### The Solomon Islands and Their Natives

Penguin

Kurt Austin and the NUMA Special Assignments Team search for an ancient Middle Eastern relic with secret ties to an American founding father in the #1 bestselling New York Times-bestselling series. Years ago, an invaluable Phoenician statue known as the Navigator was stolen from the Baghdad museum, and there are men who would do anything to get their hands on it. Their first victim is a crooked antiquities dealer, murdered in cold blood. Their second target a UN investigator, only survives thanks to the timely assistance of Kurt Austin and Joe Zavala. What's so special about this statue? Austin wonders. The search for answers will take the NUMA team on an astonishing odyssey through time and space, one that encompasses no less than the lost treasures of King Solomon, a mysterious packet of documents personally encoded by Thomas Jefferson, and a top-secret scientific project that could change the world forever. And that's before the surprises really begin. . . . Rich with all the hair-raising action and endless invention that have become Cussler's hallmarks, *The Navigator* is the best yet from "Clive the Incredible".

### **The Adventures of Hotsy Totsy**

Sphere

An enzyme that will dramatically prolong life has been discovered 2000 feet down in the North Atlantic, in an area known as 'Lost City'. But why are the people attempting to harvest it getting killed?

*At the Bench* Penguin

"Absorbing....Soc is an appealing, witty protagonist..and the Cape Cod locale is

rendered with panache in this face-paced enjoyable yarn." Publisher's Weekly Life's a Beach-Until Murder Rolls in With the Tide A 50-million-dollar salvage operation. An expert diver dead at the bottom of the sea. An elegant mermaid in a black Porsche-and an open invitation to dip into the troubled waters of her marriage. Cape Cod's Aristotle "Soc" Socarides, part-time fisherman, part-time private eye, is swimming with the sharks. Only problem is, he's the bait...and blood is beginning to boil to the surface. Soc didn't think he could get in much deeper, but he'd better think again. A family debt of honor comes due-a debt only he can settle-plunging him into the middle of a lethal search for buried treasure. Now Soc's about to discover how deadly the Cape's currents can be. Snarled in a net of smuggling, treachery, and revenge, he's finding out that no matter how far down you go, nothing's harder to salvage than the truth. "Absolutely the best private-eye mystery I've read. I can't wait for the next one." Bestselling Author, Clive Cussler

The 1950 discovery of four bodies inside a sunken steam locomotive in a Montana lake gives way to the story of a murderous 1906 bank robber whose ruthlessness challenged Isaac Bell, a talented detective whose struggle to identify and capture the killer had been complicated by the great San Francisco earthquake. 750,000 first printing.

### Sea of Greed Turtleback Books

Everywhere, waters are rising--and that is just the beginning of the world's peril, unless the NUMA crew can beat the clock in this thrilling novel from the #1 New York Times-bestselling grand master of adventure. An alarming rise in the world's sea levels--much larger than

could be accounted for by glacier melt--sends Kurt Austin, Joe Zavala, and the rest of the NUMA scientific team rocketing around the globe in search of answers. What they find at the bottom of the East China Sea, however, is even worse than they imagined: a diabolical plan to upset the Pacific balance of power--and in the process displace as many as a billion people. A rare alloy unlike anything else on earth, a pair of five-hundred-year-old Japanese talismans, an assassin so violent even the Yakuza has disowned him, an audacious technological breakthrough that will become a very personal nightmare for Kurt Austin--from the shark-filled waters of Asia to the high-tech streets of Tokyo to a forbidden secret island, the NUMA team must risk everything to head off the coming catastrophe.

#### The Storm Penguin

Hailed as a hero for the new millennium, NUMA leader Kurt Austin must protect the seas' delicate ecosystem from a fish-farming organization with big plans for their genetically-modified product in this #1 New York Times-bestselling adventure series. A confrontation between a radical environmentalist group and a Danish cruiser leave many survivors trapped inside a sunken ship. But when the head of NUMA Special Assignments, Kurt Austin, and his colleague, Joe Zavala, are enlisted to run the rescue operation, they uncover a far more sinister agenda on the part of the supposed environmental group. Their agency, Sentinels of the Sea, is connected to a shadowy multinational corporation with plans for controlling the world's oceans. And somebody within the company is willing to kill anyone who gets in the way. When Austin narrowly escapes an explosion on his own boat,

he becomes certain he's the next target. This can only mean he's onto something big. In fact, he's in the midst of an environmental disaster that has already begun, and only he and NUMA® stand in the way....

In the midst of an international crisis, Heidi Milligan, a beautiful, brilliant American naval commander, accidentally discovers an obscure reference to the long-buried North American Treaty, a precedent-shattering secret pact between the United States and Great Britain. The President believes that the treaty offers the single shot at salvation for an energy-starved, economically devastated nation, but the only two copies plummeted into the watery depths of the Atlantic in twin disasters long ago. The original document must be found—and the one American who can do the job is Dirk Pitt. But in London, a daring counterplot is being orchestrated to see that the treaty is never implemented. Brian Shaw, a master spy who has often worked hand in hand with American agents, now confronts his most challenging command. Pitt's mission: Raise the North American Treaty. Shaw's mission: Stop Pitt. Praise for Night Probe! and the Dirk Pitt® novels "A rich tale . . . an absorbing, carefully told mystery with plenty of surprises."—Los Angeles Times "Dirk Pitt is a combination James Bond and Jacques Cousteau."—New York Daily News

#### **The Rising Sea** Penguin

Clive Cussler continues his thrilling NUMA Files with *The Navigator*. Iraq, 2003: in the post-war looting of the treasures from Baghdad's antiquities museum, a legendary Phoenician statue is stolen . . . Known as the Navigator, the

statue points back to the days of King Solomon and is the vital clue to a secret of unimaginable power. Lucky then that UN investigator Carina Mechadi recovers it quickly. But a daring raid by helicopter in Iceberg Alley off Newfoundland and the statue is gone again - while Carina is only saved by the timely intervention of Kurt Austin of NUMA. Now Austin and Carina are scouring the globe. Firstly, to track down the statue as it leaves a trail of murder and mayhem in its wake. And, secondly, to beat the thieves to the secret of the Navigator - for if it falls into the wrong hands, the world could be changed for ever. Clive Cussler, author of the best-selling Dirk Pitt novels Arctic Drift and Trojan Odyssey, and co-author Paul Kemprecos place their hero, Kurt Austin, in a globe-trotting race against time in *The Navigator*, the seventh novel of the action-packed NUMA Files series. *Lost City* and *Polar Shift* are the fifth and sixth. Praise for Clive Cussler: 'Cussler is hard to beat' Daily Mail

Husband-and-wife team Sam and Remi Fargo come up against an old enemy while searching for a treasure that has been lost for centuries in this exciting adventure in the bestselling series by the Clive Cussler, Grand Master of Adventure. Ten years ago, a chance meeting at the Lighthouse Café in Redondo Beach led Sam Fargo and Remi Longstreet on the adventure of a lifetime, hunting the legendary riches stolen from the Persian King Croesus in

546 B.C. But they weren't the only ones. Someone else is after the gold, and he's willing to kill anyone who gets in his way. When Sam and Remi run afoul of a criminal drug-running operation, their hopes of finding the treasure are dashed. But with Sam's ingenuity and Remi's determination, they survive their confrontation with the drug runners, and manage to send one of the key players to prison. Though the cache of gold is never found, life goes on. Sam and Remi marry--and years later return to Greece to find the one treasure that got away. Time becomes their enemy when the kingpin they helped send to prison over a decade ago is released--and he has two goals in mind. Find the legendary hoard of King Croesus, and kill Sam and Remi Fargo. The Fargos know that as long as this gold is out there, no one is safe. They return to Greece for a final showdown--and one last chance to find that elusive treasure.

[Lost Empire](#) Penguin UK

It is called zero point energy, and it really exists - a state of energy contained in all matter everywhere, and thus all but unlimited. Nobody has ever found a way to tap into it, however - until one scientist discovers a way. Or at least he thinks he has. The problem is, his machines also cause great earthquakes, even fissures in tectonic plates. One machine is buried deep underground; the other is submerged in a vast ocean trench. If Kurt Austin and Joe Zavala and the rest of the NUMA team aren't able to find and destroy them, and soon, the world will be on the threshold of a new era of earth tremors and unchecked volcanism.

A deadly, unstoppable force has just been unleashed on the world . . . In the middle of the Indian Ocean, a NUMA research vessel is taking water samples at sunset, when a crew member spots a sheen of black oil ahead of them. But it is not oil. Like a horde of army ants, a swarm of black particles suddenly attacks the ship, killing everyone aboard, while the ship itself goes up in flames. A few hours later, Kurt Austin and Joe Zavala are on their way to the Indian Ocean. What they will find there on the smouldering hulk of the ship will eventually lead them to the discovery of the most audacious scheme they have ever known: a plan to permanently alter the weather on a global scale. It will kill millions . . . and it has already begun. Packed with blazing action and daring exploits, *The Storm* is a nerve-shredding Kurt Austin NUMA Files thriller from top ten bestseller Clive Cussler, the master of action-adventure for over four decades, and co-author Graham Brown.
