*What Makes Love Last?*  
Leadstart Publishing  
PvtLtd  
How to Make Love Like a  
Porn Star, the mega-  
bestselling memoir,  
triumphant survival story,  
and cautionary tale that  
spent over six weeks on  
the New York Times  
bestseller list and

rocketed adult film icon  
Jenna Jameson into the  
mainstream spotlight, is  
now in paperback and  
ebook for the very first  
time. Her unforgettable  
memoir, written with  
master storyteller Neil  
Strauss, is many things at  
once: a shocking sexual  
history; an insider's guide  
to the secret workings of  
the billion-dollar adult-film  
industry; and a gripping  
thriller that probes deep  
into Jameson's dark past.

With never-before-seen  
photographs from Jenna's  
private collection,  
exclusive photos taken for  
this book, and original  
cartoon strips, this  
memoir is an unparalleled  
exploration of sexual  
freedom. In the  
underbelly of Las Vegas, a  
cesspool of warring biker  
gangs and seedy strip  
clubs, gawky, brace-faced  
Jenna Massoli was  
transformed into the  
bombshell Jenna Jameson.

Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn

world's biggest crossover success story.

 Uses interviews with

couples, physicians, and psychologists to provide a fresh view of relationships, romance, sex, and love  
**Relationships For Dummies** Simon and Schuster  
 What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot

points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley Madison. Is it a sequel to my autobiography If Chins

Could Kill: Confessions of a B Movie Actor? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, Let's Make Love! My Homeric attempt to break through the glass ceiling of B-grade genre fair is

hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics - all of which have been upgraded to vibrant color since the

first publication. I hope you enjoy the book – and if you learn anything at all about making love, please share it with me! Regards, Bruce "Go Ahead and Call Me Ash" Campbell  
[The Sexual Revolution: An Unfettered History](#) D & M Publishers

We all want to know how to make love work for us, yet satisfying love is elusive. We often get the same frustrating results in our relationships that we find when we don't read the instructions before installing a computer or using a new appliance.

**HOW TO MAKE LOVE WORK** is the must-read owner's manual for anyone looking for answers and lasting love! This complete guide to assembly, maintenance, accessories, tech support, and troubleshooting offers practical biblical principles, equipping you with tools for transforming your relationships and challenging you to try new approaches to old problems. So jump in! If you're willing to do the work, you'll find love working for you.

**How to Make Love to**

**the Same Person for the Rest of Your Life... and Still Love It**

Greystone Books  
 Falling in love? That's easy and natural. Staying and being in love? That's a challenge, at times. This is a story of two souls, who face this challenge and encounter it in a magical way. He is creative, narcissistic, and free-spirited. She is ambitious, loving, and selfless. After 5 years of love and marriage, there comes a point when they hit an unexplainable vacuum during a torrid

fight, one fine Saturday night. The fight turns into an argument that seemed larger than it actually is. It reaches a point where they are confused about everything they have always believed about love in the first place. They go to sleep perturbed, but their souls stay awake. In love, and for love, the souls write letters to each other, taking us through a dream-memory-lane of the journey between them. In this one night lit with letters, how far do the souls go? How close

do they get? What happens when the mortal bodies wake up in the morning? "When Souls Make Love" is all about love - a compilation of letters written between the two souls, and a testimony to how his generation experiences love. The story of these two souls takes you on a trip into the realms of relationship, expectations, dreams, memories, lust, and a lot more that remains untold. Welcome to the soul world, where everything is possible.  
**Make Love, Not War**

Ballantine Books  
Let's face it, relationships are hard. If you're like many people, your relationship résumé reads something like a spatter pattern. Confusing experiences lie in your wake, and you can't decipher the learning. Maybe your relationship is littered with messy conflicts or scorched by the ills of the world. Maybe you are lonely--and looking for a partner, or you feel you just aren't any good at relationships--and you want to get better. Using stories from

her own colorful relationship life and from her work with clients from diverse backgrounds around the world, Jan Dworkin, PhD, lays bare her missteps and triumphs both in and out of the bedroom with honesty, humor, and depth. She offers concrete tools to help couples navigate power dynamics and conflicts that arise from differences in gender, class, race, sexual desire, communication styles, dreams and opposing points of view. Through

sassy stories, step-by-step exercises, and hard-earned wisdom, Dworkin guides readers to build their very own "relationship practice." Whether you are embarking on a new relationship, striving to improve an existing one, or recouping after a breakup, prepare yourself to laugh, cry, and gain the education of a lifetime. This is the real world of relationships with no holds barred. [How to Make Love All Night \(and Drive Your Woman Wild\)](#) peter and

This book sizzles with 75 full-color photos, and illustrates and describes sexual techniques, practices, games, and secrets guaranteed to satisfy anyone and everyone. Illustrations. *How to Make Love Last* Robson  
"There were live measurements of reactor temperatures. Three other buildings that hadn't exploded. It was like a movie. Will they catch fire? Blow up? Melt down? Or won't they...?" Readers who enjoyed Youth in

Revolt and Bridget Jones's Diary won't want to miss this tale of a pale-skinned foreigner navigating life in Japan. *How To Make Love to Foreigners* is the diary of Randy Campbell, whose life, after moving to Japan, has taken him places he never expected. Fresh off the plane, he faces the challenges of learning Japanese, navigating the Tokyo train system, and compiling a list of women he's quick to bed, but terrified of committing to. With all this going on around him, Randy has to deal with threats from

yakuza while filming a documentary, the racist comments of a girl who is in love with him, and feelings of helplessness when, on March 11, 2011, an earthquake strikes eastern Japan, unleashing a deadly tsunami that envelops a nearby coastline. With a radioactive wind drifting towards Tokyo from the crippled Fukushima nuclear plant, Randy discovers the terror and absurdities that arise during a devastating catastrophe. Inviting us in on the feelings you go

through when everything—your career, the place you live, perhaps... even your life—seems about to be wiped away forever. From inside the book... “These buildings were important to national security. There were FBI, secret service, and CIA offices in some of these buildings. They needed guarantees that if another bombing took place, no one could just walk in and peruse their files.” “Uh-huh, but if I was the owner, why would I destroy my own buildings?” “These

buildings were a terrorist target. They were the tallest buildings in New York. After the first bombing there were meetings about structural integrity, potential casualties, financial losses. But never in all these discussions did anyone imagine that somebody would try to fly a plane into these buildings. Or if they did, it would be something small, not a commercial airliner. "You have to think about this not from our point of view, but from the perspective of

1994. They really believed that someone was, at some point, going to drive another truck into the basement. Finish what they'd tried to do in '93. This became a real panic after that Timothy McVeigh thing in Oklahoma City." "Oh, yeah, that's right. That was '95." "Yeah. The guy parked a fertilizer truck next to the building, and the whole thing came down. So the consensus at the time was that someone might try to blow up the buildings again. From the street

level. Or the basement. Hell, even the subway was identified as a possible route. What no one wanted to talk about was that if you blew up the building from the basement, the entire structure might topple over. Like a domino. Anything in a thousand foot radius could be destroyed, including the other tower." I took a sip of my drink. "That seems highly unlikely." "I'm sure the engineers who designed Chernobyl said the same thing. Anyway, they came up with a plan

that would prevent the building from toppling over." "A controlled demolition." "Exactly. A completely vertical collapse. So the building wouldn't kill as many people. I mean, nowadays there are residential apartments in that area." I looked at Dewey. I was interested, but unconvinced. How many others bought into the same crazy theories? *How to Raise a Jewish Child* Schocken  
No matter how old or young, experienced or not, anyone can achieve

levels of fulfillment and satisfaction never before thought possible. Sex therapist Dr. Barbara Keesling tells men and women the simple secret that can give couples unmatched pleasure for years. Exercises that can enhance pleasure

Learning how to touch and how to feel Igniting your partner's passion  
And so much more!

**How to Make Love While Conscious** Firefly Books

'How can I possibly make love to the same person for the rest of my life?' For many people, the prospect of sexual commitment for life is a daunting concept. How can you have a committed relationship and a fulfilling sex life - and both with the same person? The good news is that a monogamous

relationship can easily lead to ultimate pleasure and ultimate sex. Commitment doesn't always have to equal boredom, and intimacy doesn't always give way to routine. Masters and Johnson-trained sex therapist Dagmar O'Connor offers expert advice in this practical and entertaining guide to overcoming common relationship problems: - Learn to deal with the common problem of 'I'm not in the mood for sex ... why aren't you?' - Bridge the gap between family

life and sex life. - Free yourself for sexual activity by booking time for sex. - Resist the temptations of infidelity and put the excitement back into your sex life. Take the monotony out of monogamy. *How to Make Love to a Plastic Cup* Harper Collins If you love your partner but feel the physical side of your relationship is not like is used to be...then this is the book for you. It is not a sex manual...it is a book about why you should keep the sex side of your relationship alive.

Often we get so busy with jobs and responsibilities, that sex is last on the list of to do for the day. We get too tired to think about making love. Then days, weeks, months and years go by and your sex life is not a happening thing. No matter how busy you are and how fat your wallet is growing, if you don't spend the time connecting in an intimate way, you not only lose the fresh glow on your skin and spark in your eyes- your physical and emotional health can suffer and you can start

feeling less attractive, less sexy and feel less loved and even wonder if you are still in love. But you can turn those feelings around, just by making love. So if you looking for a book about relationships and how important your sex life is to you, your partner and your love of life then this book has it all . It's all about the benefits of sex and why you should take time to kiss, cuddle, touch and make love. It is all about increasing intimacy in relationships and how to feel closer. It is all

about how to make the relationship you are in last a lifetime. When you make love you argue less. You have more time to love and you wake up to the feeling again of being in love with your partner. Updated latest Edition . First Published as Keep The Sex Dirty and The Fights Clean under Pen names Smith & Jones  
**Make Love Better**  
Harper Collins  
After generations of foreign policy failures, the United States can finally try to make the world safer—not by relying on

utopian goals but by working pragmatically with nondemocracies. Since the end of the Second World War, the United States has sunk hundreds of billions of dollars into foreign economies in the hope that its investments would help remake the world in its own image—or, at the very least, make the world “safe for democracy.” So far, the returns have been disappointing, to say the least. Pushing for fair and free elections in undemocratic countries

has added to the casualty count, rather than taken away from it, and trying to eliminate corruption entirely has precluded the elimination of some of the worst forms of corruption. In the Middle East, for example, post-9/11 interventionist campaigns in Afghanistan and Iraq have proved to be long, costly, and, worst of all, ineffective. Witnessing the failure of the utopian vision of a world full of market-oriented democracies, many observers, both on the right and the left, have

begun to embrace a dystopian vision in which the United States can do nothing and save no one. Accordingly, calls to halt all assistance in undemocratic countries have grown louder. But, as Stephen D. Krasner explains, this cannot be an option: weak and poorly governed states pose a threat to our stability. In the era of nuclear weapons and biological warfare, ignoring troubled countries puts millions of American lives at risk. “The greatest challenge

for the United States now,” Krasner writes, “is to identify a set of policies that lie between the utopian vision that all countries can be like the United States . . . and the dystopian view that nothing can be done.” He prescribes a pragmatic new course of policy. Drawing on decades of research, he makes the case for “good enough governance”—governance that aims for better security, better health, limited economic growth, and some protection of human rights. To this end,

Krasner proposes working with despots to promote growth. In a world where a single terrorist can kill thousands or even hundreds of thousands of people, the United States does not have the luxury of idealistically ignoring the rest of the world. But it cannot remake the world in its own image either. Instead, it must learn how to make love to despots.

ASK ANY MAN. If you can get him to admit it, he'll

probably tell you that he would like to be made love to almost as much as being a good lover. In the past, it is the man who has been responsible for not only the lovemaking, but the romance: candlelight, flowers, music, and tenderness. HOW TO MAKE LOVE TO A MAN, a classic best-seller, is the first book to focus on men's sexual and emotional needs, and to talk to today's woman who would like to be an active partner but doesn't quite know how. More than a manual for having

sex (though it is that too), this is a guide to the art of making love. The author, after interviewing doctors, sex therapists, women, and most important, more than 200 men, has been able to understand men's deepest emotional needs. The author discusses what men find sexy in a woman; how to show a man that you are interested, how to get a man to share his emotional and sexual needs, how to enhance sex through a massage, touching, and improved timing, and much more.

Whether married or single, the reader will gain new insight on making "whole" love—developing the attitude and the understanding that make the love act complete and meaningful. From the Hardcover edition.

*How To Make Love To A Black Woman* Simon and Schuster

"A Guy's Guide to the World of Infertility," How to Make Love to a Plastic Cup is a light-hearted, laugh-out-loud funny, yet at the same time helpful and informative handbook to all things infertility-

related written with the male wannabe babymaker in mind. Greg Wolf, who has "been there," delivers the goods in a humorous, direct way that every potential dad will love...and every hopeful mom will want to purchase for the often clueless man in her life. *Secrets for Making Love Work Independently* Published

A groundbreaking look at improving desire, arousal, and sexual satisfaction through mindfulness. Studies show that approximately half of all

women experience some kind of sexual difficulty at one point in their lives, with lack of interest in sex being by far the most common--and the most distressing. And when sex suffers, so do all other areas of life. But it doesn't have to be that way. In *Better Sex through Mindfulness*, acclaimed psychologist and sex researcher Lori A. Brotto, offers a groundbreaking approach to improving desire, arousal, and satisfaction inside--and outside of--the bedroom. A pioneer in the use of

mindfulness for treating sexual difficulties, Brotto has helped hundreds of women cultivate more exciting, fulfilling sexual experiences. In this accessible, relatable book, she explores the various reasons for sexual problems, such as stress and incessant multitasking, and tells the stories of many of the women she has treated over the years. She also provides easy, effective exercises that readers can do on their own to increase desire and sexual enjoyment,

whether their goal is to overcome a sexual difficulty or simply give their love life a boost. Make Love the Bruce Campbell Way How to Make Love to a Man Remember the excitement of meeting someone new You seem to easily talk for hours about anything that comes to mind, and get butterflies just thinking about them. Months go by, and you love everything about this person, you buy each other gifts for no reason and both really make an

effort. Then suddenly, that honeymoon period ends. What happened? Is there an EASY way to get that MAGIC back? The Choices That Make Love Last, by Sarah Hart goes into the complex issue of how to make love work, in an easy to understand way. It dives into important aspects of any solid relationship, including practicing open communication, mindfulness and sex tips, and includes stories from couples that have gone the distance on what makes their relationship

work, as well as actionable steps you can take in your relationship to keep the flame burning brighter than ever! By going into both the small and the more significant choices we can make throughout our daily lives regarding ourselves, our partners and our relationships, we can enjoy closer bonds again and get through what life throws our way. Ultimately, when it comes to creating solid relationships that work for the long-term, it's all about those little choices

that help fortify the relationship and make the big decisions easier. Do you want your partner to look at you with an insatiable desire every day? Do you want to learn the skills to set up your next relationship so that the honeymoon period doesn't have to end? Or do you want to reignite your marriage and get back the person who you fell in love with? Discover how to create that love and excitement again and make it last - scroll up, click the buy button and start reading now!
