From the winner of the prestigious FIL Prize in Romance Languages comes this masterpiece saga, set in the twilight of the late twentieth century, of two clashing families in coastal Portugal. With the grand

sweep of Elena Ferrante's Neapolitan novels, this enduring tale transports us to a picturesque seaside town haunted by its colonial past. Considered one of Europe's most influential contemporary writers, Portuguese novelist Lídia Jorge has captivated international audiences for decades. With the publication of *The Wind Whistling in the Cranes*, English-speaking readers can now experience the thrum of her signature poetic style and her delicately braided multicharacter plotlines, and witness the heroic journey of one of the most maddening, and endearing, characters in literary fiction. Exquisitely translated by Margaret Jull Costa and Annie McDermott, this breathtaking saga, set in the now-distant 1990s, tells the story of the landlords and tenants of a derelict canning factory in southern Portugal. The wealthy, always-scheming Leandros have owned the building since before the Carnation Revolution, a peaceful coup that toppled a four-decade-long dictatorship and led to Portugal's withdrawal from its African colonies. It was Leandro matriarch Dona Regina who handed the keys to the Matas, the bustling family from Cape Verde who saw past the

dusty machinery and converted the space into a warm—and welcoming—home. When Dona Regina is found dead outside the factory on a holiday weekend, her body covered in black ants, her granddaughter, Milene, investigates. Aware that her aunts and uncles, who are off on vacation, will berate her inability to articulate what has just happened, she approaches the factory riddled with anxiety. Hours later, the Matas return home to find this strange girl hiding behind their clotheslines, and with caution, they take her in . . . “Some said that Milene had been found wandering near the golf course. . . . Still others that she must have spent those five days at the beach, eating raw fish and sleeping out in the open . . .” Days later, the Leandros realize that Milene has become hopelessly entangled with their tenants, and their fear of political and financial ruin sets off a series of events that threatens to uproot the lives of everyone involved. Narrated with passionate, incandescent prose, *The Wind Whistling in the Cranes* establishes Lídia Jorge as a novelist of extraordinary international resonance.

**The Hades Project** Penguin

Drawing on unpublished letters and rare primary sources, King and Woolmans tell the true story behind the tragic romance and brutal assassination that sparked

World War I In the summer of 1914, three great empires dominated Europe: Germany, Russia, and Austria-Hungary. Four years later all had vanished in the chaos of World War I. One event precipitated the conflict, and at its heart was a tragic love story. When Austrian heir Archduke Franz Ferdinand married for love against the wishes of the emperor, he and his wife Sophie were humiliated and shunned, yet they remained devoted to each other and to their children. The two bullets fired in Sarajevo not only ended their love story, but also led to war and a century of conflict. Set against a backdrop of glittering privilege, *The Assassination of the Archduke* combines royal history, touching romance, and political murder in a moving portrait of the end of an era. One hundred years after the event, it offers the startling truth behind the Sarajevo assassinations, including Serbian complicity and examines rumors of conspiracy and official negligence. Events in Sarajevo also doomed the couple's children to lives of loss, exile, and the horrors of Nazi concentration camps, their plight echoing the horrors unleashed by their parents' deaths. Challenging a

century of myth, *The Assassination of the Archduke* resonates as a very human story of love destroyed by murder, revolution, and war.

“Gosto da escrita de Fátima Pinheiro. Uma escrita directa, fluida, natural. Incisiva mas nunca agressiva. Um modo de escrever sem preconceitos que, com "luz e lata", e muitas vezes com humor, é capaz de tratar das coisas correntes da política as menos evidentes da filosofia. Pelo seu estilo, aparentemente fácil, os seus textos lembram-me aqui e além algumas crónicas do grande jornalismo brasileiro. E - obrigado, Fátima! - estes pequenos textos, com a sua energia renovável, conseguem evitar os lugares comuns do discurso político que tantas vezes polui o nosso ambiente de palavras.” José Manuel Durão Barroso
