intervals, scales, and keys, styles and genres, and the instruments of the orchestra. Its unique visual approach, which uses simple, colorful illustrations and diagrams alongside a wide range of musical examples, allows parents and children to work together to understand even the trickiest concepts of music theory. Feature boxes on composers and musicians across a

variety of styles and genres help children and parents learn and discover more about music, while guides to writing your own melody and harmonizing a song melody encourage budding composers to have a go at writing their own music. This book is also packed with musical examples, which you can listen to on the accompanying audio app. Perfect for exam preparation,

homework help, or learning to read music as part of learning an instrument, Help Your Kids With Music is a clear, accessible guide that will help parents and children understand even complex music theory and put it into practice with confidence. Series Overview: DK's bestselling Help Your Kids With series contains crystal-clear visual breakdowns of important subjects.

Simple graphics and jargon-free text are key to making this series a user-friendly resource for frustrated parents who want to help their children get the most out of school. The Living Church ABRSM Exam Pieces Provide focused practice for fifth graders in areas such as addition, subtraction, measurement, geometry, fractions, word problems, multiplication, and division.
