### Beyond God the Father

Multnomah

Lust, says Simon Blackburn, is furtive, headlong, always sizing up opportunities. It is a trail of clothing in the hallway, the trashy cousin of love. But be that as it may, the aim of this delightful book is to rescue lust "from the denunciations of old men of the deserts,

to deliver it from the pallid and envious confessor and the stocks and pillories of the Puritans, to drag it from the category of sin to that of virtue." Blackburn, author of such popular philosophy books as *Think and Being Good*, here offers a sharp-edged probe into the heart of lust, blending together insight from some of the world's greatest thinkers on sex, human nature, and our common cultural foibles.

Blackburn takes a wide ranging, historical approach, discussing lust as viewed by Aristophanes and Plato, lust in the light of the Stoic mistrust of emotion, and the Christian fear of the flesh that catapulted lust to the level of deadly sin. He describes how philosophical pessimists like Schopenhauer and Sartre contributed to our thinking about lust and explores the false starts in understanding lust represented by Freud, Kinsey, and modern "evolutionary psychology." But most important, Blackburn reminds us that lust is also life-affirming, invigorating, fun. He points to the work of David Hume (Blackburn's favorite philosopher) who saw

lust not only as a sensual delight but also "a joy of the mind." Written by one of the most eminent living philosophers, attractively illustrated and colorfully packaged, Lust is a book that anyone would lust over.

**Pure Lust** Absolutely Naughty

You can overcome lust and sexual sin!

Overcoming Lust is written for you if you are struggling with sexual sin or are helping others who are struggling. It includes: Ten chapters that will help you understand lust and how to gain victory over it. Ten additional chapters that will show you what the Bible teaches about lust. Helpful discussion questions at the end of each chapter. Many real life

examples and stories to learn from. If you diligently apply the truths found in *Overcoming Lust*, you will gain victory over lust and begin living in a way that pleases God. Visit [Overcoming-Lust.com](http://Overcoming-Lust.com) for information about the author, blog posts, book endorsements and additional resources for overcoming lust.

*His Legacy and Contemporary Importance* She Writes Press

He was the mystery in her history that would forever remain unsolved. She loved him so intensely; now

and again it seemed to injure her core to have a sinuous love as this. Being a worldly wise woman, she did not understand how she could love any man. He was an extraordinary man whose beauty comes within the center of his soul. Beautiful as could be he was the angel whom she loves so deeply. Although no one except she and he knows this to be. He was her secret mystery, her morning sun, her luminous star in twilight. He was a quiet tempest she could not resist. Dark passionate desires for him haunted her in the worst way, each and every day. Emotions stirred within her as she allowed her mind to wonder and linger. Within her private world he was her

treasure, her ultimate pleasure. The love she held in her heart for him was unreasonable and complicated. Within her mind her wanton love for him was by design. A love so strong whether right or wrong, it would stay with her, waiting for the time for her to ascend. In the midst of the stars where love endlessly flows, she looks forward to the day when he will know. That the love she feels for him will last after everything else in this world has passed

"In Search of Pure Lust documents an important chapter in lesbian history that is already being distorted and erased, a time when lesbians were

reinventing everything from the ground up. Along with violence against women around the globe, lesbians of the 1970s and '80s were motivated by growing militarism, rampant development, species loss, and living systems in decline. For many, this was the logical conclusion to a state of law/mind/rule that had prevailed for thousands of years - patriarchy. This is a long overdue and unvarnished insider's account of those times. The memoir, centered in the Northeast U.S. and then later in Quebec, combines a personal story with the story of a political movement. The book is full of celebration, but also depicts the shadow side of the lesbian movement, taking the reader into

the bitter squabbles that divided women, both personally and politically. On a deeper level, the memoir charts a long and difficult quest for love. Over and over, the narrator dives headlong into rapturous passions that either fizzle out or come to brutal and ugly endings. In the mid-'80s, when a friend invites her to a Zen retreat, she is desperate enough to say yes. A period of difficult self-examination ensues and, over a period of years, she begins to learn an altogether different approach to desire. The last section of the memoir traces the fallout from that collision between hot-blooded lesbian desire and spacious, temperate Zen mind.

What the search for pure lust uncovers, in the end, is something that looks a lot like love."--

Pure Lust Ignatius Press

What are the implications of adopting a primacy of praxis position in feminist theology? How can we respect the diversity of women's experience while retaining it as a useful analytic category? Do these twin resources of women's experience and praxis together imply that feminist theology is ultimately relativist? Through an analysis of the work of some of today's key feminist theologians – Christian, womanist and post-Christian – Linda Hogan considers these and other methodological questions.

*The Palgrave  
Handbook of Radical  
Theology*

Independently

This open-ended anthology is a journey into the very canon that Mary Daly has argued to be patriarchal and demeaning to women. This volume deauthorizes the official canon of Western philosophy and disrupts a related story told by some feminists who claim that Daly's work is unworthy of re-reading because it contains fatal errors. The editors and contributors attempt to prove that Mary Daly is located in the Western intellectual tradition. Daly may be highly critical of conventional Western epistemological and

theological traditions, but she nevertheless appropriates themes & "out-of-context" for the building of her own systematic philosophy. The following are just a few of the many themes explored in this volume: • the question of subjectivity understood as an ongoing process of becoming • the ambiguity of the need for feminists of colonial nations to speak out about violence against women in other parts of the world while that speaking carries with it the stamp of a colonial location • the territoriality of lesbian and women's space • the theological dimensions of twentieth-century Western philosophy. Paul Tillich is best  
 known today as a  
 theologian of  
 mediation. Many have  
 come to view him as  
 an out-of-date thinker  
 a safe exemplar of a  
 mid-twentieth-century  
 theological liberalism.  
 The way he has come  
 to be viewed contrasts

sharply with the current theological landscape one dominated by the notion of radicality. In this collection, Russell Re Manning breaks with the widespread opinion of Tillich as 'safe' and dated. Retrieving the Radical Tillich depicts the thinker as a radical theologian, strongly marked but never fully determined by the urgent critical demands of his time. From the crisis of a German cultural and religious life after the First World War, to the new realities of religious pluralism, Tillich's theological responses were always profoundly ambivalent, impure and disruptive, asserts Re Manning. The Tillich that is outlined and analyzed by this collection is

never merely correlative. Far from the dominant image of the theologian as a liberal accommodationist, Re Manning reintroduces the troubled and troubling figure of the radical Tillich.

### **Feminist Thought**

Beacon Press

Divine love explores the work of Luce Irigaray from the perspective of religious studies. The book examines the development of religious themes in Irigaray's work from *Speculum of the Other Woman*, in which she rejects traditional forms of western religion, to her more recent explorations of eastern religions. Irigaray's ideas on love, the divine, the ethics of sexual difference and

normative heterosexuality are analysed and placed in the context of the reception of her work by secular feminists such as Judith Butler, Drucilla Cornell and Elizabeth Grosz, as well as by feminists in Religious Studies such as Pamela Sue Anderson, Ellen Armour, Amy Hollywood and Grace Jantzen. Finally, Irigaray's own spiritual path, which has been influenced by eastern religions, specifically the disciplines of yoga and tantra in Hinduism and Buddhism, is evaluated in the light of recent theoretical developments in orientalism and postcolonialism. *Critical Theory of Religion* Womens PressLtd

Pure lust Bloomsbury Publishing  
Makes key excerpts from Daly's work accessible to readers who are seeking to access the essence of her thought in a single volume. Outrageous, humorous, inflammatory, Amazonian, intellectual, provocative, controversial, and a discoverer of Feminist word-magic, Mary Daly's influence on Second Wave feminism

was enormous. She burst through constraints to articulate new ways of being female and alive. This comprehensive reader offers a vital introduction to the core of Daly's work and the complexities secreted away in the pages of her books. Her major theories—Bio-philosophy, Be-ing as Verb, and the life force within words—and major controversies—relating to race, transgender identity, and separatism—are all covered, and the editors have provided introductions to each selection for context. The text has been crafted to be accessible to a broad readership, without diluting Daly's witty but complicated vocabulary. Begun in collaboration with Daly

while she was still alive, and completed after her death in 2010, the chapters in this book will surprise even those who thought they knew her work. They contain highlights from Mary Daly's published works over a forty-year span, including her major books *Beyond God the Father*, *Gyn/Ecology*, and *Pure Lust*, as well as smaller articles and excerpts, with additional contributions from Robin Morgan and Mary E. Hunt. Perfect for those seeking an introduction to this path-breaking feminist thinker, *The Mary Daly Reader* makes key excerpts from her work accessible to new readers as well as those already familiar with her work who are seeking to access the essence of her thought

in a single volume. *Feminist Theology : what is It? : where Does it Lead?* HarperCollins The Palgrave Handbook of Radical Theology is the definitive guide to radical theology and the commencement for new directions in that field. For the first time, radical theology is addressed and assessed in a single, comprehensive volume, including introductory and historical essays for the beginner, essays on major figures and their thought, and shorter articles on various themes, concepts, and related topics. This book is a seminal work for the radical theology movement. It clarifies origins and demonstrates the

exigency and utility of current figures and issues. A useful and essential guide for newcomers and veterans in the field, this volume serves as both a reference work and an introduction to omitted or forgotten topics within contemporary discussions.

Are you tired? Do you suffer from chronic pain—headaches, backaches, or other persistent discomfort? Do you experience depression or feel anxious? Do you have allergies or autoimmune issues? Have you lost your sex drive somewhere along the way? If you have one or more of these symptoms, you may be suffering from what

Rachel Carlton Abrams, MD, calls Chronic Body Depletion—a condition that can be related to weight gain, high blood pressure, exhaustion, and many other symptoms that leave the body drained. In *BodyWise*, Dr. Abrams helps us to understand that these symptoms, uncomfortable as they may be, are actually a sign of our body's intelligence. Our bodies are trying to communicate—sometimes screaming at us to pay attention—and only when we learn to listen are we able to treat what ails us to achieve optimum healing and lifelong health. Dr. Rachel shares her customizable 28-day program, used with thousands of patients in her clinic, for healing the body both

physically and emotionally. Through quizzes and detailed self-assessments, she explains how you can evaluate your own body wisdom for different areas in your life—including stress, sleep, libido, pain, anxiety, depression, allergies, and autoimmune issues. Guiding you through thoughtful diet, routine, and lifestyle changes, *BodyWise* will help you discover your own unique needs and offer you the principles and practices to create the vibrant, balanced, healthy life you have always deserved.

*The Purity Principle*  
Multnomah

When Lise Weil came out in 1976, she came out into a land that was all on fire. Lesbian desire was the pulsing center of an entire way

of life, a culture, a movement. The air throbbed with possibility. At the center of *In Search of Pure Lust* is Weil's immersion in this culture, this movement: the grand experiment of lesbian feminism of the '70s and '80s. She and the women around her lived in a state of heightened erotic intensity that was, she believed, the source of their most vital knowledge. Desire was their guiding light. But after fifteen years of torrid but ultimately failed relationships that tended to mirror the tumultuous political currents swirling around her, she had to admit that desire was also a conduit for childhood wounds. It reared its head when she was feeling wary,

estranged— abused, even. It flagged when she was fondest and most trusting. And it tended to trump love, over and over again. In the mid-'80s, when a friend asked Weil to accompany her on a Zen retreat, she was desperate enough to say yes. Her first day of sitting zazen was mostly hell—but smitten with the (female) roshi, she stuck with it, later returning for sesshin after sesshin. A period of difficult self-examination ensued and, over a period of years, she began to learn an altogether different approach to desire. Ultimately, what her search for pure lust uncovered is something that looks a lot like love.

Pure Lust NYU Press  
"Because You're Shy at

Night" is a compilation book of Haruna Takayama's cute and heart thumping BL manga! Sleep Next To Me Tonight: Sonoyama is a hard-working salaryman that had forgotten how to enjoy life since his parents died and he had to take care of his two little brothers. One morning, he unexpectedly woke up in his Boss's bed. Terrified of being fired, Sonoyama dashed out from the house. But why can the insomniac Sonoyama can sleep so well beside the conceited and kindasadistic Boss? Noisy Days of Life: Tsuji had to take over his grandfather dormitory as a manager. His days are quite dull compared to his previous office job, but the existence of one

tenant, Minami made his days livelier. Can Tsuji take a high-schooler's love-at-first-sight confession as a serious proposal? I'm no match for my Kouhai: Wakamiya has been asking his genius and handsome Kohai, Yoshikawa, to teach him so he can move up to the next grade. But whenever they start a study session, they always ended up sleeping together. Wakamiya decided to focus more on studying and stop having sex with his Kohai, but one day he happened to hear Yoshikawa's actual motive... Pleasure me with your hands: Nao and Narikawa entered one of the most prestigious salons, Tibella in the same year. But only Narikawa has already promoted to a

professional hairdresser. Nao doesn't deny that Narikawa has it all—looks, talent, and well, his fingers are super attractive—and that's also exactly why he has a feeling for him. But his insecurity made him avoiding Narikawa instead of approaching him... And Narikawa's reaction is...? Man Pleasure x Man Friends: Katori has always been hiding his feeling towards the most popular co-worker, Suga. The already-unrequited love hurts more deeply when Suga said he hates Katori's glasses. But When his glasses accidentally falls on one occasion, why did Suga show a very different attitude towards Katori? Is it more than just about the glasses?

**Pure Lust** SIU Press  
The portrayal of Greece by the international press during the financial crisis has been seen by many independent observers as very harsh. The Greeks have often been blamed for a myriad of international political problems and external economic factors beyond their control. In this original and insightful work George Tzogopoulos examines international newspaper coverage of the unfolding economic crisis in Greece. American, British, French, German and Italian broadsheet and tabloid coverage is carefully analysed. The Greek Crisis in the Media debates and dissects the extent to which the Greek response to the

financial crisis has been given fair and balanced coverage by the press and questions how far politics and national stereotypes have played their part in the reporting of events. By placing the Greek experiences and treatment alongside those of other EU members such as Portugal, Ireland, Italy and Spain, Tzogopoulos examines and highlights similarities and differences in the ways in which different countries tackled the challenges they faced during this crucial period and explores how and why the world's media reported these events.

A classic resource on feminist theory, *Feminist Thought* offers a clear, comprehensive, and incisive introduction to the major traditions of feminist theory, from liberal feminism, radical feminism, and Marxist and socialist feminism to care-focused feminism, psychoanalytic feminism, and ecofeminism. The fifth edition has been thoroughly revised, and now includes a new chapter on Third Wave and Third Space

Feminism. Also added to this edition are significantly expanded discussions on women of color feminisms, psychoanalytic and care feminisms, as well as new examinations of queer theory, LGBTQ and trans feminism. Learning tools like end-of-chapter discussion

questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates.
