JANIAH DANIELLE

The Upper Half of the Motorcycle

Veloce Enterprises, Incorporated
Freya is torn between her two mothers. Liv, her adoptive mother who nurtured and raised her, is earthy, no-nonsense. The total opposite to Melody: with her vibrant, explosive personality and extensive, brightly coloured wardrobe, Freya's birth mother is still apt to find herself thrown out of Top Shop for bad behaviour. Hard as it has been for Freya to try to reconcile her

two families, it has been harder for her mothers. Proud of her mature and sensible adoptive daughter, Liv fears Melody's restless influence. Meanwhile, forced to give up her baby when she was just a teenager herself, Melody now craves Freya's love and acceptance - but only really knows how to have fun. Then tragedy strikes, and the bonds of love that tie these three women together will be tested to the max. Can they finally let go of the past, and pull together in order to withstand the toughest challenge life could throw them?
