 Obtaining BS 8001 and where to go from here: BS 8001 is designed to cater to organizations with differing levels of understanding of the circular economy - from those starting out to Executive Briefing: BS 8001 - a Guide - BSI Group Executive Briefing: BS 8001 - a Guide. 31 May 2017. The world's first standard for implementing the principles of the circular economy in

organizations. Circular economy thinking has gained increased international attention in recent years. In response to market need, BSI has now published BS 8001:2017, the first standard to help improve understanding and implementation of the circular economy at an organizational level. Executive Briefing: BS 8001 - a Guide - edie.net BS 8001 - A new standard is available. Our current economic model is dominated by a linear approach to consumption and production, where materials are grown or extracted, then made into goods which are used and then disposed of. Whilst the circular economy - where resources are recovered at their highest quality and kept in circulation for as long as possible - is not a new concept, it has become increasingly popular in recent years as more businesses seek an alternative to our current ...BS 8001 Circular Economy | BSI Executive Briefing Bs 8001 A We have created a free to download Executive Briefing on BS 8001 Framework for implementing the principles of the circular economy in organizations - Guide.
