*CliffsNotes AP U. S. History Cram Plan*

This friendly, helpful Q&A book from the editor-in-chief of The Princeton Review presents simple answers to your toughest questions about the college admissions process, figuring out financial aid, and getting into the university of your choice! As The Princeton Review's chief expert on education, Robert Franek frequently appears on ABC, CBS, NBC, and FOX to share his insider expertise on the college admissions process. Each year, he travels to high schools across the country, advising thousands of anxious students and parents on how to turn their college hopes into reality.

Now, with College Admission 101, the best of Rob’s wisdom has finally been collected in one place! From standardized tests to financial aid, Rob provides straightforward answers to 60+ of the questions he hears most often, including:

- Should I take the ACT or SAT?
- When should I start my college research?
- How many schools should I apply to?
- Will applying Early Decision or Early Action give me a leg up?
- Which extracurricular activities do colleges want to see?
- How does the financial aid process work?
- What’s more important: GPA or test scores?

Get ready to ace your AP U.S. History Exam with this easy-to-follow, multi-platform study guide 5 Steps to a 5: AP

U.S. History 2018 Elite Student Edition introduces an effective 5-step study plan to help you build the skills, knowledge, and test-taking confidence you need to achieve a high score on the exam. This popular test prep guide matches the latest course syllabus and latest exam. You'll get online help, six full-length practice tests (three in the book and three online), detailed answers to each question, study tips, and important information on how the exam is scored. Because this guide is accessible in print and digital formats, you can study online, via your mobile device, straight from the book, or any combination of the three. With the new “5 Minutes to a 5” section, you’ll also get an extra AP curriculum activity for each school day to help reinforce the most important AP

concepts. With only 5 minutes a day, you can dramatically increase your score on exam day! 5 Steps to a 5: AP U.S. History 2018 Elite Student Edition features:

- New: “5 Minutes to a 5”—Concise activities reinforcing the most important AP concepts and presented in a day-to-day study format
- Access to the entire Cross Platform Prep Course in U.S. History
- 6 Practice Exams (3 in the book + 3 online)
- Powerful analytics you can use to assess your test readiness
- Flashcards, games, social media support, and more

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board

emphasis on how historians have interpreted the events of the chapter in various ways "the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions "period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016 AP U.S. History Prep Plus 2020 & 2021 Simon and Schuster Betty Boyd Caroli's engrossing and informative First Ladies is both a captivating read and an essential

resource for anyone interested in the role of America's First Ladies. This expanded and updated fourth edition includes Laura Bush's tenure, Hillary Clinton's 2008 presidential bid, and an in-depth look at Michelle Obama, one of the most charismatic and appealing First Ladies in recent history. Covering all forty-one women from Martha Washington to Michelle Obama and including the daughters, daughters-in-law, and sisters of presidents who sometimes served as First Ladies, Caroli explores each woman's background, marriage, and accomplishments and failures in office. This remarkably diverse lot included Abigail Adams, whose "remember the ladies" became a twentieth-century feminist refrain; Jane Pierce, who prayed her husband would

lose the election; Helen Taft, who insisted on living in the White House, although her husband would have preferred a judgeship; Eleanor Roosevelt, who epitomized the politically involved First Lady; and Pat Nixon, who perfected what some have called "the robot image." They ranged in age from early 20s to late 60s; some received superb educations for their time, while others had little or no schooling. Including the courageous and adventurous, the emotionally unstable, the ambitious, and the reserved, these women often did not fit the traditional expectations of a presidential helpmate. Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left

remarkably complete records, and their stories offer us a window through which to view not only this particular sorority of women, but also American women in general. "Impressive...Caroli's profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive." --
