**A Life** Wildside Press LLC

Bachelor Thesis from the year 2020 in the subject English Language and Literature Studies - Literature, grade: 1,9, University of Bonn, language: English, abstract: It seems like people have always been fascinated by the concept of magic. Looking at the early modern period in Europe, magic used to

have another meaning for people. Its aim was not to entertain others, nor was it something fictional. Magic was real and existing. Today, magic is still something people are surrounded by whether through performances or by being addressed in fantasy books, magic is entertaining people today. Joanne Rowling is a British author who is best known for the Harry Potter series. With more than 500 million sold copies worldwide, the Harry Potter series is the bestselling book series of all time. The fantasy series consists of seven books and they allow the reader to discover the magical world that Rowling created. This paper will show that early modern ideas of magic can be found in the Harry Potter series and that on this basis, J.K Rowling reframes the fight between good and evil, which gives her the opportunity to humanize and demonize characters. The focus will be on the characters Hermione Granger and Bellatrix Lestrange. Focusing on the Harry Potter series, this paper will analyse how Hermione and Bellatrix are presented compared to the image of early modern practitioners of magic. First, a general overview of the early modern concepts of magic and religion will be given. After

that, the focus will be on the early modern concepts of white magic and black magic, addressing the key concepts that will be important for the analysis. Lastly, the theory part of this paper will have a look at the specific concepts of witches that were present in the early modern period.

Virginia Woolf ABDO

Hermione is, without a doubt, the brightest witch of her age, which is why she is looked up to by so many people. In this book, she shares with us tips and tricks to studying and how one can greatly increase their efficiency in education.

Featuring an iconic quote from the character, the journal includes 192 ruled pages, a ribbon placeholder, an elastic band, and a back pocket, while the pen is a sturdy, finely sculpted prop replica of Hermione's elegant wand.

**Virtue** GRIN Verlag

Mutiny on the Spanish Main tells the dramatic story of HMS Hermione, a British frigate which, in 1797, was the site of the bloodiest mutiny in British naval history, which saw the death of her captain and many of her officers. Though her crew handed her over to the Spanish, Hermione was subsequently recaptured in a daring raid on a Caribbean port two years later. Drawing on letters, reports, ship's logs and memoirs of the period, as well as previously unpublished Spanish sources, Angus Konstam intertwines extensive research with a fast-paced but balanced account of the mutiny and its consequences. Illustrated with maps and diagrams tracing the events as they unfolded, and supported by informative inserts on the technical and tactical nuances of seamanship and naval warfare in the period, this book is both a fascinating narrative retelling and an informative guide to one of the most notorious events in the history of the Royal Navy.

Harry Potter Vintage

Philippe Quinault (1635-1688) was the highest paid and most respected French librettist of his day, considered the equal of Racine. His libretti can be read as lyrical dramas without the music. The two plays included in this collection are retellings of the ancient legends of the Gods by the Roman poet Ovid. In Cadmus and Hermione, Cadmus, the founder of Thebes, rescues Hermione, daughter of Venus and Mars, from a giant who insists on marrying her. To accomplish this he slays a dragon and sows the creature's teeth, which turn into warriors who fight against him. In Perseus, the son of Jupiter rescues Andromeda from Juno's revenge, and slays the hideous Gorgon, Medusa, with the help of

the Gods. Great Greek tragedy, of interest both to fans of the opera and of the drama.

*Hermione Granger Biography* Scholastic Inc.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Willa Cather** Insights

The bestselling author of the Young Royals books "delves into Greek mythology with a retelling of the Trojan War from the point of view of Hermione" (Booklist). What is it like to be the daughter of the most beautiful woman in the world? Hermione knows . . . her mother is Helen of Troy, the famed beauty of Greek myth. Helen is not only beautiful but also impulsive, and when she falls in love with charming Prince Paris, she runs off with him to Troy, abandoning her distraught daughter. Determined to reclaim their enchanting queen, the Greek army sails for Troy. Hermione stows away in one of the thousand ships in the fleet and witnesses the start of the legendary Trojan War. In the rough Greek encampment outside the walls of Troy, Hermione's life is far from that of a pampered princess. Meanwhile, her mother basks in luxury in the royal palace inside the city. Hermione desperately wishes for the gods and goddesses to intervene and end the brutal war—and to bring her love. Will she end up with the handsome archer Orestes, or the formidable Pyrrhus, leader of a tribe of fierce warriors? And will she ever forgive her mother for bringing such chaos to her life and the lives of so many others? "Beauty's Daughter burrows into the recent interest in Greek mythology and builds a fictional account of the young woman's quest to find her lost love." —VOYA "This title would make a great pairing for students studying Greek mythology or reading the Iliad or Odyssey and will appeal particularly to students interested in ancient history." —School Library Journal

Hermione Hermione Granger Saves the World Essays on the Feminist Heroine of Hogwarts

Harry Potter: "But why's she got to go to the library?" Ronald Weasley: "Because that's what Hermione does. When in doubt, go to the library." - Hermione's book dependency[

**A Dictionary of Greek and Roman Geography** New Directions Publishing

The new essays in this book make two central claims. First, for some people, the word "feminist" has been either poorly defined or even demonized. Hermione Granger, of the Harry Potter series, serves as an outstanding example of what modern young feminism looks like: activist, powerful and full of agency, yet feminine, romantic and stylish—a new kind of feminism for a new kind of girl. The second claim the essays make is that our young, emergent feminist Hermione Granger is a pivotal character upon whom the entire series rests—not Harry Potter himself (or, at least, not Harry Potter solely). It is Hermione who solves every difficult puzzle, performs every difficult spell, and to whom her two male companions look for guidance and advice. On several occasions throughout the series, Hermione literally saves the world through her actions. This is an outstanding model for young women (and for young men as well) who are confused about how feminism manifests and operates in 2012.

Two Plays Bloomsbury Publishing

This title focuses on Hermione Granger from the Harry Potter franchise and gives information related to her backstory, journey, and legacy. This hi-lo title is complete with electrifying and colorful photographs, simple text, glossary, and an index. Aligned to Common Core Standards and correlated to state standards. Fly! is an imprint of Abdo Zoom, a division of ABDO.

Harry Potter: Hermione Granger: Cinematic Guide Pan Macmillan "H. D's wit, sense of rhythm, and control of language prove the

inadequacy of the imagist label that is so often applied to this writer." —Library Journal This autobiographical novel, an interior self-portrait of the poet H. D. (1886-1961) is what can best be described as a "find," a posthumous treasure. In writing *HERmione*, H.D. returned to a year in her life that was "peculiarly blighted." She was in her early twenties—"a disappointment to her father, an odd duckling to her mother, an importunate, overgrown, unincarnated entity that had no place... Waves to fight against, to fight against alone... 'I am Hermione Gart, a failure'—she cried in her dementia, 'I am Her, Her, Her.'" She had failed at Bryn Mawr, she felt hemmed in by her family, she did not yet know what she was going to do with her life. The return from Europe of the wild-haired George Lowndes (Ezra Pound) expanded her horizons but threatened her sense of self. An intense new friendship with Fayne Rabb (Frances Josepha Gregg), an odd girl who was, if not lesbian, then certainly of bisexual bent, brought an atmosphere that made her hold on everyday reality more tenuous. This stormy course led to mental breakdown, then to a turning point and a new beginning as her own true self, as "Her"—the poet H.D. Perdita Schaffner, H.D.'s daughter, who can remember back to the time in 1927 when her mother was barricaded with her typewriter behind a locked door, working on this very novel, has provided a charming and telling introduction.

*Harry Potter Character Pop: Hermione Granger* Thinkaha  
Named a Summer Must Read by Wall Street Journal, Elle, Harper's Bazaar, Entertainment Weekly, Glamour, Esquire, Bustle, Town & Country, Good Housekeeping, Refinery29, and more "[Hoby] might have just written the defining New York City novel of our fraught, socially anxious, and politically tumultuous times." —Interview "Intense and addictive." —New York Times A powerful novel of youth, desire, and moral conflict, in which a young man is seduced by the mirage of glamour—at terrible cost. Arriving in New York City for an internship at an elite but fading magazine, Luca feels invisible: smart but not worldly, privileged but broke, and uncertain how to navigate a new era of social change. Among his peers is Zara, a young Black woman whose sharp wit and frank views on injustice create tension in the office, especially in the wake of a shock election that's irrevocably destabilized American life. In the months that follow, as the streets of New York fill with pink-hatted protesters and the magazine faces a changing of the guard, Luca is taken under the wing of an attractive and wealthy white couple—Paula, a prominent artist, and Jason, her filmmaker husband—whose lifestyle he finds both alien and alluring. With the coming of summer, Luca is swept up in the fever dream of their marriage,

accepting an invitation to join the couple and their children at their beach house, and nurturing an infatuation both frustrating and dangerous. Only after he learns of a spectacular tragedy in the city he has left behind does he begin to realize the moral consequences of his allegiances. In language at once lyrical and incisive, *Virtue* offers a clear-eyed, unsettling story of the allure of privilege and the costs of complacency, from a writer of astonishing acuity and vision.

**A Novel** New Directions Publishing

The Essential Film Companion for *HERMIONE GRANGER* that's perfect for the youngest fans! Hermione Granger hardly ever breaks the rules—unless, of course, she needs to in order to rescue her friends and fight the Dark Lord, Voldemort.

Throughout all eight *HARRY POTTER* films, Hermione shows her wisdom and daring on her adventures with best friends Harry and Ron, secretly brewing Polyjuice Potion, rescuing Sirius Black with a Time-Turner, and creating Dumbledore's Army. Revisit these moments and more from the girl who proved that Muggle-borns can be the most skilled witches and wizards of all. The experience of this eBook will be best if viewed on a tablet.

**Double Lives** Hyperink Inc

Hermione's parents are separating - and although they're trying to deal with everything in the best way possible, it's difficult for Hermione not knowing who she'll end up living with, or where her home will be. At least she's got the school skiing trip to France to look forward to for a break from all the stress of being at home! The Girls Can Vlog gang are all excited - vlogging about what to pack and how to look good and stay safe on the slopes. Unfortunately for them, Dakota (the prettiest and meanest girl in school) is also coming on the trip, and she's planning to do everything she can to cause trouble. Will the Girls Can Vlog holiday fun be over as soon as it's begun? An inspirational story about the power of vlogging - complete with tips for making your own vlogs!
