A Tor.Com Original from the World of Monument 14 Oceanview Publishing
 Step into a London ravaged by unearthly creatures at once utterly alien and chillingly familiar. In China Miéville's award-winning novella 'The Tain', we learn the reason for the invaders' terrible revenge. One survivor must trek through the ruins of the city with a desperate plan to stand against their assault. In addition to 'The Tain', this superb collection contains thirteen short stories, of visionary cityscapes and urban paranoia, ghosts, monsters and impossible diseases. Several of the stories are published here for the first time: these include one set in New Crobuzon, the location of the award-winning series of novels that began with Perdido Street Station; and one in comic-strip form, illustrated by top graphic artist Liam Sharp. Looking for Jake and Other Stories displays the sheer imaginative scope of China Miéville's work.

Nick and Jake Skyhorse Publishing Inc.

What if there was a place where everything wrong in your life could be fixed? Corporate trainer Jake Palmer coaches people to see deeper into themselves—yet he barely knows himself anymore. Recently divorced and weary of the business life, Jake reluctantly agrees to a lake-house vacation with friends, hoping to escape for ten days. When he arrives, Jake hears the legend of Willow Lake—about a lost corridor that leads to a place where one's deepest longings will be fulfilled. Jake scoffs at the idea, but can't shake a sliver of hope that the corridor is real. And when he meets a man who mutters cryptic speculations about the corridor, Jake is determined to find the path, find himself, and fix his crumbling life. But the journey will become more treacherous with each step Jake takes.

The Hill to Die on Little, Brown Books for Young Readers
 From the New York Times Bestselling author of Stepbrother Dearest, comes a new sexy STANDALONE novel. Nina Kennedy was alive...but not living...until she met him. Planes, trains, heights...you name it, Nina was afraid of it and led a sheltered life ruled by irrational fears and phobias. When she moves to Brooklyn for nursing school, that life is turned upside down, as she develops an intense but unwanted attraction to her gorgeous roommate, who's pierced, tattooed and just happens to be the smartest person she's ever met. Behind Jake Green's rough exterior and devilish smile, lies a heart of gold. He makes it his mission to change Nina's outlook on life. When he agrees to tutor her, they forge a bet and the stakes are high as Jake forces Nina to face her demons. He just wasn't expecting to fall hard for her in the process. What Nina doesn't realize, is that Jake has been living his own private hell. Once he drops a bombshell, will their

love survive it? A STANDALONE novel. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Arial; color: #323333; -webkit-text-stroke: #323333} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Arial; color: #323333; -webkit-text-stroke: #323333; min-height: 16.0px} span.s1 {font-kerning: none}

Looking for Jake and Other Stories Farrar, Straus and Giroux
 A chemistry student falls for his teacher and uncovers a centuries-old quest for the elixir of life The morning after the death of his first love, Conrad Aybinder receives a bequest. Sammy Tampari was Conrad's lover. He was his teacher. And, it turns out, he was not just a chemist, but an alchemist, searching for a mythic elixir of life. Sammy's death was sudden, yet he somehow managed to leave twenty years' worth of his notebooks and a storage locker full of expensive, sometimes baffling equipment in the hands of his star student. The notebooks contain cryptic "recipes," but no instructions; they tell his life story, but only hint at what might have caused his death. And Sammy's research is littered with his favorite teaching question: What's missing? As Conrad pieces together the solution, he finds he is not the only one to suspect that Sammy succeeded in his quest. And if he wants to save his father from a mysterious illness, Conrad will have to make some very difficult choices. A globe-trotting, century-spanning adventure story, Jake Wolff's *The History of Living Forever* takes us from Maine to Romania to Easter Island and introduces a cast of unforgettable characters—drug kingpins, Big Pharma flunkies, centenarians, boy geniuses, and even a group of immortalists masquerading as coin collectors. It takes us deep into the mysteries of life—from first love to first heartbreak, from the long pall of grief to the irreconcilable loneliness of depression to the possibility of medical miracles, from coming of age to coming out. Hilarious, haunting, heart-busting, life-affirming, it asks each of us one of life's essential questions: How far would you go for someone you love?

Jake Me (Jaked, Book 2) Penelope Ward Books, Inc.
 Descend to the depths of primal horror with this chilling collection of original stories drawn from H. P. Lovecraft's shocking, terrifying, and eerily prescient Cthulhu Mythos. In twenty-one dark visions, a host of outstanding contemporary writers tap into our innermost fears, with tales set in a misbegotten new world that could have been spawned only by the master of the macabre himself, H. P. Lovecraft. Inside you'll find: "Details" by China Miéville: A curious boy discovers that within the splinters of cracked wood or the tangle of tree branches, the devil is in the details. "Visitation" by James Robert Smith: When Edgar Allan Poe arrives, a callow man finally gets what he always wanted—and what he may eternally despise. "Meet Me on the Other Side" by Yvonne Navarro: A couple in love with terror travels beyond their wildest dreams—and into their nightmares. "A Fatal Exception Has Occurred At . . ." by Alan Dean Foster: Internet terrorism

extends far beyond transmitting threats of evil. AND SEVENTEEN MORE HARROWING TALES "The Invisible Empire" by James Van Pelt "A Victorian Pot Dresser" by L. H. Maynard and M. P. N. Sims "The Cabin in the Woods" by Richard Laymon "The Stuff of the Stars, Leaking" by Tim Lebbon "Sour Places" by Mark Chadbourn "That's the Story of My Life" by John Pelan and Benjamin Adams "Long Meg and Her Daughters" by Paul Finch "Dark of the Moon" by James S. Dorr "Red Clay" by Michael Reaves "Principles and Parameters" by Meredith L. Patterson "Are You Loathsome Tonight?" by Poppy Z. Brite "The Serenade of Starlight" by W. H. Pugmire, Esq.  "Miéville moves effortlessly into the first division of those who use the tools and weapons of the fantastic to define and create the fiction of the coming century."—Neil Gaiman What William Gibson did for science fiction, China Miéville has done for fantasy, shattering old paradigms with fiercely imaginative works of startling, often shocking, intensity. Now from this brilliant young writer comes a groundbreaking collection of stories, many of them previously unavailable in the United States, including four never-before-published tales—one set in Miéville's signature fantasy world of New Crobuzon. Among the fourteen superb fictions are: "Jack"—Following the events of his acclaimed novel *Perdido Street Station*, this tale of twisted attachment and horrific revenge traces the rise and fall of the Remade Robin Hood known as Jack Half-a-Prayer. "Familiar"—Spurned by its creator, a sorceress's familiar embarks on a strange and unsettling odyssey of self-discovery in a coming-of-age story like no other. "Reports of Certain Events in London"—In which a writer named China Miéville receives a package containing clues to a vast and ongoing—yet utterly secret—war . . . a war about to turn a most unexpected corner. "The Tain"—In this major story, winner of the Locus Award for Best Novella, a postapocalyptic London is overrun by vampires and monsters, alien yet weirdly familiar—and one man holds the future of humanity in his hands. Plus ten other tales—including "On the Way to the Front," a graphic short story illustrated by Eisner Award-nominated Liam Sharp BONUS: This edition contains an excerpt from China Miéville's *Embassytown*.

The City & The City Harper Collins
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE LOS ANGELES TIMES, THE SEATTLE TIMES, AND PUBLISHERS WEEKLY. When a murdered woman is found in the city of Beszel, somewhere at the edge of Europe, it looks to be a routine case for Inspector Tyador Borlú of the Extreme Crime Squad. To investigate, Borlú must travel from the decaying Beszel to its

equal, rival, and intimate neighbor, the vibrant city of Ul Qoma. But this is a border crossing like no other, a journey as psychic as it is physical, a seeing of the unseen. With Ul Qoman detective Qussim Dhatt, Borlú is enmeshed in a sordid underworld of nationalists intent on destroying their neighboring city, and unificationists who dream of dissolving the two into one. As the detectives uncover the dead woman's secrets, they begin to suspect a truth that could cost them more than their lives. What stands against them are murderous powers in Beszel and in Ul Qoma: and, most terrifying of all, that which lies between these two cities. **BONUS:** This edition contains a The City & The City discussion guide and excerpts from China Miéville's *Kraken* and *Embassytown*.

Serial killer's message to PI Jake Longly: Two of those seven murders I confessed to are not mine—but I won't tell you which two Jake Longly and Nicole Jamison are confronted with the most bizarre case yet. Serial killer Billy Wayne Baker now denies that two of his seven murders were actually his work. An anonymous benefactor, who believes Billy Wayne's denials, has hired Longly Investigations to prove Billy Wayne right. Billy Wayne had confessed to all seven. Not only did the confessed serial killer have the motive, means, and opportunity for murder, but his DNA was found at each crime scene. Bizarre doesn't quite cover it. Jake and Nicole travel to the small Gulf Coast town of Pine Key, Florida, where three of the murders occurred. The local police, FBI, state prosecutor, and crime lab each did their jobs, uncovered overwhelming evidence of Billy Wayne's guilt—and even extracted a full confession. Is Billy Wayne simply trying to tweak the system to garner another fifteen minutes of fame? It's likely all a game to him, but, if he's being truthful—someone out there is getting away with multiple murders. How? Why? And most importantly, who? Dark clouds loom in the Sunshine State. Perfect for fans of Carl Hiaasen and Janet Evanovich While all of the novels in the Jake Longly Thriller Series stand on their own and can be read in any order, the publication sequence is: *Deep Six* A-List Sunshine State Rigged The OC (coming October 2021)

Loving Jake Penguin Random House New Zealand Limited

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (Entertainment Weekly) of this edgy, haunting debut. Tense, gripping, and atmospheric, I'm Thinking of Ending Things pulls you in from the very first page...and never lets you go.

Jake Forever (Jaked, Book 3) Looking for Jake and Other Stories

Jake and Lily Harper Collins

NEW YORK TIMES BESTSELLER * The inside story of Donald Trump's first two years in Washington as viewed from Capitol Hill, a startling account that turns "Congress into a Game of Thrones book" (Trevor Noah, *The Daily Show*). Taking readers into secret strategy calls and closed-door meetings from the House to the White House, Politico Playbook writers Jake Sherman and Anna Palmer trace the gamesmanship and the impulsiveness, the dealmaking and the backstabbing, in a blow-by-blow account of the power struggle that roiled Congress. Moving from the fights for advantage between Donald Trump, Nancy Pelosi, and Chuck Schumer; to Mitch McConnell's merciless, Machiavellian handling of the sexual assault accusations against Supreme Court nominee Brett Kavanaugh; to Paul Ryan's desperate, failed attempts to keep Mark Meadows from pushing Trump into a government shutdown over immigration, *The Hill to Die On* bristles with fresh news and tells the story of what really happened in some of the most defining moments our era. Like *The West Wing* for Congress, or *Shattered* meets *This Town*, *The Hill to Die On* tells an unforgettable story of politics and power, where the stakes going forward are nothing less than the future of America and the lives of millions of ordinary Americans. Praise for *The Hill to Die On* "[Sherman and Palmer] go deep inside the halls of Congress to document the deal making, backstabbing, power struggles and political knife fights that have roiled the nation's capital during President Donald Trump's first two years in office. . . . Anything but boring."--USA Today, "5 Books Not to Miss" "[The Hill to Die On] painstakingly chronicles the return to divided government and the restoration of an institutional check on a mercurial chief executive. . . . The book depicts a foul-mouthed president in love with his own reflection, a House GOP encased in the amber of self-delusion, and Nancy Pelosi's unblinking focus on twin prizes: recapturing the House and returning to the speaker's chair."--The Guardian "If you are one of the many Americans who hates Congress, this book is for you. In the Washington depicted in Jake Sherman and Anna Palmer's new book, there are no heroes--only winners and losers. . . . With these lawmakers, Sherman and Palmer get inside their heads and capture what they're thinking in real time."--The Washington Post

The Battle for Congress and the Future of Trump's America Del Rey

When a retired United States Senator's passion for deep-sea treasure hunting off the coast of Palm Beach leads to murder, Jake Sullivan, Chief Prosecutor for the Justice Department in Miami, thinks he has an open and shut case: the DNA of the man pulled out of the warm waters near the ill-fated yacht, matches blood found on the deck. But life is never so simple for Jake. In a rush of political maneuvering, Jake's suspect is whisked away by the State Department under a claim of diplomatic immunity. The mystery man is no simple treasure thief; he is a covert operator for the Mossad, Israel's elite intelligence agency. But, Jake and his investigator, Mike Lang, are no less committed to solving the murders of Senator Daniel Simmons and his wife. Their instincts are piqued when information leads them to the writings of an ancient Hebrew mystic and the lore behind an iconic relic of Medieval Spain lost in 1715 when a hurricane wrecked a Spanish treasure fleet off the Florida coast. But those findings are less bizarre than their uncovering of an Israeli army faction intent on realizing a dream of a "Greater Israel." Discovering the identity of the mysterious leader of "The Group of 40" becomes more than a quest to solve a murder investigation. Jake and Mike hope to prevent South Florida from becoming a war zone, and the fuse that could light the powder keg that is the Middle East.

A Novel Knopf Books for Young Readers

Beloved Newbery Medalist Jerry Spinelli, author of *Maniac Magee* and *Winger*, addresses issues of identity, belonging, family, and bullying in this humorous and heartfelt novel about twins. Jake and Lily are twins. Despite their slightly different interests and temperaments, they feel exactly the same—like two halves of one person. But the year they turn eleven, everything changes. Their parents announce it's time for separate bedrooms. Jake starts hanging out with a pack of boys on the block. And Lily is devastated, not to mention angry. Who is she without Jake? And as her brother falls under the influence of the neighborhood bully, he also must ask himself—who is the real Jake? This is an often funny, poignant, and profound story of growing up, growing apart, and the difficult process of figuring out who you really are.

WARNING: This is not the actual book *Looking for Alaska* by John Green. Do not buy this reading Sidekick if you are looking for a full copy of this great book. Use this expert sidekick to dissect these themes in *Looking for Alaska*, while enjoying a detailed analysis of each chapter of the book. If that wasn't enough, we close with potential questions and responses to help you get the conversation started with co-workers, friends, or fellow book club members. This newly discovered gem from the past (2005) has become a must-read, thanks in no small part to the success of Green's 2012 masterpiece: *The Fault in Our Stars*. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. *Looking for Alaska* tells the story of Miles Halter, a 16-year-old with a nondescript life who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation. His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of *Looking for Alaska*, where everything comes crashing down. As our sidekick details, the themes of life and death weave their way through the novel, drawing the characters closer together while preparing them for something that will rip them apart.

"I devoured Finding Jake. The tension is almost unbearable in this thriller-cum-character study as layer after layer of a father's soul are revealed as reflected in the character of his missing son. Utterly engrossing."—Alice LaPlante, New York Times bestselling author of *Circle of Wives* and *Turn of Mind* Simon Connolly's successful wife has gone to her law office each day, while he has stayed home to raise their children—Jake and Laney. He has tried to do the best for the kids. For sunny, outgoing Laney, it's been easy. But Jake is different. He has always been on the quiet side, preferring the company of his small group of friends to popularity and organized sports. Now that his children are in high school, Simon should be able to relax, to worry less. He's never given that chance. On a warm November day, he receives a text: There has been a shooting at the high school. Racing to the rendezvous point, Simon is forced to wait with scores of other anxious parents as one by one, they are reunited with their children. Their numbers dwindle, eventually leaving Simon alone. That is when he learns that Jake is the only child missing. As his worst nightmare unfolds, Simon's thoughts race. Where is Jake? What happened in those final moments? Jake could not have done this—or could he? Did Simon miss the signs? As rumors begin to ricochet, amplified by an invasive media and the fear swallowing their community, Simon must find answers. But there is only one way to understand what has happened . . . he must find Jake. "Harrowing." —New York Times Book Review
