*Nocturnes and Night Music for Solo Piano in the Twentieth Century* Simon and Schuster

In the tradition of Paula McLain's *The Paris Wife* and Laura Moriarty's *The Chaperone* comes a sweeping historical love story and a portrait of an age. *Vienna Nocturne* is a deeply moving debut novel that brings to life two extraordinary figures—a thirty-year-old Wolfgang Amadeus Mozart and a young English soprano, Anna Storace, who was his muse—in prose as spirited, timeless, and touching as Mozart's greatest compositions. In late-eighteenth-century London, a young girl takes her first singing lessons with a mysterious castrato in exile. Her life is forever changed. Having learned everything he can teach her, Anna leaves behind all the security and familiarity of home and journeys to Naples and Venice to struggle and triumph in Italy's greatest opera houses. Only sixteen, she finds herself in an intoxicating world of theaters, nobility, and vice, overwhelmed by her newfound freedom and fame. Her first bitter experience of love and heartbreak inevitably follows. Within a few years, Anna is invited to sing in Vienna, the City of Music, by the emperor himself. There, in a teasing game of theft and play, Anna first meets Mozart, a young virtuoso pianist and striving, prodigiously talented composer. They are matched in intellect and talent, and an immediate and undeniable charge occurs between the two, despite both being married to others. As her star rises in Vienna and her personal life deteriorates, Anna experiences an ultimate crisis. During this trying time, her only light is Mozart: his energy, his determination for her, and his art. She, in turn, becomes his hope and inspiration, and his joy, as he writes for her some of his most exquisite and enduring arias—music that will live on as his masterworks. Rich in historical detail and beautifully wrought by Vivien Shotwell, an author who is herself an opera singer, *Vienna Nocturne* is a dramatic tour de force of a woman's struggle to find love and fame in an eighteenth-century world that controls and limits her at every turn. Advance praise for *Vienna Nocturne* "You don't have to be an opera buff to fall deep into *Vienna Nocturne*. Vivien Shotwell catapults you straight into the eighteenth century with abundant, vivid detail. I found Anna Storace's journey from prodigy to prima donna an irresistible tale."—Nancy Horan, author of *Loving Frank* and *Under the Wide and Starry Sky* "Passionate and yet precise, dense with feeling yet as clean as a bird in flight: This novel emulates Mozart's music even as it beautifully imagines his love for a memorable singer. What an excellent debut!"—Andrea Barrett, National Book Award-winning author of *Archangel* and *Ship Fever* "*Vienna Nocturne* is as finely intelligent as it is lushly romantic, and beautifully renders how much music can convey, even when it's hardly the only expressive tool lovers have at hand. Very few novels have expressed as persuasively how it feels to be taken up by the kind of passions that, despite everything, can make a soul huge with life and joy."—Jim Shepard, author of National Book Award finalist *Like You'd Understand, Anyway* "Vivien Shotwell has written a novel that, like her heroine, the singer Anna Storace, is brilliant, warm, irresistible, and infinitely moving. Her descriptions of music, of her characters, of Venice and Vienna are so vivid and so richly compelling that I was amazed to look up from these pages and discover that I was still in Massachusetts."—Margot

Livesey, author of *The House on Fortune Street* and *The Flight of Gemma Hardy*

*Vienna Nocturne* Atria/Emily Bestler Books

From USA Today Bestselling author Keri Lake comes an intense and gritty romantic thriller that'll have you turning the pages well past your bedtime. The most terrifying monsters aren't found in dreams ... Four young socialites have gone missing in the Chicago area. Two found dead, bearing the signature marks of a brutal serial killer. With the kind of tragedy that mars Nola Tensley's past, she should be concerned, but without a pot to piss in, all the struggling single mom cares about is making a normal life for her son. After all, she's clearly not the murderer's type. Or is she? When Rhett Voss, an enigmatic and handsome stranger, answers her ad for the outdated in-law suite at the back of her property, offering double her asking price, Nola really can't refuse. Even though the supposed Wall Street Wolf seems better suited for a high-rise downtown—a suspicion that quickly turns into hindsight once she submits to the flirtations of her charming new tenant, and consequently, unearths a series of disturbing revelations. Her curiosities lead her down the path of a madman, whose moniker, The Sandman, only hints at the grisly nature of his crimes. He's smart. Evasive. A cunning psychopath with a twisted method of disposing his victims. And his hunting grounds are hitting too close to home.

*Nocturne In Ashes* Edition Peters

From the bestselling authors of *In The Stillness* and *The Last Hour*, a new story of forbidden love and second chances. Savannah Marshall is a gifted flutist and daughter of musical royalty when she enrolls in the elite New England Conservatory of Music. Brilliant, eclectic and passionate, she lives music, but struggles with her plans for the future. Gregory Fitzgerald is one of the most renowned cellists of his generation. A member of the Boston Symphony Orchestra and professor at the Conservatory, he is laser focused on his career to the exclusion of friends, family and especially romance. When Gregory and Savannah's paths cross in the classroom, it threatens to challenge more than their wildly differing beliefs on music. Friendships, ethics, and careers are put on the line as Gregory and Savannah play a symphony of passion and heartbreak. In the final movement, Gregory and Savannah are handed their greatest challenge, as the loss of absolutely everything they've held as truth hangs in the balance. What Readers Are Saying: ★★★★★ - "I love us." I fell in love with this book ... I loved the writing. I loved the story even more. Gritty. Raw. Sexy. Very sexy. ★★★★★ - The writing was beautiful, believable and honest ★★★★★ - *Nocturne* was one of the most beautifully written stories I've read in a long time

*A Poet's Glossary* Simon and Schuster

Years after the massacre that wiped out a colony of settlers on the small Maine island of Sanctuary, rookie officer Sharon Macy and policeman Joe Dupree team up to protect the island's residents from a band of vengeful killers.

**Conquest** Chronicle Books

Offers a collection of thirteen short fiction tales of horror and the supernatural.

*Bad Men* St. Martin's Paperbacks

The night and popular music have long served to energise one another, such that they appear

inextricably bound together as trope and topos. This history of reciprocity has produced a range of resonant and compelling imaginaries, conjured up through countless songs and spaces dedicated to musical life after dark. *Nocturnes: Popular Music and the Night* is one of the first volumes to examine the relationship between night and popular music. Its scope is interdisciplinary and geographically diverse. The contributors gathered here explore how the problems, promises, and paradoxes of the night and music play off of one another to produce spaces of solace and sanctuary as well as underpinning strategies designed to police, surveil and control movements and bodies. This edited collection is a welcome addition to debates and discussions about the cultures of the night and how popular music plays a continuing role in shaping them.

#### A Time of Torment Simon and Schuster

A decade after *NOCTURNES* first terrified and delighted readers, John Connolly, bestselling author of thirteen acclaimed thrillers featuring private investigator Charlie Parker, gives us a second volume of tales of the supernatural. From stories of the monstrous for dark winter nights to fables of fantastic libraries and haunted books, from a tender account of love after death to a frank, personal and revealing account of the author's affection for myths of ghosts and demons, this is a collection that will surprise, delight - and terrify. *NIGHT MUSIC* also contains two novellas: the multi-award-winning *THE CAXTON PRIVATE LENDING LIBRARY & BOOK DEPOSITORY*, and *THE FRACTURED ATLAS*, featuring *The Wanderer in Unknown Realms*, previously published as an ebook, developed here into a five-part novella. *NIGHT MUSIC: NOCTURNES 2* is a masterly collection to be read with the lights on - menace has never been so seductive.

#### **Night Life** Simon and Schuster

"The first in a stunning new science fiction trilogy, *Conquest* introduces a world where humanity has been conquered by a powerful alien rulership--unless a group of young rebels can unlock their powers and help rescue humankind from its terrible fate. Earth has been invaded by the Illyri--a beautiful, civilized, yet ruthless alien race. The Resistance grows stronger against the invaders, for it is up to the young people of the Earth to lead the battle and save humanity. Syl Hellais, conceived among the stars, is the oldest alien child on Earth. The daughter of one of the planet's rulers, she has hidden gifts and powers that she does yet fully understand. But all is not as it seems. Secret experiments are being conducted on humans, the Illyri are at war among themselves, and the sinister Nairene Sisterhood has arrived on Earth, hungry for new blood. When Syl helps a pair of young fighters escape execution, she finds herself sentenced to death and pursued by her own kind. Soon, she even risks breaking the greatest taboo of her race by falling in love with a human. Now the hunter has become the hunted, and the predators have become prey. And as Syl is about to learn, the real invasion is yet to begin."

#### **A Book of Bones** Psychology Press

Now she's playing for her life! With the death of her husband and son, concert pianist Riley Forte's life and career shattered. Her comeback performance bombs, her sponsor pulls out, and she faces the tattered ruins of a once-happy life. When Mt. Rainier erupts, isolating her in a small community stalked by a serial killer, it seems like the end of everything, but it brings a new chance for Riley. If she can evade the clutches of a dedicated killer. In a riveting action story filled with breathtaking suspense, Riley fights to hang on to the one thing she has left—her life, and the one thing she needs

to turn it around—redemption. Fans of Jeffery Deaver, Lisa Gardner, and Peter Robinson will be captivated by this page-turner. If you like a gripping, suspenseful tale, grab your copy of *Nocturne in Ashes* and prepare to burn the midnight oil. Watch the trailer on the Joslyn Chase YouTube channel, and for an audio sample of the first five chapters, visit [joslynochase.com/audio-samples-full-length-stories/](http://joslynochase.com/audio-samples-full-length-stories/)

#### Night Music Macmillan

Whether fierce, cuddly, startling, mysterious, or some indefinable combination of all of the above, nocturnal animals never fail to fascinate. In *Nocturne: Creatures of the Night*, celebrated animal photographer Traer Scott takes the viewer on a journey through nighttime in the animal kingdom, revealing some of nature's most elusive creatures. Bats, big cats, flying squirrels, tarantula, owls, kangaroo mice, giant moths, sloth, several species of snakes, and a Madagascar hissing cockroach are only a few of the animals illuminated in these lushly detailed portraits. Seventy-five full-color photographs of forty different species are accompanied by informed but accessible descriptions of each animal's habits and habitats, and an introduction provides personal insight into how Scott captures her astonishing images. *Nocturne* is a compelling view of the rarely seen darkness dwellers who populate the night.

#### Manhattan Nocturne Simon and Schuster

Samuel Johnson - with a little help from his dachshund Boswell and a very unlucky demon named Nurd - has sent the demons back to Hell. But the diabolical Mrs Abernathy is not one to take defeat lying down. When she reopens the portal and sucks Samuel and Boswell down into the underworld, she brings an ice-cream van full of dwarfs as well. And two policemen. Can this eccentric gang defeat the forces of Evil? And is there life after Hell for Nurd?

#### Hodder & Stoughton

A beautifully illustrated look at the vogue for night landscapes amid the social, political, and technological changes of modern America The turn of the 20th century witnessed a surge in the creation and popularity of nocturnes and night landscapes in American art. In this original and thought-provoking book, Hélène Valance investigates why artists and viewers of the era were so captivated by the night. *Nocturne* examines works by artists such as James McNeill Whistler, Childe Hassam, Winslow Homer, Frederic Remington, Edward Steichen, and Henry Ossawa Tanner through the lens of the scientific developments and social issues that dominated the period. Valance argues that the success of the genre is connected to the resonance between the night and the many forces that affected the era, including technological advances that expanded the realm of the visible, such as electric lighting and photography; Jim Crow-era race relations; America's closing frontier and imperialism abroad; and growing anxiety about identity and social values amid rapid urbanization. This absorbing study features 150 illustrations encompassing paintings, photographs, prints, scientific illustration, advertising, and popular media to explore the predilection for night imagery as a sign of the times.

#### *Shadow Voices* Night Music

Private Investigator Charlie Parker returns in this heart-pounding thriller as he seeks revenge against the darkest forces in the world, from "one of the best thriller writers we have" (Harlan Coben, #1 New York Times bestselling author) and the internationally bestselling author of the acclaimed *The*

Woman in the Woods. He is our best hope. He is our last hope. He is our only hope. On a lonely moor in northern England, the body of a young woman is discovered. In the south, a girl lies buried beneath a Saxon mound. To the southeast, the ruins of a priory hide a human skull. Each is a sacrifice, a summons. And something in the darkness has heard the call. Charlie Parker has also heard it and from the forests of Maine to the deserts of the Mexican border, from the canals of Amsterdam to the streets of London, he will track those who would cast the world into darkness. Parker fears no evil—but evil fears him. “A seamless, expansive, and chilling blend of police procedural and gothic horror tale” (Kirkus Reviews), *A Book of Bones* will keep you guessing until the very last page.

**Nocturne** Open Road Media

#1 internationally bestselling author John Connolly delivers a masterful combination of “the hard-boiled with the supernatural” (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that haunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut, and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

*Night Music: Nocturnes 2* Hachette UK

The first book in a thrilling, addictive new series by a talented new voice in dark fantasy. Welcome to Nocturne City, where werewolves, black magicians, and witches prowl the streets at night... Among them is Luna Wilder, a tough-as-nails police officer whose job is to keep the peace. As an Insoi werewolf, Luna travels without a pack and must rely on instinct alone. And she's just been assigned to find the ruthless killer behind a string of ritualistic murders—a killer with ties to an escaped demon found only in legend...until now. But when she investigates prime suspect Dmitri Sandovsky, she can't resist his wolfish charms. Pack leader of a dangerous clan of Redbacks, Dimitri sends her animal instincts into overdrive and threatens her fiercely-guarded independence. But Luna and Dimiri will need to rely on each other as they're plunged into an ancient demon underworld and pitted against an expert black magician with the power to enslave them for eternity...

*Night Music: Nocturnes 2* Simon and Schuster

From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* comes an inspired sequence of stories as affecting as it is beautiful. With the clarity and precision that have become his trademarks, Kazuo Ishiguro interlocks five short pieces of fiction to create a world that resonates with emotion, heartbreak, and humor. Here is a fragile, once famous singer, turning his back on the one thing he loves; a music junky with little else to offer his friends but opinion; a songwriter who inadvertently breaks up a marriage; a jazz musician who thinks the answer to his career lies in changing his physical appearance; and a young cellist whose tutor has devised a remarkable way to foster his talent. For each, music is a central part of their

lives and, in one way or another, delivers them to an epiphany.

*Nocturne* Hachette UK

In Amsterdam, four people are butchered in a canal house, their remains arranged around the crucified form of their patriarch, De Jaager: fixer, go-between, and confidante of the assassin named Louis. The men responsible for the murders are Serbian war criminals. They believe they can escape retribution by retreating to their homeland. They are wrong. For Louis has come to Europe to hunt them down: five killers to be found and punished before they can vanish into the east. There is only one problem. The sixth.

*The Wanderer in Unknown Realms* Simon and Schuster

John Connolly conjures the Golden Age of Hollywood in this moving, literary portrait of Laurel & Hardy--two men who found their true selves in a comedic partnership. "AMBITIOUS . . . EVOKES THE STYLE OF SAMUEL BECKETT." --NEW YORK TIMES "BRILLIANT." --SEATTLE BOOK REVIEW

"EXTRAORDINARY." --LIBRARY JOURNAL (STARRED REVIEW) An unforgettable testament to the redemptive power of love, as experienced by one of the twentieth century's greatest performers. When Stan Laurel is paired with Oliver Hardy, affectionately known as Babe, the history of comedy--not to mention their personal and professional lives--is altered forever. Yet Laurel's simple screen persona masks a complex human being, one who endures rejection and intense loss; who struggles to build a character from the dying stages of vaudeville to the seedy and often volatile movie studios of Los Angeles in the early years of cinema; and who is haunted by the figure of another comic genius, the brilliant, driven, and cruel Charlie Chaplin. Eventually, Laurel becomes one of the greatest screen comedians the world has ever known: a man who enjoys both adoration and humiliation; who loves, and is loved in turn; who betrays, and is betrayed; who never seeks to cause pain to anyone else, yet leaves a trail of affairs and broken marriages in his wake. But Laurel's life is ultimately defined by one relationship of such astonishing tenderness and devotion that only death could sever this profound connection: his love for Babe.

*Shadow Voices* Springer

“Books alter men, and men, in their turn, alter worlds.” Soter is a man who has been haunted by World War I. But when he’s sent to investigate the disappearance of Lionel Maudling, the owner of a grand country house whose heir may be accused for his death, he encounters a home that will lead him to nightmares he could have never imagined. Maudling’s estate houses countless books of every sort—histories, dramas, scientific treatises. But none seems to offer Soter any hint to Maudling’s whereabouts, until he’s led to an arcane London bookseller where the reclusive scholar made his last purchase. What Soter finds at the end of a twisted maze of clues is a book like no other, with a legacy that will put everything he knows in danger... An inventive horror novella from internationally bestselling author John Connolly, this is a story of madness, of obsession, and of books’ power to change the world.

*Books to Die For* Simon and Schuster

In this “utterly enchanting” Edgar and Anthony Award-winning novella, a book lover uncovers a secret world of literary wonders (Irish Times). A voracious reader, Mr. Berger leads a solitary but satisfying life. Preferring the company of books to that of people, he’s looking forward to an early retirement in the English countryside, where he can spend his remaining years nestled comfortably

between the pages of classic literature. But his serene life is disrupted when he witnesses a woman with a distinctive red traveling bag fling herself before a train. If Mr. Berger isn't mistaken, he's just seen the climax of Anna Karenina reenacted on the Exeter-to-Plymouth railway. Though there is no body on the tracks, and the destiny of the tragic victim was written nearly a century before, Mr.

Berger still longs to rescue her. The investigation leads him to the Caxton Private Lending Library & Book Depository, where the living breathing characters of literary invention are under the guardianship of a curious caretaker—and where, for Mr. Berger, the line between fiction and reality will blur beyond comprehension.
