The Ned Kelly Encyclopaedia Graphic  
Arts Books

Love him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting, dressed in bulletproof iron armor made from farmers' ploughs. Historians still

disagree over virtually every aspect of the eldest Kelly boy's brushes with the law. Did he or did he not shoot Constable Fitzpatrick at their family home? Was he a lawless thug or a noble Robin Hood, a remorseless killer or a crusader against oppression and discrimination? Was he even a political revolutionary, an Australian republican channeling the spirit of Eureka? Peter FitzSimons, bestselling chronicler of many of the great defining moments and people of the Australia's history, is the perfect

person to tell this most iconic of all Australian stories, from Kelly's early days in Beveridge, Victoria, in the mid-1800s, to the Felons' Apprehension Act, which made it possible for anyone to shoot the Kelly gang, to Ned's appearance in his now-famous armor, prompting the shocked and bewildered police to exclaim "He is the devil!" over him or loathe him, Ned Kelly has been at the heart of Australian culture and identity since he and his gang were tracked down in bushland by the Victorian police and came out fighting, dressed in bulletproof iron armour made from farmers' ploughs. History comes to life with Peter Fitzsimons. Historians still disagree over virtually every aspect of the eldest Kelly boy's brushes with the law. Did he or did he not shoot Constable

Fitzpatrick at their family home? Was he a lawless thug or a noble Robin Hood, a remorseless killer or a crusader against oppression and discrimination? Was he even a political revolutionary, an Australian republican channelling the spirit of Eureka? *The True Story of Ned Kelly's Last Stand*  
Ross Books

When Ned Kelly fought his Last Stand at Glenrowan, he made his suit of armour and a tiny bush pub part of Australian folklore. But what really happened at the Glenrowan Inn when the Kelly Gang took up arms against the government? Who was there when the bullets began to fly and how did their actions help to set the course of history? *The True Story of Ned Kelly's Last Stand* uses science, history and family lore to literally unearth a new understanding of how a legend was made. It examines the actions of a woman who took a chance and lost. It

dives into the lives and deaths of the people who helped to create the legend. And, perhaps most importantly, as the inn reveals its lost secrets, it creates an opportunity to shed new light on Ned Kelly, a man who still polarises a nation as either a romantic hero or a convicted killer.

*The true story of Ned Kelly's little sister*

True History of the Kelly Gang A Novel

As he flees the police, Ned Kelly scribbles his narrative in semiliterate but magically descriptive prose. To his pursuers he is a thief and a murderer. To his own people he's a hero for opposing the English. Ned, who saw his first prison cell at fifteen, has become the most wanted man in the wild colony of Victoria, taking over towns and defying authority. Here is a classic outlaw tale,

made alive by the skill of a great novelist. There are no sentences like these in all Australian literature and yet they could only have grown from our soil.

Australian Dictionary of Biography:

1981-1990, L-Z Penguin Group Australia

When Ned Kelly fought his "last stand" at Glenrowan, he made his suit of armor and a tiny bush pub part of Australian folklore. But what really happened at the Glenrowan Inn when the Kelly Gang took up arms against the government? Who was there when the bullets began to fly and how did their actions help to set the course of history? Almost 130 years after the gunfight, a team of archaeologists peeled back the layers of history at Glenrowan to reveal new information about how the battle played out,

uncovering the stories of the people caught up in a violent confrontation that helped to define what it means to be Australian. The True Story of Ned Kelly's Last Stand uses science, history, and family lore to literally unearth a new understanding of how a legend was made. It examines the actions of a woman who took a chance and lost. It delves into the lives and deaths of the people who helped to create the legend. And, perhaps most importantly, as the inn reveals its lost secrets, it creates an opportunity to shed new light on Ned Kelly, a man who still polarizes a nation as either a romantic hero or a convicted killer.

**The extraordinary true story of the men who brought Australia's notorious outlaw to justice** Dream

Write Publishing Limited

"When he was a boy, he was poor and hungry. When he was a young man, he was still poor and still hungry. He learnt how to steal horses, he learnt how to fight, he learnt how to live - outside the law. Australia in the 1870s was a hard, wild place. Rich people had land, poor people didn't. So the rich got richer, and the poor stayed poor. Some say Ned Kelly was a bad man. Some say he was a good man but the law was bad. This is the true story of Australia's most famous outlaw."--Back cover.

**My Life as a Fake** Random House Australia

A picture books series about the extraordinary men and women who shaped Australia's history, beginning with our most famous bushranger, Ned Kelly. Ned Kelly was a notorious bushranger. He lived in Australia's earliest days. He was daring and clever and bold. In a suit made of iron he battled police. And his story is still being told. From Ned Kelly to Saint Mary Mackillop; Captain Cook to Douglas

Mawson, the Meet... series of picture books tells the exciting stories of the men and women who shaped Australian history.

*The Man Behind the Mask* NewSouth  
Author Leo Kennedy is the great-grandson of Sergeant Michael Kennedy. Raised in the shadow of his great-grandfather's murder, Leo witnessed the deep psychological wounds inflicted on successive generations of his family - and the families of other victims - as the Ned Kelly myth grew around them and the sacrifice of their loved ones was forgotten. Leo himself was nicknamed 'Red Ned' at school and taunted for being on the wrong side of Australian history. Now, for the first time, and in brilliant prose that brings these historical episodes to life, **BLACK SNAKE**

challenges the legend of Ned Kelly. Instead of celebrating an heroic man of the people, it gives voice to the victims of a merciless gang of outlaws. This is a captivating true story, gleaned from meticulous research and family history, of two men from similar backgrounds whose legacies were distorted by history.

Ned Kelly Penguin Group Australia Melbourne, the late 1940s. A young conservative Australian poet named Christopher Chubb decides to teach his country a lesson about pretension and authenticity. Choosing as his target the most avant-garde of the literary magazines, he submits for publication the entire oeuvre of one Bob McCorkle, a working-class poet of raw power and sexual frankness, conveniently dead at

twenty-four and entirely the product of Chubb's imagination. Not only does the magazine fall for the hoax, but the local authorities also sue its editor for publishing obscenity. At the trial someone uncannily resembling the faked photograph of the invented McCorkle, leaps to his feet. At this moment a horrified Chubb is confronted by the malevolent being he has himself manufactured...

*My Australian Story* Allen & Unwin

Two famous 19th century outlaws from opposite sides of the world are brought to rollicking life in the acclaimed historian's "marvelous dual biography" (Douglas Brinkley, author of *The Wilderness Warrior*). The legendary exploits of Billy the Kid and Ned Kelly live on in the public imaginations of their

respective countries, the United States and Australia. But the outlaws' reputations are so mythologized, the truth of their lives has become obscure. In *Wanted*, Robert M. Utley reveals the true stories and parallel courses of the two notorious contemporaries who lived by the gun, were executed while still in their twenties, and remain compelling figures in the folklore of their homelands. Utley draws sharp portraits of both young men, offering insightful comparisons of their lives and legacies. Billy was a fun-loving sharpshooter who excelled at escape and lived on the run after indictment for his role in the Lincoln Country War. While Ned, raised in the bush by his Irish convict father, was driven by outrage against British colonial authority to steal cattle and

sheep, kill three policemen, and rob banks for the benefit of impoverished Irish sympathizers. Recounting their exploits, differences, and shared fates, Utley illuminates the worlds in which they lived on opposite sides of the globe.

"Robert M. Utley displays the gifts that have made him a storied interpreter of the nineteenth-century west."—T. J. Stiles, Pulitzer Prize-winning author of *The First Tycoon*

**Black Snake** Text Publishing

SOON TO BE A MAJOR MOTION PICTURE

The international bestseller, Booker Prize winner, and winner of the 2001

Commonwealth Writers' Prize for Best

Book. Out of 19th century Australia rides

a hero of his people and a man for all

nations: Ned Kelly, the son of poor Irish

immigrants, viewed by the authorities as

a thief (especially of horses) and, as a cold-blooded killer. To the people, though, he was a patriot hounded unfairly by rich English landlords and their stooges. In the end, Kelly and his so-called gang (his younger brother and two friends) led a massive police manhunt on a wild goose chase that lasted twenty months, in which Ned's talents as a bushman were augmented by bank robberies and the support of nearly everyone not in a uniform. His one demand – for which he would have surrendered himself was his jailed mother's freedom. Executed by hanging more than a century ago, speaking as if from the grave, Kelly still resonates as the most potent legend in the land down under.

*The Kelly Gang Unmasked* GRIN Verlag

Word count 5,775

*Black Snake* Vintage

We all think we know the story of Ned Kelly, Australia's most famous outlaw, but we've never seen him in full colour like this before. Edward Ned Kelly was born in 1855 into a poor Irish immigrant family in rural Victoria. He grew up loyal to his family, angry at the injustice he saw in Australian society and desperate to better his situation by any means. Often in trouble with the police, with the so-called Kelly Gang he was involved in horse and cattle stealing, bank robbing, kidnapping and ultimately murder. But he was the only bushranger to write a famous and compelling letter explaining his behaviour. As every Australian knows, after a legendary shoot-out Ned was captured by police and later hanged.

at Melbourne Gaol. Folk hero or criminal, this is the story of Ned Kelly as you've never seen it before."

Kate Kelly Faber & Faber

This story is the song of Australia, and it sings its protest in a voice at once crude and delicate, menacing and heart-wrenching. The author gives us Ned Kelly as orphan, as Oedipus, as horse thief, farmer, bushranger, reformer, bank-robber, police-killer and as his country's Robin Hood.

**Ned Kelly's Son** Affirm Press

Leader of a gang of outlaws, Ned Kelly is a character who generates fascination and controversy. McMenomy spent 20 years assembling this selection of Kelly paraphernalia - with over 330 illustrations - piecing together authentic accounts to form a complete picture of

Kelly and his associates.

True History of the Kelly Gang Lothian Children's Books

This vintage book contains an detailed account of the Kelly Gang and their various exploits, painstakingly composed by the author from official documents, contemporary newspapers, and other sources of information. The Kelly Gang was a family criminal gang of bush-rangers that rose to infamy in late nineteenth-century Australia for a litany of crimes ranging from horse rustling to bank robbery. Contents include: "The Murders on the Wombat", "Finding the Bodies", "The Bushrangers' Country", "Why the Kellys 'Went Out'", "Police Preparations", "Mr. Nicholson in Pursuit.-- The Outlaw Bill", "The Rats' Castle Fiasco", "The Outlaws' Lost to Sight",

"Mr. Wyatt and the Broken Wires", "The Sticking-Up of Faithfull's Creek", "The Euroa Bank Robbery", et cetera. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern edition complete with a specially commissioned new biography of the author.

*The Jerilderie Letter* Omnibus Books  
Our Sunshine is the tale of a man whose story outgrew his life. Robert Drewe's strikingly imaginative re-creation of the inner life of Ned Kelly, the National Hero and Devil Incarnate of the Antipodes, is written with a brilliant clarity and impressionistic economy. It carries the reader into a dreamworld of astonishing and violent revelation, an entrancing and frightening landscape of murder,

sexuality, persecution, robbery, vanity, politics, and corruption.

Grant Publishing

True History of the Kelly GangA

NovelVintage Canada

*A Novel* GRIN Verlag

When the Kelly Gang rode to Jerilderie in January 1879 they heard people singing songs praising their exploits. Since then historians, novelists, film directors, journalists and commentators have regularly debated the events in Northeast Victoria in the late 1870s. THE NED KELLY ENCYCLOPAEDIA brings together over 800 articles covering people, places and themes connected with Ned Kelly and the Kelly Outbreak 1878-80. The biographical entries provide detailed information on the early

life of all the major people involved with the Kelly Gang, along with descriptions of their family life and what direction their careers took after the execution of Ned Kelly. Most of this information has never appeared in one volume before. This synthesis of previously published and new information and interpretations for all the major events in Ned Kelly's life illuminates many hitherto unresearched elements of the Kelly story.

A Cultural History of Kelly History

OXFORD University Press

OSCAR AND LUCINDA is a sweeping, irrepressibly inventive novel set in nineteenth-century England and Australia where the two potential lovers lead parallel lives until chance brings

them together on board ship. A narrative tangle of love, religion, gambling, commerce and colonialism culminates in a nightmare expedition - the result of a wager - to transport a glass church across the Australian wilderness. In TRUE HISTORY OF THE KELLY GANG the legendary Australian outlaw Ned Kelly speaks for himself in a voice that is direct, colloquial, theatrical, and utterly magical. To his pursuers he is nothing but a monstrous criminal, but to his own people he is a hero, defying British imperial authority in support of the poor Irish settlers who are its victims. In a dazzling act of ventriloquism, Carey brings the famous bushranger unforgettably to life.
