MADILYNN BURNETT

The Book of Bullshit Routledge

Serve your country, and become financially free in the process! If you're considering joining the military, or already serve, and want to make the most out of your career while building passive income after your service ends, this book is a must-read. With nearly X-pages of in-depth advice, *The No Bullshit Guide to Military Life* is the book I wish existed when I joined the military. The tools and tactics in this book can literally earn you millions of dollars, and help you build enough passive income to retire, without ever having to work again! David Pere—active duty Marine, real estate investor, and host of the Military Millionaire Podcast—has one goal in mind: to help you create a successful career in the military while building the life of your dreams for after service. Service members and veterans alike will learn how to achieve financial freedom, have a successful career, maximize veteran benefits, use their VA loan, invest to build wealth, transition out of the military, and become a Military Millionaire. Inside, you'll discover: How to get rich in the military with simple, automated strategies The biggest mistakes people make with their Thrift Savings Plan, and how to avoid them How to get promoted quickly, attend the best schools, and tackle the best billets throughout your career The right way to buy a car while in the military: "Not another Mustang" How to leverage your VA loan (properly) to live for free, and build wealth How to buy rental properties that will generate passive income for you while you sleep How I was able to replace my income while in the military, and how you can too The best practices for transitioning out of the military and landing on your feet You've fought for our freedom—now it is time to achieve financial freedom

The Daily Show (The Book) Macmillan

Joining the ranks of classics like *The Elements of Style* and *On Writing Well*, *Writing Without Bullshit* helps professionals get to the point to get ahead. It's time for *Writing Without Bullshit*. *Writing Without Bullshit* is the first comprehensive guide to writing for today's world: a noisy environment where everyone reads what you write on a screen. The average news story now gets only 36 seconds of attention. Unless you change how you write, your emails, reports, and Web copy don't stand a chance. In this practical and witty book, you'll learn to front-load your writing with pithy titles, subject lines, and opening sentences. You'll acquire the courage and skill to purge weak and meaningless jargon, wimpy passive voice, and cowardly weasel words. And you'll get used to writing directly to the reader to make every word count. At the center of it all is the Iron Imperative: treat the reader's time as more valuable than your

own. Embrace that, and your customers, your boss, and your colleagues will recognize the power and boldness of your thinking. Transcend the fear that makes your writing weak. Plan and execute writing projects with confidence. Manage edits and reviews flawlessly. And master every modern format from emails and social media to reports and press releases. Stop writing to fit in. Start writing to stand out. Boost your career by writing without bullshit.

How to Bullsh*t Your Way to Number 1 Prometheus Books

Joshua Miller wants you to be happy. Not just getting by, not just successful by society's standards, but can't-wait-to-wake-up-every-single-day happy. If you're shaking your head, convinced that this is impossible for you, Joshua calls bullshit. The life you want is attainable—you simply need to reconnect with the person you really are. *I Call Bullshit: Live Your Life Not Someone Else's* takes the wildly overcomplicated advice presented by the self-help industry, distills it down to its basic principles, and reveals how those principles can help you become your authentic self. With insights designed to shake you out of your complacency, Joshua will show you how to face your problems head-on and conquer them with strategies that work for you. Your life doesn't have to suck. Honest. *I Call Bullshit* challenges you to be true to your dreams, your purpose, and yourself.

Lessons in Breaking Cycles, Living Your Best Life, and Dying from Cancer Anyway Delacorte Press

36 real authors give us an in depth look at their successes, their mistakes, and their careers as writers. There is nothing in the world as incredible as creating something, and getting to hear about other people enjoying it. You know that you've made a change in someone's life, even if it's only in a small way. It's one of the best feelings in the world. Everyone who becomes a professional author does so for different reasons. They each face different obstacles, have different goals, and choose different paths. The more authors that a new writer gets the opportunity to learn from, the greater the chance that they'll find someone they resonate with, and that they'll discover something that can help them in their own career. Some of the authors in this book are self-published; others are traditionally published. Some have worked with agents, and others have chosen to represent themselves. Some authors in this book generate hundreds of thousands of dollars in royalties, while others have just finished their very first novel. Some exclusively write fiction, some non-fiction, and some write a bit of both. Some of them write just for the joy of writing, others for the money, and still others because they have a story that NEEDS to be told. If you take your writing seriously, and are keen to be the best author that you can be, then *How to be an Author: 36 Real Authors Talk Writing and Publishing* is the book for you.

Broken and Screwed 2 Penguin

The SAS have earned their reputation as the world's toughest fighting unit, from the Falklands War to Kosovo, the Gulf War and other crises elsewhere. This is a step-by-step guide to the tactics of such elite units, with true accounts of the SAS's most famous exploits, as well as those of crack US Army units such as Delta Force and the Green Berets. It includes: how the SAS and other elite units came into being and how they work; combat techniques in hostile environments, from the Sahara to the Arctic; evasion, capture and escape routes; personal skills, including navigation, combat tracking and hazard avoidance; and wilderness survival skills.

The All-business, No-hype Guide to Social Media Marketing Ink and Feet, LLC

In this terrifyingly timely tale for fans of *The Eye of Minds*, a teen and his group of friends find themselves on the run after using a genius lie-detector contraption to expose their corrupt government. In a Putin-esque near-future America, the gifted and talented high school has just been eliminated, and Sam and his friends have been using their unexpected free time to work on a tiny, undetectable, utterly reliable lie detector. They're all in it for the money—except Theo, their visionary. For Theo, it's about creating a better world. A BS-free world, where no one can lie, and the honest will thrive. Just when they finish the prototype and turn down an offer to sell their brainchild to a huge corporation, Theo is found dead. Greedy companies, corrupt privatized police, and even the president herself will stop at nothing to steal the Truth App. Sam sets his sights on exposing all lies and holding everyone accountable. But he and his friends quickly realize the costs of a BS-free world: the lives of loved ones, and political and economic stability. They now face a difficult question: Is the world capable of operating without lies, or are lies what hold it together? "Deserving of comparisons to *The Hunger Games*." --Kirkus "This compelling, action-packed story will have readers eagerly turning pages...Give to fans of Cory Doctorow's *Little Brother*." --SLJ "The action is nonstop from beginning to end..a BS-free way to present a deep and fundamental question." --Booklist

Simon and Schuster

The *Questing Stones* have come to Nowherested, and Evelia Greene is finally ready to receive her life's quest. Perhaps she'll be a great warrior, or a wealthy merchant, or a brilliant mage. Perhaps her quest is simply to live a quiet life, constantly honing a craft to the heights of perfection. Or perhaps the *Questing Stones* will grant her the Legendary mission of popping over to the next village to pick up a loaf of bread. Wouldn't that be ridiculous? Eve can't even begin to guess how or why she's come by such an absurd life goal, nor how a level 1 Messenger Girl is supposed to complete anything labeled as Legendary, but at least she can be sure of one thing. No matter how many wolves or goblins attack, no matter how many speeding tickets she racks up, no matter

how many bakeries spontaneously combust as she steps into town, one way or another, Eve is going to get that gods-damned bread. There just might be a few Side Quests along the way. **Broken and Screwed** Random House
READY TO KICK THE CRAP OUTTA ANXIETY, STRESS, FEAR, DOUBT, LACK OF CONFIDENCE AND EVERY OTHER LITTLE D-BAG THAT STOPS YOU LIVING YOUR BEST LIFE? THEN THIS NO BS GUIDE IS FOR YOU! Lee Bridges teaches super simple, ridiculously easy life hacks that can be actioned today with immediate effect. After a horrendous battle with drugs, a brutal car crash, loads of failed businesses, an assault, an arrest, a lost court case, and a whole shed load of other life affirming crazy before finally getting it all right, Lee shows you exactly how to learn from his mistakes to get you to the turbo-charged, 2.0 version of yourself quicksmart. What you will learn: Feel positive & happy at the flick of a switch Create a bullet-proof mindset that will inspire others Get what you want while keeping your ethics intact Grow confidence without being someone you are not Gain simple techniques to learn anything super fast Prepared to be energised!
Bad Advice HarperCollins

Los Angeles Times #1 Bestseller USA Today Bestselling Book Over motivational messages? Sick AF of inspirational quotes? Done with the shiny happy bad advice that gets you nowhere? Well, heads up: you're about to get a shitload of Good Advice. In *Bad Advice*, relationship expert Dr. Venus Nicolino—a.k.a. Dr. V—takes a blowtorch to the shrink-wrapped, “feel good” BS that passes for self-help these days. When you're heartbroken, what do you hear? You can't love anyone until you love yourself. When someone's hurt you? Nobody can make you feel bad without your permission. When you're just a little too positive? Expectations lead to disappointment. Pop culture noise gives Bad Advice the varnish of truthiness and inspiration. But it's not truth; it's not inspiration. It's bullshit. And at its root, all Bad Advice operates off the same lie: Emotions are optional. In *Bad Advice*, Dr. V delivers a bracing truth serum, in the form of Good Advice—an antidote to the bullshit, from “Just Be Yourself” to “Live Each Day Like It's Your Last,” that teaches you to live your life in a way that honors who you are, what you need, and how you feel. Smart and irreverent, Dr. V fuses the brains and insight of a nerdy Ph.D. with the heart of a doting Italian Mother and the artful profanity of a Philly trucker. Dr. V's signature combination of humor, hard science, and heart make *Bad Advice* an iconoclastic course-correction like no other. A fiercely sharp wake-up call that tackles some of self-help's most damaging truisms, *Bad Advice* is a never shy guide to tapping into your full potential.

The No B.S. Guide to the Abundant Life Createspace Independent Publishing Platform

The scholarly discipline of Bullshit Studies has blossomed in the last several years, fertilized by a number of critical works on the subject and the growing importance of the issue across a wide range of professions. Now, best-selling author and lifelong practitioner Stanley Bing enters the field with a comprehensive look at the many attractive jobs now available to those who are serious about their bullshit and prepared to dedicate their working life to it. What, Bing inquires, do a feng shui consultant, new media executive, wine steward, department store greeter, and Vice President of the United States have in common? What, too, are the actual duties performed by a McKinsey consultant? Other than sitting around making people nervous? Could that possibly be his core function? Likewise, what does an aromatherapist actually do, per se? Sniff things and rub them on people, for big fragrant bucks? Is that all? The answer in all cases is “Yes.” They all have bullshit jobs. These few, of course, are just the beginning. Across the length and breadth of this shrinking globe, skillful bullshit artists have secured pleasant, lucrative employment, and are enjoying themselves more than you are. In virtually every occupation, from Advertising to Yoga Franchising, lucky individuals who “work” in these coveted positions enjoy the best lives imaginable -- they are paid well, they rarely break a sweat, and their professions are highly respected, because nobody really knows what they do. At once funny, useful, and tolerably philosophical, this groundbreaking work takes a close look at 100 bullshit jobs -- the money they bring with them, the actual tasks and activities involved (if any), and famous and successful examples of each position, who will provide the neophyte with inspiration. Most crucially, Bing goes on to offer what others so far have not--a clear, concise strategy to help job-seekers at every level reach for that brass ring, knowing full well that it may be attached to the nose of a bull.

Hand-book of the Democracy for 1863 & '64 Simon & Schuster
 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll

begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Get Over Your Damn Self: The No-BS Blueprint to Building A Life-Changing Business Number 1 Agency

An irreverent lexicon of the seemingly infinite ways we call bullshit, written by a McSweeney's columnist and etymologist, illustrated by a New Yorker-contributing cartoonist. What's the difference between “balderdash” and “drivel”? Where did “mumbo-jumbo” come from? How should you use “meadow mayonnaise”? What's “felgercarb” and which popular TV show coined it? There are hundreds of common and rare terms for bullshit in English, including borrowings from German, turn-of-the-century sailors, The Simpsons, and beyond. Bullshit is everywhere, but not all of it is created equal. Mark Peters's *Bullshit: A Lexicon* is the handy guide to identifying and calling BS in all of its many forms, from “bunk” and “claptrap” to “applesauce” and “gobbledygook.” Packed with historical facts, pop culture tidbits, and definitions for each term, *Bullshit* is perfect for humor readers, language lovers, and anyone looking to describe life's everyday annoyances.

Uncovering the Origins and True Meanings of Business Speak Harper Collins

An invisible disease is affecting every aspect of your life. Insidious and creeping, it shapes you everyday – from the bedroom to the boardroom, from your shopping splurge, to the extra helping at your holiday dinner, to the dangerous liaison at work. It's called emotional bullshit, and it's encroaching on your happiness. In *Emotional Bullshit: The Hidden Plague That Is Threatening to Destroy Your Relationships – AND HOW TO STOP IT*, Carl Alasko, Ph.D. sheds light on the stealth disease of Emotional BS: that is, the Toxic Trio of denial, delusion and blame that we fall back on when faced with difficult situations. These three dynamics work together to distort and manipulate truth, create a delusional reality, and shift blame when things fall apart. With the toxic trio in action, it's all but impossible to get at the heart of the problem. The result, however, is obvious – no one can achieve happiness and fulfillment. And when used in the world of business, Emotional BS can lead to financial ruin. In his over twenty years working with individuals, couples and families as a psychotherapist, Dr. Alasko has come to recognize the same problem underlying all his patients' unhappiness. When confronted with an unpleasant or inconvenient reality, they fall prey to the TOXIC TRIO: DENIAL: “My girlfriend enjoys a ‘good time’ at parties, sure. But she doesn't have a drinking problem.” Decoded: There is no problem. Everything is okay. You're exaggerating. See: the drinker, the overweight, the wallet full of maxed-out credit cards (pg 12) DELUSION: “Working late isn't a problem. My family will understand when I get that big promotion.” Decoded: I'll tell you what's true. Don't believe what you see – believe me. See: the demanding boss, the neglected partner, the alienated friend (pgs 63, 138) BLAME: “She knew I hated sloppiness when she married me. Why can't she pick up after herself?” Decoded: You're the problem. I was forced to do it; I had no choice. See: the clean freak, sub-prime mortgages, Napoleon Bonaparte (pgs 45, 84) When the Toxic Trio works together, we become stuck in a cycle of emotional BS, preventing us from moving on or learning from our mistakes. Emotional bullshit's pervasiveness in society can be found everywhere, from rising divorce rates, weight gain, and debt, to angry outbursts at work, loss of control over our children, and a lack of fulfillment in our lives. The solution is deceptively simple: You focus on your Core Needs, which is any behavior that advances your long-term best interest, and ask yourself the Master Question—“What do I need from this situation?”. Honestly addressing the larger issue – not just in the short term – cuts the BS in every relationship: between friends, co-workers, couples, in parenting and especially in business. Frank, concise and unapologetic, EMOTIONAL BULLSHIT sheds light on this hidden plague, and provides concrete advice to keep it from infiltrating your relationships.

Bullshit Jobs Simon and Schuster

From bestselling writer David Graeber—“a master of opening up thought and stimulating debate” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “On the Phenomenon of Bullshit Jobs.” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers

ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).

Uncover Your Brain's Blind Spots and Unleash Your Inner Greatness Crown

In *No Bullsh!t Leadership*, Moore outlines his proven leadership principles, learned over his 33+ year career, in a clear, direct way. He sweeps away the mystical fog surrounding leadership today and lays out the essential steps for success. Moore combines this tangible advice with honest, real-world examples from his own career to provide a no-nonsense look at the skills a true leader possesses. Wherever you are in your career, *No Bullsh!t Leadership* will help you develop the skills and form the habits needed to become a no bullsh*t leader.

The Hidden Plague that Is Threatening to Destroy Your Relationships-and How to S top It Concise Advice

Romi shares exactly how she talked her way into a Seven-Figure network marketing business and how you can too. You'll learn: The Posture to confidently connect with anyone about your business and your products.The Possibilities for a lucrative, efficient and enormously fun turn-key businessThe Power that's already within you to build the life you really want'if you dare.Romi Neustadt is a former corporate chick (lawyer, PR executive) who traded in the billable hour for time and money freedom. She's built a 7-figure business that allows her and her husband John and two kids to LiveFullOut. And she's devoted to helping others design the lives they really want too!

The Life-Changing Science of Detecting Bullshit St. Martin's Press

"Best-selling author Kevin Duncan presents the world's most comprehensive collection of total bullshit, diligently collected over 35 years. His incisive take on all this boardroom nonsense lifts the lid on the truth behind business vocabulary, and tells us what people are really trying to say."--Back cover.

On Bullshit Princeton University Press

A provocative assessment of social media discusses how to use the Internet to expand a business, challenging the claims of online authorities and marketing consultants while tracing the rise of social media and revealing the benefits of real-world connections.

The No-Bullshit Guide to Depression American Society for Training and Development

A #1 NEW YORK TIMES BESTSELLER One of the most salient features of our culture is that there is so much bullshit. Everyone knows this. Each of us contributes his share. But we tend to take the situation for granted. Most people are rather confident of their ability to recognize bullshit and to avoid being taken in by it. So the phenomenon has not aroused much deliberate concern. We have no clear understanding of what bullshit is, why there is so much of it, or what functions it serves. And we lack a conscientiously developed appreciation of what it means to us. In other words, as Harry Frankfurt writes, "we have no theory." Frankfurt, one of the world's most influential moral philosophers, attempts to build such a theory here. With his characteristic combination of philosophical acuity, psychological insight, and wry humor, Frankfurt proceeds by exploring how bullshit and the related concept of humbug are distinct from lying. He argues that bullshitters misrepresent themselves to their audience not as liars do, that is, by deliberately making false claims about what is true. In fact, bullshit need not be untrue at all. Rather, bullshitters seek to convey a certain impression of themselves without being concerned about whether anything at all is true. They quietly change the rules governing their end of the conversation so that claims about truth and falsity are irrelevant. Frankfurt concludes that although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the practitioner's capacity to tell the truth in a way that lying does not. Liars at least acknowledge that it matters what is true. By virtue of this, Frankfurt writes, bullshit is a greater enemy of the truth than lies are.

Calling Bullshit Robinson

At age 23, Shane McSimov was sick of the BS he kept hearing about work, life, business and careers. Three days after starting a new job in Seattle, he grabbed his notebooks, computer, and ideas and booked a round-trip train ride from Seattle to San Francisco. The mission? To write a book in the 24-hour train ride and share all the notes he'd collected so far in his working career: and to cut the crap about what people were saying about business and careers.What results is a collection of 75 funny, real, raw thoughtsand occasional rants about starting a career, doing work that matters, making a difference, and why having a carefully-crafted resume is the last thing you need to make shit happen in today's world. Along the way, he maps his journey with photographs out the train window and annotating what's on his iPod, what's distracting him, and the time it takes to write each post. Raw, funny, vulnerable and to-the-point, each essay cuts down on the layers of crap we hear daily to tell the real story--about how to make it happen.
