 Return once again to the timeless account of the Permian Panthers of Odessa--the winningest high-school football team in Texas history. Odessa is not known to be a town big on dreams, but the Panthers help keep the hopes and dreams of this small, dusty town going. Socially and racially divided, its fragile economy follows the treacherous boom-bust path of the oil business. In bad times, the unemployment rate barrels out of control; in good times, its murder rate skyrockets. But every Friday night from September to December, when the Permian High School Panthers play football, this West Texas town becomes a place where dreams can come true. With frankness and compassion, H. G. Bissinger chronicles a season in the life of Odessa and shows how single-minded devotion to the team shapes the community and inspires--and sometimes shatters--the teenagers who wear the Panthers' uniforms.

 An insider's hilarious, whirlwind account of his years spent globe-trotting in search of the holy grail of handbags: the Birkin For more than twenty years, the Hermès Birkin bag has been the iconic symbol of fashion, luxury, and wealth. Though the bag is often seen dangling from the arms of celebrities, there is a fabled

waiting list of more than two years to buy one from Hermès, and the average fashionista has a better chance of climbing Mount Everest in Prada pumps than of possessing one of these coveted carryalls. Unless, of course, she happens to know Michael Tonello . . . Michael's newfound career started with an impulsive move to Barcelona, a vanished job assignment, no work visa, and an Hermès scarf sold on eBay to generate some quick cash. But soon the resourceful Michael discovered the truth about the waiting list and figured out the secret to getting Hermès to part with one of these precious bags. Millions of dollars worth of Birkins later, Michael had become one of eBay's most successful entrepreneurs—and a Robin Hood to thousands of desperate rich women. With down-to-earth wit, Michael chronicles the unusual ventures that took him to nearly every continent, from eBay to Paris auction house and into the lives of celebrities and poseurs. Flirting with danger, Michael recounts the heady rush of hand delivering his first big score to famed songwriter Carole Bayer Sager in Paris; how he had to hire thugs to rescue a bag that one of his "shoppers" held for ransom; and the story of the Oscar-worthy performances that allowed him to snag "reserved" bags from other, less dogged Birkin seekers. Whether he's relating his wining and dining, buying and selling, dodging and weaving, laughing and crying, or schmoozing and stammering, Michael is a master raconteur who weaves together tales of hunting Birkins in the world's most posh locales, memories of meals that would make any gastronome salivate, anecdotes of obsessed collectors with insatiable desires, and sweetly intimate stories about his family, friends, and finding true love. The result is a memoir that is distinctive, fun, page-turning, and as addictive as its namesake.

 The man behind the Real Housewives writes about his lifelong love affair with pop culture that brought him from the suburbs of St. Louis to his own television show From a young age, Andy Cohen knew one thing: He loved television. Not in the way that most kids do, but in an irrepressible, all-consuming, I-want-to-climb-inside-the-tube kind of way. And climb inside he did. Now presiding over Bravo's reality TV empire, he started out as an overly talkative pop culture obsessive, devoted to Charlie's Angels and All My Children and to his mother, who received daily letters from Andy at summer camp, usually reminding her to tape the soaps. In retrospect, it's hard to believe that everyone didn't know that Andy was gay; still, he remained in the closet until college. Finally out, he embarked on making a career out of his passion for television. The journey begins with Andy interviewing his all-time idol Susan Lucci for his college newspaper and ends with him in a job where he has a hand in creating today's celebrity icons. In the witty, no-holds-barred style of his show Watch What Happens Live, Andy tells tales of absurd mishaps during his ten years at

CBS News, hilarious encounters with the heroes and heroines of his youth, and the real stories behind The Real Housewives. Dishy, funny, and full of heart, Most Talkative provides a one-of-a-kind glimpse into the world of television, from a fan who grew up watching the screen and is now inside it, both making shows and hosting his own.

 INSTANT NEW YORK TIMES BESTSELLER From Brian Moylan, the writer of Vulture's legendary Real Housewives recaps, a table-flipping, finger-pointing, halter-topping VIP journey through reality TV's greatest saga... In the spring of 2006, a new kind of show premiered on Bravo: The Real Housewives of Orange County. Its stars were tanned, taut, and bedazzled; their homes were echoey California villas; and their drama was gossip-fueled, wine-drenched, and absolutely exquisite. Fifteen seasons on, RHOC is an institution, along with The Real Housewives of New York, Atlanta, New Jersey, Miami, Potomac, and more. Over the years these ladies have done a lot more than lunch, launching thirty-one books, a cocktail line, two jail sentences, a couple supermodel daughters, Andy Cohen's talk show career, thirty-six divorces, fourteen albums, a White House party crash, and approximately one million memes. Brian Moylan has been there through it all, in front of the screen and behind the scenes. The writer of Vulture's beloved series recaps, he's here to tell us the full story, from the inside scoop on every classic throwdown to the questions we've always wanted to know, like—what are the housewives really like off-camera? (The same.) How much money do they make? (Lots.) He has a lot to say about the legacy and fandom of a franchise that's near and dear to his heart, and inextricable from pop culture today. A must-have for any fan of real drama and fake [redacted], The Housewives is the definitive companion to an American TV treasure.

New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald's hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can't a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? You'll Never Blue Ball in This Town Again is the laugh-out-loud story of an attractive Los Angeles woman who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do "it" until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, "Thank God Heather waited twenty-seven years to lose her virginity or she wouldn't have any material for this book." Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike "putting out," blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love—and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.

Pretty Mess meets #Girlboss in this part memoir, part entrepreneurial manifesto from *The Real Housewives of New Jersey's* "Powerhouse in Pigtails." Margaret Josephs is a hustler. She's a tough cookie. She speaks her mind. She never leaves the house without lipstick on. She's also a devoted wife, mother, daughter, businesswoman, lifestyle expert, and fan-favorite star of the reality TV series *The Real Housewives of New Jersey*. Sounds pretty glamorous, right? Well, things are never exactly as they seem. Before she arrived where she is today, "The Marge" was born to young immigrant parents. Raised by a single party-girl mother who left her physically abusive father when she was one and a half, she was taught that it was more important to look good than to feel good. No structure. No rules. No blueprint for future success or stability. But like most people who struggle through atypical childhoods, destructive relationships, and career challenges, she forced herself to wake up every morning and put one high heel in front of the other, even if she didn't know where she was going. Margaret took the cards she was dealt and eventually turned them into a winning hand, and she wants to arm fans with the ability to do the same. In *Caviar Dreams, Tuna Fish Budget*, she'll talk about how to launch a lifestyle brand, how to work with family members, and how to be an uncompromising woman in a man's world. She also spills stories from her personal life about the son *Real Housewives* viewers don't know exists, the time Joan Rivers gave her the best advice she ever got, the rendezvous she had with a famous rock star, and the affair with her contractor that ended her marriage but gave her the happily ever after. *Caviar Dreams, Tuna Fish Budget* takes fans along Margaret's wild, bumpy journey to entrepreneurial success and reality TV fame, written in her trademark no-nonsense, tongue-in-cheek voice with the perfect combination of grit and glitz.

And now, Brandi Glanville is ready to tell all in her hilarious, no-holds barred memoir. For the first time, Brandi will share how she escaped a rough childhood on the outskirts of Sacramento with a drug-dealer father and stumbled into a successful modeling career that swept her into a world of Italian fashion shows, private jets, and plastic surgery. Before she knew it, Brandi was the perfect Hollywood trophy wife--at least until her marriage exploded. Today, Brandi is a recent divorcee, mother of two and the newest member of Bravo's juggernaut franchise *The Real Housewives of Beverly Hills*. In celebration of its 25th anniversary, the bestselling classic is introduced to a new generation-with an added preface by Warhol's diarist and long-time friend, Pat Hackett, contemplating Warhol's lasting cultural impact. This international literary sensation turns the spotlight on one of the most influential and controversial figures in American culture. Filled with shocking observations about the lives, loves, and careers of the rich, famous, and fabulous, Warhol's journal is endlessly fun and fascinating. Spanning the mid-1970s until just a few days before his death in 1987, *THE ANDY WARHOL DIARIES* is a compendium of the more than twenty thousand pages of the artist's diary that he dictated daily to Pat Hackett. In it, Warhol gives us the ultimate backstage pass to practically everything that went on in the world-both high and low. He hangs out with "everybody": Jackie O ("thinks she's so grand she doesn't even owe it to the public to have another great marriage to somebody big"), Yoko Ono ("We dialed F-U-C-K-Y-O-U and L-O-V-E-Y-O-U to see what happened, we had so much fun"), and "Princess Marina of, I guess, Greece," along with art-world rock stars Jean-Michel Basquiat, Francis Bacon, Salvador Dali, and Keith Haring. Warhol had something to say about everyone who crossed his path, whether it was Lou Reed or Liberace, Patti Smith or Diana Ross, Frank Sinatra or Michael Jackson. A true cultural artifact, *THE ANDY WARHOL DIARIES* amounts to a portrait of an artist-and an era-unlike any other.
