population into full-blown hysterics and the town of Alden's month-long festivities not helping matters, he finds himself in hell. When he discovers Christine Sheridan, Alden's new resident—and the object of all his wet dreams—has sworn off relationships and is going to hire a gigolo to get professionally laid, he decides to kill two birds with one stone. Christy is "so" not drinking again. Thanks to Jose Cuervo she has her friends signing her up for stud conventions and Cole friggling Bowen offering sex in exchange for fake dates, which is so out of the question it isn't even funny. She knows the domineering man will push her boundaries, and after battling all her life with self-esteem issues, she isn't ready for that. Too bad he won't take no for an answer. Cole is determined to strip away all of her defenses but refuses to lower his ever-present walls, so when Christy realizes she wants more, she's left with only two options: walk away, or crack his shield—and risk her heart in the process.

Wickedly sexy James Bowen is a bad boy of the highest order—tattoos and attitude included—which unfortunately ranks way up on Tate's not-a-chance-in-hell list, right there along with skydiving naked over Teheran and juggling Ebola vials just for kicks. But what the heck, she's on holiday, the guy is absolutely irresistible, and she needs to unplug from her life. With her dad and brother gone, Tate is left to deal with the family restaurant, which is fast going down the drain. Her employees are acting up, her boyfriend has bailed out, and her very own private stalker is emailing her to death with lovely threats of doom, fire, and dismemberment. So yeah, maybe a little holiday fling is in order. Strictly sex though, and no follow-up whatsoever. Once. Just once. She hadn't counted on her take-charge holiday fling having an opinion of his own and stubbornly sticking around, before "and after" the sex, making himself at home in her life. There is definitely more to James than meets her prejudiced eye, and even if she's not ready to look deeper, James isn't prepared to permit her not to.

From the author of *A Christmas Gift from Bob*, the original bestseller and heartwarming story of the life-saving friendship between a man and his streetwise cat '[Bob] has entranced London like no feline since the days of Dick Whittington.' (Evening Standard) 'A heartwarming tale with a message of hope' (Daily Mail) 'Reminded me how amazing having a cat can be' (Glamour) * * * * * The uplifting true story of an unlikely friendship between a man on the streets of Covent Garden and the ginger cat who adopts him and helps him heal his life. Now a major motion picture starring Luke Treadaway. When James Bowen found an injured, ginger street cat curled up in the hallway of his sheltered accommodation, he had no idea just how much his life was about to change. James was living hand to mouth on the streets of London and the last thing he needed was a pet. Yet James couldn't resist helping the strikingly intelligent tom cat, whom he quickly christened Bob. He slowly nursed Bob back to health and then sent the cat on his way, imagining he would never see him again. But Bob had other ideas. Soon the two were inseparable and their diverse, comic and occasionally dangerous adventures would transform both their lives, slowly healing the scars of each other's troubled pasts. *A Street Cat Named Bob* is a moving and uplifting story that will touch the heart of anyone who reads it. If you love *A Street Cat Named Bob*, don't miss *The Little Book of Bob*, the new book from James and Bob.

"Laugh! Cry! G-A-S-P!" This heart-wrenching and triumphant love story is a tale of advocacy and caregiving. Donna's husband, David, stumbled into their bedroom, his hand covering a blood-filled eye from a brain hemorrhage. Donna called 9-1-1. David slipped into a coma. At that moment, Donna was thrust onto the path of caregiver for her best friend and the love of her life. In her debut memoir, Donna shares how a neurosurgeon said that David would make a "great organ donor." She writes of arrogant doctors, uncaring visitors, insensitive ambulance drivers, and problematic nurses. She also tells of the many compassionate doctors, nurses, therapists, staff, strangers, family members, and friends who helped them on their journey. Donna compellingly describes her ability to appear positive as she experiences the horror of making life-or-death decisions. As her world crashes, she credits laughter as her lifesaver. More than thirteen years later, Donna and David are living a "new normal" together.

Prisoners Without Bars Forever

An exquisitely drawn exploration of three lost souls' emotional terrain As night falls in the City of Belgium, three strangers in their late twenties—a most dangerous age—arrive at a popular restaurant. Jona is about to move away; he calls his wife, who's already settled in Berlin, before trying to make plans with friends for one last night on the town. No one bites—they're all busy or maybe they just don't want to party—but he's determined to make this night something to

remember. Victoria is lively and energetic, but surrounded by friends and family who are buzzkills, always worrying about what is best for her. Rodolphe glumly considers his own misery and then suddenly snaps out of it, becoming the life of the party. The three careen through the city's nightlife spots and underbelly, getting ever deeper in the messiness of human existence as they chase pleasure—or at least a few distractions from their daily lives. Each has a series of misadventures that reveal them to be teetering on the edge of despair, of destruction, of becoming the people they'll be for the rest of their lives. The City of Belgium occupies a place between lucid dream and tooth-grinding nightmare.

Lady Georgiana Rannoch is just back from her honeymoon with dashing Darcy O'Mara when a friend in need pulls her into a twisted Gothic tale of betrayal, deception and, most definitely, murder. . . . I am a bit at loose ends at the moment. My cook, Queenie, is making my new role as mistress of Eynsleigh something akin to constant torture as Darcy is off on another one of his top secret jaunts. And Grandad is busy helping wayward youths avoid lives of crime. So when my dearest friend, Belinda, inherits an old cottage in Cornwall and begs me to go with her to inspect the property, I jump at the chance. After a heart-stopping journey in Belinda's beast of a motorcar, we arrive at the creaky old cottage called White Sails and quickly realize that it is completely uninhabitable. Just when I'm starting to wonder if I would have been better off trying to get Queenie to cook a roast that hasn't been burnt beyond all recognition, we meet Rose Summers, a woman Belinda knew as a child when she spent time in Cornwall. Rose invites us to stay at Trewoma Hall, the lovely estate now owned by her husband, Tony. Belinda confesses that she never liked Rose and had a fling with Tony years ago, so staying with them is far from ideal but beggars can't be choosers as they say. Trewoma is not the idyllic house Belinda remembers. There's something claustrophobic and foreboding about the place. Matters aren't helped by the oppressively efficient housekeeper Mrs. Mannerer or by the fact that Tony seems to want to rekindle whatever he and Belinda once had right under his wife's nose. Our increasingly awkward visit soon turns deadly when a member of the household is found murdered and all clues point to Belinda as the prime suspect. I soon learn that some long buried secrets have come back to haunt those in residence at Trewoma Hall and I'll need to sift through the ruins of their past so Belinda doesn't lose her chance at freedom in the present. . . .
