*Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity*. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and

possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight, bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself ·

God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of heaven in every area of your life.

*A Powerful Call to Restore Your Soul Through Prayer* When an excruciating bout of depression led Dr. Mark Rutland to more deeply explore prayer, he came to understand its miraculous power for soul restoration. Prayer is a declaration of our Father's compassion toward us, a confession of our own inadequacy, and a reminder that he meets our daily needs. As it turns out, these are the elements of prayer Jesus taught his disciples. Praying and meditating on the Lord's Prayer changed Dr. Rutland's life, and since then he has used it to restore others' souls as well. Filled with moving stories and powerful insights, this book will help you

discover the truth about God's love and power, and this truth will bless and heal you. In the end, it's not just about saying the Lord's Prayer--it's about getting to know the Lord of the prayer.

We all crave love. We try to fill the void inside with any number of poor substitutes. We seek validation from empty outlets. We're thirsty for compliments. We change who we are to impress people who aren't looking and don't care. Yet, we are still desperately searching for a love that changes everything for us, a love that doesn't fade and doesn't fail--even when we do. That's the kind of love God shows that he has for us through the remarkable story of Hosea and Gomer. Unpacking this powerful love story from the Old Testament in a way you have never heard, pastor Micah Berteau releases us from the fears, hurts, insecurities, and anxieties of life by showing us just how extravagantly we are loved--in spite of our faults, our failures, and our sins. If you're tired of trying so hard to be worthy of someone else's love, lost in what's fake, or drawn to live in the

temporary, Micah Berteau has good news for you--there is a better way to live and love. Foreword by Jentezen Franklin.

*Atomic Power With God Thru Fasting and Prayer* is a short work by the spirited evangelist Franklin Hall. The book describes how prayer during extended fasts can heal the body and soul, and bring practitioners greater spiritual power to exalt and glorify Jesus Christ. Franklin Hall was born in Coffeyville, Kansas, in 1909. Hall's father died when Franklin was only twelve, leaving him distraught with both his loss and the responsibility of supporting his mother and five younger siblings. During these hard times, he looked to the local Pentecostal church for guidance. The church became a major influence on the lives of the young Hall children and their widowed mother, who remarried the reverend soon after. Hall began his own traveling ministry during the Great Depression. But he didn't become well known among evangelicals until the release of his first book, *Atomic Power With God Thru Fasting and Prayer*, in 1946. In the book, Hall described his own introduction to fasting and prayer

through friendship with a Oklahoma family advocating the practice in 1932. He fasted and prayed with them in anticipation of a large revival-and at the ensuing event, "scores of people were healed of all types of afflictions." He became convinced of the power of fasting and began to preach its efficacy as he traveled. In 1946, a group of "Holy Ghost people" began a long session of prayer and fasting, lasting between ten and forty days. According to Hall, they experienced a great spiritual awakening. Some even found healing of physical ailments during the fast. As word of the event spread, Hall found that there was heavy demand for more information about the power of fasting and prayer. Later that same year, Hall wrote *Atomic Power*. The book explores how fasting intensifies prayer by "[bringing] unity and [filling] us with the glory of God." Through the combination of these two acts, he believed one could enhance their "spiritual appetites" and curtail their hunger, sex, and greed appetites--thereby uncovering their "spiritual atomic power with God that lies available to every Christian." Hall acknowledged that fasting and prayer were not new. Beyond the multiple

examples from the Bible, and specifically from the life of Christ, he cited the fasting and prayer of Native Americans and Muslims who abstained from food as a regular part of their devotional exercises. In addition to the why of fasting, the book explained how one should fast. A complete fast, Hall wrote, should last from the time hunger leaves to the time hunger returns--usually 21 to 40 days. Water should be consumed in abundance to clean out the stomach and intestines of waste. And when it's time to break the fast, Hall provided a detailed breakdown of what to eat and when. *Atomic Power* brought success and notoriety to Hall, who continued to travel across the country evangelizing to crowds of up to 5,000 people. Immediately after *Atomic Power*, he published *The Fasting Prayer* in 1947 and *Glorified Fasting: The ABC of Fasting* in 1948. He published a total of 17 books during his lifetime. Hall and his wife, Helen, founded the Hall Deliverance Foundation in the mid-1950s. This alliance of churches and ministries followed Hall's teachings for fasting and prayer. The couple also started *Miracle Word*, a ministry newsletter that had 24,000

subscribers worldwide at its peak. Some other evangelists and Pentecostals did not agree with Hall's teachings. Still, fasting had staunch believers through the 1950s and beyond, including some notable evangelists like Gordon Lindsay, William Branham, and Orval Jagers. Hall's work has now been inspiring Christians to explore the benefits of fasting on their physical and spiritual health for over 70 years.

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author

Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational

disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope,

receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.
