an excellent book on self-acceptance,

performance-confidence, and gaining the

respect of others. It is well written and

short (100 pages) which helps in focusing

on the development of the message. I

think Hauck's presentation of the topic is

sound and realistic. It includes many good

examples from his work with

the motivation for economic exchange in

the market, we do not have to invoke any

objective other than the pursuit of self-interest. In the most widely quoted passage from *The Wealth of Nations*, he wrote: "It is not from the benevolence of the butcher, the brewer, or the baker that we expect our dinner, but from their regard to their own interest. Beyond Self-Love - Decline of the Empire By only prioritizing self-care, and neglecting to try self love, I was doing the same thing to myself. I was convincing myself that all my needs were being met because I was going above and beyond to make myself feel good through treats and rest and bubble baths, but I wasn't getting to the true root of the problem. Learning to Truly Love Myself by Going Beyond Basic Acts ... This is one of the paradoxes that the mind can't grasp. In conclusion, not everything we give, comes back right away. Patience is the key and self-love helps immensely. Also, transcending to unconditional love or true love beyond time and self or receiving wisdom about these mystics will help even more.
