EVERYONE IS TALKING
ABOUT Who are you?
What have we done to
each other? These are the
questions Nick Dunne
finds himself asking on
the morning of his fifth

wedding anniversary
when his wife Amy
suddenly disappears. The
police suspect Nick. Amy's
friends reveal that she
was afraid of him, that
she kept secrets from
him. He swears it isn't
true. A police examination

of his computer shows strange searches. He says they weren't made by him. And then there are the persistent calls on his mobile phone. So what really did happen to Nick's beautiful wife? SHARP OBJECTS - When two girls are abducted and killed in Missouri, journalist Camille Preaker is sent back to her home town to report on the crimes. Long-haunted by a childhood tragedy and estranged from her mother for years, Camille suddenly finds herself installed once again in her

family's mansion, reacquainting herself with her distant mother and the half-sister she barely knows. As Camille works to uncover the truth about these violent crimes, she finds herself identifying with the young victims - a bit too strongly. Clues keep leading to dead ends, forcing Camille to unravel the psychological puzzle of her own past to get at the story. Dogged by her own demons, Camille will have to confront what happened to her years before if she wants to survive this

homecoming DARK PLACES - Libby Day was just seven years old when her older brother massacred her family while she hid in a cupboard. Her evidence helped put him away. Ever since then she has been drifting, surviving for over 20 years on the proceeds of the 'Libby Day fund'. But now the money is running out and Libby is desperate. When she is offered \$500 to do a guest appearance, she feels she has to accept. But this is no ordinary gathering. The Kill Club is

a group of true-crime obsessives who share information on notorious murders, and they think her brother Ben is innocent. Was Ben capable of murder? Libby must delve into her family's past to uncover the truth - no matter how painful...

Raymond Carver meets

Elmore Leonard in this extraordinary collection of contemporary crime writing set in the critically acclaimed Gangsterland universe, a series called "gloriously original" by The New York Times Book Review. With gimlet-eyed cool and razor-sharp wit, these spare, stylish stories from a master of modern crime fiction assemble a world of gangsters and con men, of do-gooders breaking bad and those caught in the crossfire. The uncle of an FBI agent spends his life as sheriff in different

cities, living too close to the violent acts of men; a cocktail waitress moves through several desert towns trying to escape the unexplainable loss of an adopted daughter; a drug dealer with a penchant for karaoke meets a talkative lawyer and a silent clown in a Palm Springs bar. Witty, brutal, and fast-paced, these stories expand upon the saga of Chicago hitman-turned-Vegas-rabbi Sal Cupertine--first introduced in Gangsterland and continued in Gangster

Nation--while revealing how the line between good and bad is often a mirage.

A "brilliant and terrifically fun"* debut novel brings an enchanting new voice to fantasy. Onna can write the parameters of a spell faster than any of the young men in her village school. But despite her incredible abilities, she's denied a place at the nation's premier arcane

academy. Undaunted, she sails to the bustling city-state of Hexos, hoping to find a place at a university where they don't think there's anything untoward about providing a woman with a magical education. But as soon as Onna arrives, she's drawn into the mysterious murder of four trolls. Tsira is a troll who never quite fit into her clan, despite being the leader's daughter. She decides to strike out on her own and look for work in a human city, but on her way she stumbles upon the body of a half-

dead human soldier in the snow. As she slowly nurses him back to health, an unlikely bond forms between them, one that is tested when an unknown mage makes an attempt on Tsira's life. Soon, unbeknownst to each other, Onna and Tsira both begin devoting their considerable talents to finding out who is targeting trolls, before their homeland is torn apart... *Kat Howard, Alex Award-winning author of An Unkindness of Magicians and Wickedly Good Meals and

Desserts to Die For Simon and Schuster "[Russo's] first novel in ten years hits the ball out of the park. . . . You'll lap up this gripping, wise, and wonderful summer treat." —The Boston Globe "A cascade of charm. . . . Russo is an undeniably endearing writer, and chances are this story will draw you back to the most consequential moments in your own life."—The Washington Post One beautiful September day, three men in their late sixties convene on Martha's

Vineyard, friends ever since meeting in college in the sixties. They couldn't have been more different then, or even today—Lincoln's a commercial real estate broker, Teddy a tiny-press publisher, and Mickey is a musician beyond his rockin' age. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since a Memorial Day weekend right here on the Vineyard in 1971. Now, forty-five years later,

three lives and that of a significant other are put on display while the distant past confounds the present in a relentless squall of surprise and discovery. Shot through with Russo's trademark comedy and humanity, *Chances Are* . . . introduces a new level of suspense and menace that will quicken the reader's heartbeat throughout this absorbing saga.

Since the 1970s, FantasticLand has been the theme park where "Fun is Guaranteed!" But when a hurricane ravages the Florida coast and isolates the park, the employees find it anything but fun. Five weeks later, the authorities who rescue the survivors encounter a scene of horror. Photos soon emerge online of

heads on spikes outside of rides and viscera and human bones littering the gift shops, breaking records for hits, views, likes, clicks, and shares. How could a group of survivors, mostly teenagers, commit such terrible acts? Presented as a fact-finding investigation and a series of first-person interviews, *FantasticLand* pieces together the grisly series of events. Park policy was that the mostly college-aged employees surrender their electronic devices to preserve the

authenticity of the FantasticLand experience. Cut off from the world and left on their own, the teenagers soon form rival tribes who viciously compete for food, medicine, social dominance, and even human flesh. This new social network divides the ravaged dreamland into territories ruled by the Pirates, the ShopGirls, the Freaks, and the Mole People. If meticulously curated online personas can replace private identities, what takes over when those constructs are

lost? FantasticLand is a modern take on Lord of the Flies meets Battle Royale that probes the consequences of a social civilization built online. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including

Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

A serial killer terrorizing the women of Sacramento meets his match in this pulse-pounding novel from New York Times bestselling author Karen Rose. There is a serial killer on the loose, preying on vulnerable women. The only identifiable mark the killer leaves are letters—sometimes one, sometimes two—all carved into the torsos of his victims. Together they spell “Sydney.” When he grabs Daisy Dawson, he believes he has found his next victim. But despite

her small stature, she fights back with an expertise that quickly frees her. Before fleeing the scene, Daisy also manages to grab what proves to be crucial evidence: a necklace from around the killer’s neck. The necklace is more than a trivial item—it is a link to a cold case that Special Agent Gideon Reynolds has been tracking for seventeen years. With Daisy’s help, Gideon finally has the opportunity to get closer to the truth than ever before. But they might not get the chance,

as the serial killer has a new target: Gideon and Daisy.
