The English Language and Anglo-American Culture: Its Impact on Spanish Language and Society explores the effects of globalisation on Spanish language and society. It analyses the impact of the English language and Anglo-American culture on Spanish language and culture. This book compiles four different studies that provide evidence of the increasingly pervasive presence of English in Spanish daily life. The areas covered include: analyses of shop windows from different shopping centres in Las Palmas de Gran Canaria, Spain, which display Christmas greetings in English, rather than Spanish; exploration of some of the most frequently used techniques to translate the titles of Anglo-American films; a study of the use of anglicisms in the Spanish edition of the film magazine Cahiers du Cinema; research on the attitudes of a sample of Spanish students towards English; reflection on the emergence of a certain sense of identity towards English and Anglo-American culture among Spaniards; and some activities that invite reflection on the issues dealt with throughout the book.

Carmen and the Staging of Spain explores the Belle Époque fascination with Spanish entertainment that refashioned Bizet's opera and gave rise to an international "Carmen industry." Authors Michael Christoforidis and Elizabeth Kertesz challenge the notion of Carmen as an unchanging exotic construct, tracing the ways in which performers and productions responded to evolving fashions for Spanish style from its 1875 premiere to 1915. Focusing on selected realizations of the opera in Paris, London and New York, Christoforidis and Kertesz explore the cycles of influence between the opera and its parodies; adaptations in spoken drama, ballet and film; and the panorama of flamenco, Spanish dance, and musical entertainments. Their findings also uncover Carmen's dynamic interaction with issues of Hispanic identity against the backdrop of Spain's changing international fortunes. The Spanish response to this now most-Spanish of operas is illuminated by its early reception in Madrid and Barcelona, adaptations to local theatrical genres, and impact on Spanish composers of the time. A series of Spanish Carmens, from opera singers Elena Sanz and Maria Gay to the infamous music-hall star La Belle Otero, had a crucial influence on the interpretation of the title role. Their stories provide a fresh context for the book's reappraisal of leading Carmens of the era, including Emma Calvé and Geraldine Farrar.

Pendragon Press

A word-by-word translation in English and IPA, and annotated guides to the dialogue and recitative

versions of the opera, this book is a complete reference for anyone studying or producing Bizet's Carmen. It provides all the material necessary for practical use by singers, conductors, coaches, stage directors, opera producers, students and teachers. - from the publisher's notes.

A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* In *The Dream House* is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, Star Trek, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

The first day of school can be scary—especially when no one else speaks your language. Carmen wishes she was back in Mexico, where everyone spoke Spanish and she didn't stand out. But a little bravery, a loving family, and a compassionate, determined teacher help Carmen find her way. Señora Coski's Spanish is muy terrible, but that means Carmen knows she won't laugh if her English sounds terrible, too. Soon, Carmen is confident enough to join in lessons, games, and songs—and she starts to teach her classmates Spanish, too! Uno, dos, tres. . . . Brightly illustrated by Pura Belpré Honor illustrator Angela Dominguez, *Carmen Learns English* explores the frustrations and triumphs of a young immigrant learning a new language, and celebrates the ways in which we learn from one another. For anyone worrying about their first day of school, this sweet, realistic picture book is sure to reassure and entertain.

Carmen - vocal score (French and English) by Georges Bizet with recitatives by Ernest Giuraud.

Original French libretto by Meilhac and Halevy, with English translation by Theodore Baker.

English Version Concord Theatricals

"Carmen" is an opera in four acts by the French composer Georges Bizet. The opera, which became Bizet's most famous work, was first performed at the Opra-Comique in Paris, on March 3, 1875, and was not at first particularly successful; its initial run extended to 36 performances. Before this run was concluded, Bizet died suddenly, and thus knew nothing of the opera's later celebrity. This is the

choral score of the work, with French and English texts, and without notated accompaniment.

Carmen Cambridge Scholars Publishing

Bizet's Carmen Uncovered exposes the myths and stereotypes that so often surround this much loved opera by exploring its first staging, and the particularly Spanish contexts in which the opera was conceived, written, and staged.
