FERGUSON DEANDRE

From Kennedy to The X Files Hachette UK

“Erica Garza has written a riveting, can’t-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read” (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we’ve all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica’s life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—“a profoundly genuine, gripping story that any reader can appreciate” (Vice). “In reading Garza’s insight into her own experiences, we better understand ourselves” (The New York Times Book Review).

The Future of God Simon and Schuster

Conspiracy theories are everywhere in post-war American culture. From postmodern novels to The X-Files and from gangsta rap to feminist polemic, there is a widespread suspicion that sinister forces are conspiring to take control of our national destiny, our minds, and even our bodies. Conspiracy explanations can no longer be dismissed as the paranoid delusions of far-right crackpots. Indeed, they have become a necessary response to a risky and increasingly globalized world, in which everything is connected but nothing adds up. Peter Knight provides an engaging and cogent analysis of the development of conspiracy culture, from 1960s' countercultural suspicions about the authorities to the 1990s, where a paranoid attitude is both routine and ironic. *Conspiracy Culture* analyses conspiracy narratives about familiar topics like the Kennedy assassination, alien abduction, body horror, AIDS, crack cocaine, the New World Order, as well as more unusual ones like the conspiracies of patriarchy and white supremacy. *Conspiracy Culture* shows how Americans have come to distrust not only the narratives of the authorities, but even the authority of narrative itself to explain What Is Really Going On. From the complexities of Thomas Pynchon's novels to the endless mysteries of The X-Files, Knight argues that contemporary conspiracy culture is marked by an infinite regress of suspicion. Trust no one, because we have met the enemy and it is us.

Odysseus Awakening Open Court

The story of Ekaterini is the story of one woman who lives through the 20th century in a part of the world where a long life could bear witness to four major wars. This is history seen from the women's point of view, the story of the ordinary lives of the women who live through the turbulent historical events of their time.

The Encyclopedia of the Dead Routledge

The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, *My Secret Garden* ignited a firestorm of reactions across the nation—from outrage to enthusiastic support. Collected from detailed personal interviews

with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, *My Secret Garden* remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times

#1 New York Times Bestseller HCI

A deftly written novel brimming with magical realist touches, *The Feline Plague* tells the story of Ira, a Slovenian child who discovers early the cruelty of the adult world—particularly the mistreatment of animals. Ira struggles to reconcile her life with a world in which people are small-minded, the chances for happiness are few, and petty tyrants rule. She takes a job with *The Lady*, a capitalist entrepreneur who runs the Ark, a pet emporium where she expects “pets will become the new jewelry.” Ira careens into adulthood alongside a fairy-tale cast: her evil mother and sisters, a benevolent grandmother, best friend and alter ego Felipe, a blind painter who moonlights as a window dresser, and a pair of twins so identical their employer thinks they’re one person. Acclaimed novelist Maja Novak masterfully conjures a series of vivid tableaux, setting Ira loose in a world where miniature wooden animals come to life—where jealousy, dreams, and realities unfold as Ira’s rite of passage parallels the backdrop of communism’s dying days and capitalism’s shaky start.

Women's Sexual Fantasies North Atlantic Books

Exiled to Siberia In June 1942, the Rudomin family is arrested by the Russians. They are "capitalists - - enemies of the people." Forced from their home and friends in Vilna, Poland, they are herded into crowded cattle cars. Their destination: the endless steppe of Siberia. For five years, Ester and her family live in exile, weeding potato fields and working in the mines, struggling for enough food and clothing to stay alive. Only the strength of family sustains them and gives them hope for the future.

Late for the Wedding Hal Leonard Corporation

From the New York Times Bestselling Author. Can God be revived in a skeptical age? What would it take to give people a spiritual life more powerful than anything in the past? Deepak Chopra tackles these issues with eloquence and insight in this book. He proposes that God lies at the source of human awareness. Therefore, any person can find the God within that transforms everyday life. God is in trouble. The rise of the militant atheist movement spearheaded by Richard Dawkins signifies, to many, that the deity is an outmoded myth in the modern world. Deepak Chopra passionately disagrees, seeing the present moment as the perfect time for making spirituality what it really should be: reliable knowledge about higher reality. Outlining a path to God that turns unbelief into the first step of awakening, Deepak shows us that a crisis of faith is like the fire we must pass through on the way to power, truth, and love. “Faith must be saved for everyone’s sake,” he writes. “From faith springs a passion for the eternal, which is even stronger than love. Many of us have lost that passion or have never known it.” In any age, faith is a cry from the heart. God is the higher consciousness that responds to the cry. “By itself, faith can’t deliver God, but it does something more timely: It makes God possible.” For three decades, Deepak Chopra has inspired millions with his profound writing and teaching. With *The Future of God*, he invites us on a journey of the spirit, providing a practical path to understanding God and our own place in the universe. Now, is a moment of reinvigoration, he argues. Now is moment of renewal. Now is the future.

Shakespeare After Theory Anchor Canada

If only you knew then what you know now . . . Imagine if you could go back ten years and meet your younger self - would you recognise her? And what advice would you give? Wear sunscreen! Back away from those PVC trousers? DON'T give that idiot your phone number? Lemon juice won't bleach your hair - it just attracts wasps . . . He's the one - don't let him go! For Charlotte Merryweather, there's no need to imagine. She's about to find out for real. With surprising consequences . . .

Alexandra Potter's deliciously funny and enchanting romantic comedy looks at life, love and what might happen if you could turn back time.

The Confession from a Harem NYU Press

John Lennon . . . as much a part of our world today as he ever was He touched many lives in his brief forty years, and continues to move and inspire millions more to this day. Now, invited by Yoko Ono, friends, family, and fans from all walks of life—including some of the great artists of our day—reminisce about Lennon as a visionary and friend, musician and performer, husband and father, activist and jokester. In their own words and drawings, poems and photos, Lennon's life from his childhood through the Beatles years to the happiness and tragedy of his final days become stunningly vivid. Intimate glimpses gathered from musicians who knew John, such as Pete Townshend, Sir Elton John, Billy Preston, and Joan Baez; friends and relatives such as producer David Geffen, publicist Elliot Mintz, and cousin Mike Cadwallader; and artists who followed him such as Bono, Alicia Keys, Steve Earle, Jello Biafra, and Carlos Santana. And, for the first time, renowned photographer Annie Liebovitz presents every frame of the historic last session with John and Yoko. Memories of John Lennon is a rich and deeply felt appreciation of a truly great man.

A Law Enforcement Primer Wiley

This is a new release of the original 1948 edition.

The Truth about Successful Men Urban Books

A suspenseful and dramatic story of impossible love between a German soldier and a French Resistance fighter in World War Two Paris. In 1943, Michel Roth is a young soldier working in the German army's back offices in occupied Paris. But his fluency in French gets Roth a new task when the Gestapo find themselves in need of a translator for the confessions of interrogated French resisters. After work Roth chooses another path – he slips out of his hotel carrying a bag of civilian clothes and steals into an alley where he changes personas, becoming Monsieur Antoine, a young Frenchman. He strolls the streets of Paris, where one day he meets Chantal, daughter of an antiquarian bookseller. They fall in love, and when Chantal warns him away from the notorious café Turachevsky, favoured nightspot for German officers and the French women who entertain them, Michel believes it is out of jealousy. Too late he discovers that she is a member of the Resistance, and his naiveté leaves Michel on the other side of the SS interrogation machine. What follows is a tale of desperate cat and mouse through Paris, and into the devastated French countryside at the end of the war, when neighbours are quick to betray neighbours, and even to take revenge into their own hands.

Psalm 44 Harper Collins

A collection of desktop computer art works by more than fifty creators features designs by engineers, software programmers, and biologists; highlights pieces that do not fall into the realm of formal art; and explores six ways in which technology is creating new artistic forums.

Occult Crime Harmony

Every day the media bombards us stories about people connecting through the Internet. In all this hype, there remains so much confusion and misconceptions as to what is really happening and why people feel the need to connect with others online. The truth is, that in a world of stalkings, STDs and increasing violence, people are searching for intimacy — possibly more than ever before. Therapists and Cybershrinks Michael Adamse and Sheree Motta use their expertise as relationship counselors to examine the most important content on the Internet: emotion. They look inside online relationships and answer the whos, hows, and whys. Included are profiles of personalities you're likely to meet in chat rooms and instant messaging; the differences between men and women online; friendships, romances, and affairs in cyberspace; what cybersex really involves; and warning signs to help identify when normal computer use has become an addiction. Containing real online conversations and first-person situations, this book is a valuable Internet users' guide and one of the most important books on relationships available today. It is fascinating reading for both newbies and pros – for those looking for companionship online and those interested in 'just looking'. Previously

released as 'Online Friendship Chat-Room Romance and Cybersex.'

No One to Trust Bantam

Defy the inevitable. Such is the stance of Confederation captain Eric Weston and the crew of the starship *Odysseus*, patrolling the outer limits of Priminae space, anticipating the Empire's next attacks. Connected with the Terran FTL tech--the transition drive--humanity might stand a chance against the overwhelming forces. Until the entire planetary system goes dark. Outnumbered and outgunned, the *Odysseus* arrives to find the Empire securing critical intelligence from Priminae ships--data that could prove disastrous in the wrong hands. As the *Odysseus* enters the fray, the ship's systems exhibit increasingly chaotic glitches, while haunting apparitions stalk the crew. As they struggle to control their own ship--and their sanity--against the tide of battle, how can they hope to grasp victory when the *Odysseus* itself appears to be coming to life?

Adam Smith's Moral and Political Philosophy Northwestern University Press

This fake book is a hilarious prank to play on unsuspecting strangers, friends and family. The cover is sure to raise eyebrows on the bus or subway as you pretend to read the book, and cause people to laugh hysterically. The interior of the book is filled with dummy text, but the cover is what you want to buy it for. Makes a great gag gift too!

Englesko-srpski Frazeološki Rečnik: L-Z Univ of Wisconsin Press

In these stories Kis depicts human relationships, encounters, landscapes- the multitude of details that make up a human life.

The Best of David Foster (Songbook) Harper Collins

Eureen, Tracey, Deja, and Jasmine are all looking for relationships that are based on strong moral values—despite their own less than moral lifestyles. Faithfully married but severely sexually frustrated, Eureen would do anything to catch her husband's eye again and reignite bedroom flames. She can't remember the last time they had sex, but when her husband suddenly passes away, she quickly finds a way to make up for lost time. A teasingly tight skirt and an extra wiggle is all Deja needs to stop Garnell's eyes from roaming to various single women in her church and focus his attention on her. In her mind, his skill level between the sheets far outweighs his criminal past. Corporate executive Jasmine is determined to turn her unemployed mama's boy of a husband into a real man, if her mother-in-law Cyreese doesn't destroy their marriage first. Tracey vows that nobody will enjoy the pleasures of her body again until she says "I do." Well, at least nobody will know about it. On their quest for love, these women will find out that sin comes with a price. Is it one they can afford?

Growing Up in Siberia Duckworth Overlook

Explicit, detailed and authoritative, it challenges sexual myths by presenting revealing details about aspects of American sex, separating facts from fiction and anxiety. Nine years of research, interviews and mass questionnaire results document how the influence of education, age, sex, religion, politics, marital status, income and regions of the country affect sexual practices and attitudes.

sa gramatikom i malim računarskim rečnikom Blurb

Written when he was only twenty-five, before embarking on the masterpieces that would make him an integral figure in twentieth-century letters, Psalm 44 shows Kiš at his most lyrical and unguarded, demonstrating that even in "the place of dragons . . . covered with the shadow of death," there can still be poetry. Featuring characters based on actual inmates and warders—including the abominable Dr. Mengele—Psalm 44 is a baring of many of the themes, patterns, and preoccupations Kiš would return to in future, albeit never with the same starkness or immediacy.

Affairs of the Net Routledge

Trained by the military as an assassin, Elena Kyler is forced into a deadly alliance with Sean Galen, the most dangerous man she knows, when she is targeted for death by Rico Chavez, a charismatic, utterly ruthless killer with unlimited resources. Reprint.
